RECORDS OF TOWN MEETINGS
AND ELECTIONS DURING THE YEAR 1939

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified to vote in elections, to meet at the polling places designated for the several precincts in said Town on Monday, the Sixth day of March, 1939, at seven o'clock in the forenoon, to act on the following Articles, namely:

Article 1. To elect by ballot the following Town Officers: a Moderator for one year; a Town Clerk for three years; a Town Treasurer for three years; a Collector of Taxes for three years; a Selectman for three years; a member of the Board of Public Works for three years; one Assessor for three years; three members of the School Committee for three years; two Trustees of the Robbins Library for three years; one member of the Board of Health for three years; one Park Commissioner for three years; one member of the Planning Board for one year, one member of the Planning Board for three years; one Commissioner of the Sinking Fund for three years; one Trustee of the Pratt Fund for five years; one Trustee of the Edwin S. Farmer Poor Widows' Fund and Trustee of the Edwin S. Farmer Fund for Needy Persons for five years; one Cemetery Commissioner for three years; a Tree Warden for one year; also, in accordance with the provisions of Chapter 43A of the General Laws, in each precinct the number of

Town Meeting Members as hereinafter specified: in Precinct 1, five such members for three years and one such member for one year; in Precinct 2, seven such members for three years and two such members for one year; in Precinct 3, four such members for three years; in Precinct 4, six such members for three years and two such members for one year; in Precinct 5, five such members for three years and two such members for two years; in Precinct 6, six such members for three years; in Precinct 7, six such members for three years; in Precinct 8, six such members for three years; in Precinct 9, five such members for three years; in Precinct 10, six such members for three years; in Precinct 11, six such members for three years; in Precinct 12, seven such members for three years and one such member for one year; in Precinct 13, six such members for three years; in Precinct 14, six such members for three years and one such member for one year.

For these purposes, the polls will be opened at seven o'clock A. M. and remain open until eight o'clock P. M., at each of the polling places designated, viz: Precinct One, in the Crosby School Building, entrance on Winter Street; Precincts Two and Four, in the Hardy School Building, entrance on Lake Street; Precincts Three and Five, in the Junior High School Building East, entrance on Tufts Street; Precincts Six and Eight, in the Town Hall; Precincts Seven and Nine, in the Russell School Building; Precinct Seven, entrance on Medford Street; Precinct Nine, entrance on Mystic Street; Precincts Ten and Twelve, in the Cutter School Building, entrance on Robbins Road; Precinct Eleven in the Highland Hose House, entrance on Massachusetts Avenue; Precinct Thirteen, in the Peirce School Building, entrance on Park Avenue North, Heights; Precinct Fourteen, in the Locke School Building, entrance on Park Avenue, Heights.

You are, also, required to notify and warn the said inhabitants to meet at the Town Hall, in said Town on Wednesday, the fifteenth day of March, 1939, at eight o'clock in the evening, at which time and place the following articles are to be acted upon and determined exclusively by

town meeting members, in accordance with, and subject to the referenda provided for by Chapter 43A of the General Laws.

Article 2. To choose and appoint all other usual Town Officers not hereinbefore mentioned, in such manner as the Town may determine.

Article 3. To hear and act on the reports of the permanent committee under vote of the Town passed March 24, 1919, on the Town yard; of the committee under vote of the Town passed April 15, 1936, and amended April 6, 1938, to investigate and consider a method or methods of disposing of ashes, rubbish and offal; of the committee under vote of the Town passed March 30, 1938, to investigate the parks and playgrounds within the Town and to report and make recommendations for their development and improvement; of the committee under vote of the Town passed March 30, 1938, to investigate and study the whole question of relief in Arlington; of the committee under vote of the Town passed March 30, 1938, to study the plans and bring in definite recommendations for the completion of the Senior High School building; of the committee under vote of the Town passed October 3, 1938, to consider the adoption of a Town By-law or By-laws relating to contracts and purchases; and of other Town Boards and officers and of the Finance and other committees heretofore appointed.

Article 4. To make appropriations to defray Town obligations, liabilities, outlay and expenses and especially for or relating to all or any of the boards, departments, purposes and matters hereinafter mentioned; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Finance Committee; Reserve Fund; Board of Appeal; Board of Selectmen; Accountant; Contributory Retirement System; Treasurer's Department; Collector's Department; Assessors' Department; Legal Department; Claims; Town Clerk's Department; Board of Public Works; Engineering Work; Elections and Town Meetings; Planning Board;

Joint Board of Selectmen and Board of Public Works; Board of Survey; Robbins Memorial Town Hall; Police Department; Fire Department; Building, Plumbing and Gas Inspection; Wire Department; Sealer of Weights and Measures; Gypsy and Brown Tail Moth Suppression; Tree Warden's Department; Health Department; Vital Statistics; Inspector of Animals; Sewerage System Maintenance; Ashes, Offal and Rubbish; Highway Division; Snow and Ice Removals; Lighting of Streets and Ways; Traffic Signals; Fire and Police Signals; Public Welfare Department; Old Age Assistance; District and Other Nurses; State and Military Aid; Soldiers' Relief and Burials; Schools; Robbins Library and Branches; Parks; Playgrounds; Pensions; Memorial Day; Printing Town Reports; Insurance; Workmen's Compensation Insurance Fund; Patriots' Day; Menotomy Hall; Maintenance of Houses Owned by Town; Municipal Insurance Fund; Water Department Maintenance; Cemeteries; Interest; Debt.

Article 5. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1940, and to issue a note or notes therefor, payable within one year, and to renew any note or notes that may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 6. To see if the Town will authorize its Collector of Taxes to use all means of collecting taxes for the year 1939 which a Town Treasurer may use when appointed a Collector of Taxes.

Article 7. To see if the Town will make an appropriation for the Extension of the Sewerage System; determine in what manner the money shall be raised and expended or take any action relating thereto.

Article 8. To see if the Town will make an appropriation for the Extension of Water Mains; determine in what

manner the money shall be raised and expended, or take any action relating thereto.

Article 9. To see if the Town will make an appropriation for the Extension of Storm Drains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 10. To see if the Town will make an appropriation for the Widening and Improving of Mill Brook for Storm Drain purposes; determine in what manner the money shall be raised and expended or take any action relating thereto.

Article 11. To see if the Town will make an appropriation for the Removal of Snow and Ice from the streets and sidewalks; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 12. To see if the Town will make an appropriation for the extension of water main in Dothan Street, determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of more than ten (10) registered voters.)

Article 13. To see if the Town will make an appropriation for the construction of permanent sidewalks and for the installing of edgestones; determine in what manner the money shall be raised; or take any action relating thereto.

Article 14. To see if the Town will accept the laying out of a town way from Gray Street to Lot No. 71, substantially in the location of the private way known as Buena Vista Road, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the southwesterly sideline of Gray Street and the southeasterly sideline of Buena Vista Road, thence southwesterly on said southeasterly sideline of Buena Vista Road a distance of 281.73' to a point on said southeasterly side line of Buena Vista Road at the division line between lots 71 and 70, thence northwesterly across said Buena Vista Road a distance of 40.00 feet to the northwesterly side line of Buena Vista Road, thence northeasterly on said northwesterly side line of Buena Vista Road a distance of 277.23 feet to the point of intersection of said northwesterly side line of Buena Vista Road and the southwesterly side line of Gray Street, thence southeasterly on said southwesterly side line of Gray Street a distance of 40.25 feet to the point of beginning, as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled "Robbins Spring Land Co., Plan and Profile, proposed Buena Vista Road, June, 1911, Scales — Horizontal = 40' = 1 inch, Vertical = 6' = 1 inch, James Adam C. E."

Article 15. To see if the Town will accept the laying out of a town way from Old Mystic Street to Falmouth Road, substantially in the location of the private way known as Crosby Street, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at a stone bound at the point of intersection of the southwesterly side line of Old Mystic Street and the northwesterly side line of Crosby Street, thence southeasterly on said southwesterly side line of Old Mystic Street a dis-

tance of 160.75 feet to the point of intersection of said southwesterly side line of Old Mystic Street and the southeasterly side line of Crosby Street, thence northwesterly, westerly and southwesterly on said southeasterly side line of Crosby Street on a curve to the left with a radius of 25 feet a distance of 44.44 feet to a point of compound curve in said southeasterly side line of Crosby Street, thence continuing southwesterly on said southeasterly side line of Crosby Street on a curve to the left with a radius of 937.5 feet a distance of 357.34 feet to a point of tangency in said southeasterly side line of Crosby Street, thence continuing southwesterly on said southeasterly side line of Crosby Street, a distance of 106.0 feet to a point of curve in said southeasterly side line of Crosby Street, thence continuing southwesterly on said southeasterly side line of Crosby Street on a curve to the left with a radius of 1137.15 feet a distance of 72.06 feet to a stone bound at the point of intersection of said southeasterly side line of Crosby Street and the northerly side line of Falmouth Road, thence southwesterly across said Crosby Street a distance of 125 feet more or less to a stone bound at the point of intersection of the northeasterly side line of Falmouth Road West and the northwesterly side line of Crosby Street, thence northeasterly on said northwesterly side line of Crosby Street on a curve to the right with a radius of 1187.15 feet a distance of 194.73 feet to a point of tangency in said northwesterly side line of Crosby Street, thence continuing northeasterly on said northwesterly side line of Crosby Street a distance of 106.0 feet to a point of curve in said northwesterly side line of Crosby Street, thence continuing northeasterly on said northwesterly side line of Crosby Street on a curve to the right with a radius of 987.6 feet a distance of 341.36 feet to a point of reverse curve in said northwesterly side line of Crosby Street, thence northeasterly, northerly and northwesterly on said northwesterly side line of Crosby Street on a curve to the left with a radius of 98 feet a distance of 130.23 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled "Plan and Profile of

portion of Crosby St. petitioned for by Wm. S. Fairchild, Arlington, Mass., Scale — Hor. 1" = 40' Ver. 1" = 6', Aug. 1926, C. H. Gannett, C. E., 53 State St., Boston."

Article 16. To see if the Town will accept the laying out of a town way from Margaret Street to present end, substantially in the location of the private way known as Dorothy Road, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at a stone bound at the intersection of the westerly side line of Margaret Street and southerly side line of Dorothy Road, thence northwesterly and westerly on a curve to the left with a radius of 25 feet a distance of 37.52 feet to a stone bound at a point of tangency in said southerly side line of Dorothy Road, thence westerly on said side line of Dorothy Road a distance of 224.88 feet to a stone bound at the point of intersection of said southerly side line of Dorothy Road and the easterly side line of Burch Street, thence continuing westerly on said southerly side line of Dorothy Road a distance of 90.47 feet to the point of intersection of said southerly side line of Dorothy Road and the westerly side line of Burch Street, thence continuing westerly on said southerly side line of Dorothy Road a distance of 346.78 feet to a point on said southerly side line of Dorothy Road at the westerly division line of lot No. 207, thence northeasterly across said Dorothy Road a distance of 44 feet more or less to a point on the northerly side line of Dorothy Road at the westerly division line of lot 110A, thence easterly on said northerly side line of Dorothy Road a distance of 322.01 feet to a point of curve in said northerly side line of Dorothy Road, thence northeasterly and

northerly on said northerly side line of Dorothy Road on a curve to the left with a radius of 25 feet a distance of 40.72 feet to the point of intersection of said northerly side line of Dorothy Road and the westerly side line of Burch Street, thence southerly on said westerly side line of Burch Street a distance of 46.53 feet to point of intersection of said westerly side line of Burch Street and the center line of Dorothy Road, thence easterly on said center line of Dorothy Road a distance of 40.07 feet to the point of intersection of said center line of Dorothy Road and the easterly side line of Burch Street, thence northerly on said easterly side line of Burch Street a distance of 43.34 feet to the point of intersection of said easterly side line of Burch Street and the northerly side line of Dorothy Road, thence southeasterly and easterly on said northerly side line of Dorothy Road on a curve to the left with a radius of 25 feet a distance of 37.52 feet to a stone bound at a point of tangency in said northerly side line of Dorothy Road, thence easterly in said northerly side line of Dorothy Road a distance of 224.88 feet to a stone bound at a point of curve in said northerly side line of Dorothy Road, thence northeasterly and northerly on said northerly side line of Dorothy Road on a curve to the left with a radius of 25 feet a distance of 41.02 feet to a stone bound at the point of intersection of said northerly side line of Dorothy Road and the westerly side line of Margaret Street, thence southerly on said westerly side line of Margaret Street a distance of 90.12 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass., the first entitled "Plan and Profile, Dorothy Road, for Herbert F. Allen, Arlington, Mass., Scales; Hor. 40' = 1", Ver. 6' = 1", Oct. 1925, C. H. Gannett C. E., 53 State St., Boston", and the second entitled "Plan and Profile of Dorothy Road as petitioned for by Franklin & Daniel Wyman, Scales; Hor. 1" = 40' Vert. 1" = 6', April 1927, Bremer W. Pond, Landscape Architect."

Article 17. To see if the Town will accept the laying out of a town way from Eastern Avenue to 125 feet south of Fisher Road, substantially in the location of the private

way known as Fayette Street, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the southwesterly side line of Eastern Avenue and the southeasterly side line of Fayette Street, thence southwesterly on said southeasterly side line of Fayette Street a distance of 301.21 feet to a point of curve in said southeasterly side line of Fayette Street, thence continuing southwesterly on said southeasterly side line of Fayette Street on a curve to the right with a radius of 1240 feet a distance of 18.66 feet to a point of reverse curve in said southeasterly side line of Fayette Street, thence southerly and southeasterly on said southeasterly side line of Fayette Street on a curve to the left with a radius of 25 feet a distance of 39.96 feet to the point of intersection of said southeasterly side line of Fayette Street and the northeasterly side line of Fisher Road, thence northwesterly on said northeasterly side line of Fisher Road a distance of 25.7 feet to an angle point in said northeasterly side line of Fisher Road; thence continuing northwesterly on said northeasterly side line of Fisher Road a distance of 62.29 feet to the point of intersection of said northeasterly side line of Fisher Road and the northwesterly side line of Fayette Street, thence easterly and northeasterly on said northwesterly side line of Fayette Street on a curve to the left with a radius of 22.29 feet a distance of 35.7 feet to a point of compound curve on said northwesterly side line of Fayette Street, thence northeasterly on said northwesterly side line of Fayette Street on a curve to the left with a radius of 1200 feet a distance of 18.76 feet to a point of tangency in said northwesterly side line of Fayette Street, thence continuing northeasterly on

said northwesterly side line of Fayette Street a distance of 268.51 feet to a point of curve in said northwesterly side line of Fayette Street, thence northerly and northwesterly on said northwesterly side line of Fayette Street on a curve to the left with a radius of 25 feet a distance of 42.02 feet to the point of intersection of said northwesterly side line of Fayette Street and the southwesterly side line of Eastern Avenue, thence southeasterly on said southwesterly side line of Eastern Avenue on a curve to the left with a radius of 5951 feet a distance of 68.17 feet to the point of beginning.

The second section is described as follows: Beginning at the point of intersection of the southwesterly side line of Fisher Road and the southeasterly side line of Fayette Street, thence westerly and southwesterly on said southeasterly side line of Fayette Street on a curve to the left with a radius of 21.29 feet a distance of 27.81 feet to a point of reverse curve in said southeasterly side line of Fayette Street, thence southwesterly on said southeasterly side line of Fayette Street on a curve to the right with a radius of 1240 feet a distance of 88.5 feet to a point of tangency in said southeasterly side line of Fayette Street, thence continuing southwesterly on said southeasterly side line of Fayette Street a distance of 2.77 feet to a point on said southeasterly side line of Fayette Street at the southwest-erly division line of lot 17A, thence westerly across said Fayette Street a distance of 40.95 feet to a point on the northwesterly side line of Fayette Street at the southwest-erly division line of lot 18, thence northeasterly on said northwesterly side line of Fayette Street a distance of 11.53 feet to a point of curve in said northwesterly side line of Fayette Street, thence continuing northeasterly on said northwesterly side line of Fayette Street on a curve to the left with a radius of 1200 feet a distance of 80.0 feet to a point of compound curve in said northwesterly side line of Fayette Street, thence northerly and northwesterly on said northwesterly side line of Fayette Street on a curve to the left with a radius of 21.79 feet a distance of 35.48 feet to the point of intersection of said northwesterly side line of Fayette Street and the southwesterly side line of Fisher

Road, thence southeasterly on said southwesterly side line of Fisher Road a distance of 65.81 feet to an angle point in said southwesterly side line of Fisher Road, thence continuing southeasterly on said southwesterly side line of Fisher Road a distance of 16.56 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled: "Board of Survey Plan & Profile of Fayette Street, Arlington, Mass., as petitioned for by Pleasant Street Trust, Horizontal Scale 1" = 40 feet, Vertical Scale 1" = 6 feet, April 10, 1929, W. A. Mason & Son. Co., Civil Engineers, Cambridge, Mass."

Article 18. To see if the Town will accept the laying out of a town way from Bellington Street to Hillcrest Street, substantially in the location of the private way known as Fisher Road, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the northeasterly side line of Fisher Road and the northwesterly side line of Hillcrest Street, then southwesterly on said northwesterly side line of Hillcrest Street on a curve to the right with a radius of 1472.60 feet a distance of 92.43 feet to the point of intersection of said northwesterly side line of Hillcrest Street and the southwesterly side line of Fisher Road, thence northerly and northwesterly on said southwesterly side line of Fisher Road on a curve to the left with a radius of 25.39 feet a distance of 41.48 feet to a point of tangency in said southwesterly side line of Fisher Road, thence continuing northwesterly on said southwesterly side line of Fisher Road a distance of 393.65 feet to an angle point in

said southwesterly side line of Fisher Road, thence continuing northwesterly on said southwesterly side line of Fisher Road a distance of 233.12 feet to a point of curve in said southwesterly side line of Fisher Road, thence westerly and southwesterly on said southwesterly side line of Fisher Road on a curve to the left with a radius of 16.00 feet a distance of 25.17 feet to the point of intersection of said southwesterly side line of Fisher Road and the southeasterly side line of Bellington Street, thence northeasterly on said southeasterly side line of Bellington Street a distance of 70.72 feet to the point of intersection of said southeasterly side line of Bellington Street and the northeasterly side line of Fisher Road, thence southerly and southeasterly on said northeasterly side line of Fisher Road on a curve to the left with a radius of 16.31 feet a distance of 23.85 feet to a point of tangency in said northeasterly side line of Fisher Road, thence southeasterly on said northeasterly side line of Fisher Road a distance of 235.52 feet to an angle point in said northeasterly side line of Fisher Road, thence continuing southeasterly on said northeasterly side line of Fisher Road, a distance of 397.54 feet to a point of curve in said northeasterly side line of Fisher Road, thence easterly and northeasterly on said northeasterly side line of Fisher Road on a curve to the left with a radius of 25.75 feet a distance of 39.27 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled: "Board of Survey plan and profile of Fisher Road, Arlington, Mass. as petitioned for by John D. Kelley, Scales; Hor. 1" = 40', Vert. 1" = 6', July 1936, H. Miller, C. E."

Article 19. To see if the Town will accept the laying out of town way from Crosby Street to Winchester Road, substantially in the location of the private way known as Frost Street, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said

way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the northwesterly side line of Crosby Street and the southwesterly side line of Frost Street, thence northerly and northwesterly on said southwesterly side line of Frost Street on a curve to the left with a radius of 50 feet a distance of 62.97 feet to a point of tangency in said southwesterly side line of Frost Street, thence northwesterly on said southwesterly side line of Frost Street a distance of 671.87 feet to a point of curve in said southwesterly side line of Frost Street, thence northwesterly, westerly and southwesterly on said southwesterly side line of Frost Street on a curve to the left with a radius of 25 feet a distance of 43.05 feet to the point of intersection of said southwesterly side line of Frost Street and the southeasterly side line of Winchester Road, thence northeasterly on said southeasterly side line of Winchester Road on a curve to the right with a radius of 2,292 feet a distance of 91.79 feet to the point of intersection of said southeasterly side line of Winchester Road and the northeasterly side line of Frost Street, thence southerly and southeasterly on said northeasterly side line of Frost Street on a curve to the left with a radius of 25 feet a distance of 36.49 feet to a point of tangency in said northeasterly side line of Frost Street, thence continuing southeasterly on said northeasterly side line of Frost Street a distance of 675.07 feet to a point of curve in said northeasterly side line of Frost Street, thence southeasterly, easterly, and northeasterly on said northeasterly side line of Frost Street on a curve to the left with a radius of 25 feet a distance of 45.92 feet to the point of intersection of said northeasterly side line of Frost Street and the northwesterly side line of Crosby Street, thence southwesterly on said northwesterly side line of Crosby Street on a curve to the left with a radius of 987.5 feet a distance of 44.98 feet to a point of tangency in said northwesterly side line of Crosby Street, thence continuing southwesterly

on said northwesterly side line of Crosby Street a distance of 65.73 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled: "Plan and Profile of Frost Street petitioned for by Wm. S. Fairchild, Arlington, Mass., Scale—Hor. 1" = 40', Ver. 1" = 6', Aug. 1926, C. H. Gannett, C. E., 53 State St., Boston."

Article 20. To see if the Town will accept the laying out of a town way from Franklin Street to Webster Street, substantially in the location of the private way known as Hamlet Street, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the southeasterly side line of Franklin Street and the northeasterly side line of Hamlet Street, thence southerly and southeasterly on said northeasterly side line of Hamlet Street on a curve to the left with a radius of 20.0 feet a distance of 30.74 feet to a point of tangency in said northeasterly side line of Hamlet Street, thence southeasterly on said northeasterly side line of Hamlet Street a distance of 177.90 feet to an angle point in said northeasterly side line of Hamlet Street, thence continuing southeasterly on said northeasterly side line of Hamlet Street a distance of 82.99 feet to a point of curve in said northeasterly side line of Hamlet Street, thence easterly and northeasterly on said northeasterly side line of Hamlet Street on a curve to the left with a radius of 20.0 feet a distance of 32.07 feet to the point of intersection of said northeasterly side line of Hamlet Street and the northwesterly side line of Webster Street, thence southwesterly on said northwesterly side line of Webster Street

a distance of 80.04 feet to the point of intersection of said northwesterly side line of Webster Street and the southwesterly side line of Hamlet Street, thence northerly and northwesterly on said southwesterly side line of Hamlet Street on a curve to the left with a radius of 20.0 feet a distance of 30.77 feet to a point of tangency in said southwesterly side line of Hamlet Street, thence northwesterly on said southwesterly side line of Hamlet Street a distance of 84.10 feet to an angle point in said southwesterly side line of Hamlet Street, thence continuing northwesterly on said southwesterly side line of Hamlet Street a distance of 176.53 feet to a point of curve in said southwesterly side line of Hamlet Street, thence westerly and southwesterly on said southwesterly side line of Hamlet Street on a curve to the left with a radius of 20.0 feet a distance of 32.09 feet to the point of intersection of said southwesterly side line of Hamlet Street and the southeasterly side line of Franklin Street, thence northeasterly on said southeasterly side line of Franklin Street a distance of 80.08 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled: "Plan & Profile of Hamlet Street, Arlington, Mass., Scales — Hor. 1" = 40', Vert. 1" = 6', Aug. 1929, H. Bruno, Surveyor.

Article 21. To see if the Town will accept the laying out of a town way from Varnum Street to Lafayette Street, substantially in the location of the private way known as Herbert Road, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

The first section described as follows: Beginning at a stone bound at the point of intersection of the northwesterly

side line of Park Blvd. and the northeasterly side line of Herbert Road, thence southwesterly on said northwesterly side line of Park Blvd. a distance of 40.0 feet to the point of intersection of said northwesterly side line of Park Blvd. and the southwesterly side line of Herbert Road, thence northwesterly on said southwesterly side line of Herbert Road a distance of 102.40 feet to the point of intersection of said southwesterly side line of Herbert Road and the southeasterly side line of Fairmont Street, thence northeasterly on said southeasterly side line of Fairmont Street a distance of 40.04 feet to a stone bound at the point of intersection of said southeasterly side line of Fairmont Street and the northeasterly side line of Herbert Road, thence southeasterly on said northeasterly side line of Herbert Road a distance of 104.30 feet to the point of beginning.

The second section described as follows: Beginning at a stone bound at the point of intersection of the northwesterly side line of Fairmont Street and the northeasterly side line of Herbert Road, thence southwesterly on said northwesterly side line of Fairmont Street a distance of 40.04 feet to the point of intersection of said northwesterly side line of Fairmont Street and the southwesterly side line of Herbert Road, thence northwesterly on said southwesterly side line of Herbert Road a distance of 183.01 feet to the point of intersection of said southwesterly side line of Herbert Road and the southeasterly side line of Thorndike Street, thence northeasterly on said southeasterly side line of Thorndike Street a distance of 40.01 feet to a stone bound at the point of intersection of the southeasterly side line of Thorndike Street and the northeasterly side line of Herbert Road, thence southeasterly on said northeasterly side line of Herbert Road a distance of 182.10 feet to the point of beginning.

The third section described as follows: Beginning at a stone bound at the point of intersection of the northwesterly side line of Thorndike Street and the northeasterly side line of Herbert Road, thence southwesterly on said northwesterly side of Thorndike Street a distance of 40.01 feet to the

point of intersection of said northwesterly side line of Thorndike Street and the southwesterly side line of Herbert Road, thence northwesterly on said southwesterly side line of Herbert Road a distance of 392.12 feet to the point of intersection of said southwesterly side line of Herbert Road and the southeasterly side line of Varnum Street, thence northeasterly across said Herbert Road and by the present accepted portion of Herbert Road a distance of 40.0 feet to the point of intersection of the southeasterly side line of Varnum Street and the northeasterly side line of Herbert Road, thence southeasterly on said northeasterly side line of Herbert Road a distance of 392.12 feet to the point of beginning, all as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled: "Plan of Herbert Rd. petitioned for by T. Tolson showing proposed lines and grades made by C. H. Gannett, C. E. Scale 40' and 6' = 1" Aug. 10, 1900."

Article 22. To see if the Town will accept the laying out of a town way from Prospect Avenue to Wachusett Avenue, substantially in the location of the private way known as Hillside Avenue, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the southwesterly side line of Prospect Avenue and the southeasterly side line of Hillside Avenue, thence southwesterly on said southeasterly side line of Hillside Avenue on a curve to the right with a radius of 900.5 feet a distance of 510.95 feet to the point of intersection of said southeasterly side line of Hillside Avenue and the easterly side line of Wachusett Avenue, thence northerly on said easterly side line of Wachusett

Avenue a distance of 50.08 feet to the point of intersection of said easterly side line of Wachusett Avenue and the northwesterly side line of Hillside Avenue, thence north-easterly on said northwesterly side line of Hillside Avenue on a curve to the left with a radius of 850.5 feet a distance of 471.5 feet to the point of intersection of said northwesterly side line of Hillside Avenue and the southwesterly side line of Prospect Avenue, thence southeasterly on said southwesterly side line of Prospect Avenue a distance of 50.75 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled: "Plan and Profile showing proposed lines and grades for Hillside Ave., Arlington, Hor. Sc. 40' = 1" Ver. Sc. 6' = 1" Chas. J. Elliot Engr & Surveyor, Nov. 5, 1910."

Article 23. To see if the Town will accept the laying out of a town way from Lake Street to Mary Street, substantially in the location of the private way known as Homestead Road, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the southerly side line of Lake Street and the easterly side line of Homestead Road, thence southwesterly and southerly on said easterly side line of Homestead Road on a curve to the left with a radius of 25 feet a distance of 39.27 feet to a point of tangency in said easterly side line of Homestead Road, thence southerly on said easterly side line of Homestead Road a distance of 150.0 feet to a point of curve in said easterly side line of Homestead Road, thence southeasterly and easterly on said easterly side line of Homestead Road on a curve to the left with a radius of 25 feet a distance of

39.27 feet to the point of intersection of said easterly side line of Homestead Road and the northerly side line of Mary Street, thence westerly on said northerly side line of Mary Street a distance of 90.0 feet to the point of intersection of said northerly side line of Mary Street and the westerly side line of Homestead Road, thence northeasterly and northerly on said westerly side line of Homestead Road on a curve to the left with a radius of 25 feet a distance of 39.27 feet to a point of tangency in said westerly side line of Homestead Road, thence northerly on said westerly side line of Homestead Road a distance of 150 feet to a point of curve in said westerly side line of Homestead Road, thence northwesterly and westerly on said westerly side line of Homestead Road on a curve to the left with a radius of 25 feet a distance of 39.27 feet to the point of intersection of said westerly side line of Homestead Road and the southerly side line of Lake Street, thence easterly on said southerly side line of Lake Street a distance of 90.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled: "Plan and Profile of Homestead Rd. as petitioned for by Franklin & Daniel Wyman, Scales — Hor. 1" = 40', Vert. 1" = 6', April 1927, Bremer W. Pond, Landscape Architect."

Article 24. To see if the Town will accept the laying out of a town way from Blossom Street to Summer Street substantially in the location of the private way known as Newland Road, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the southwesterly side line of Summer Street and the southeasterly side

line of Newland Road, thence southwesterly on said southeasterly side line of Newland Road a distance of 636.31 feet to the point of intersection of said southeasterly side line of Newland Road and the southwesterly side line of Blossom Street, thence northwesterly on said southwesterly side line of Blossom Street and by the present accepted portion of Newland Road a distance of 40.03 feet to the point of intersection of the northwesterly side line of Newland Road and the southwesterly side line of Blossom Street, thence northeasterly on said northwesterly side line of Newland Road a distance of 623.38 feet to the point of intersection of said northwesterly side line of Newland Road and the southwesterly side line of Summer Street, thence southeasterly on said southwesterly side line of Summer Street a distance of 41.42 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass., one entitled: "Plan and Profile of Newland Road, Section B, as laid out on a plat of house lots entitled: Highland Park by R. W. Seamans, Eng'r., Prov., R. I., August 1913, Scale — Horizontal 1" = 40', Vertical 1" = 6''"; the other entitled: "Plan and Profile of Newland Road Ext., Arlington, Mass., showing proposed lines and grades petitioned for by Jennie M. Varney, Scale Hor. 1" = 40', Ver. 1" = 6', July 1915, C. H. Gannett, C. E., 53 State St., Boston."

Article 25. To see if the Town will accept the laying out of a town way from Summer Street to Forest Street, substantially in the location of the private way known as Newland Road, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at a stone bound at the point of intersection of the southwesterly side line of Forest Street and the

southeasterly side line of Newland Road Ext., thence southwesterly on said southeasterly side line of Newland Road Ext. a distance of 190.03 feet to a stone bound at a point of curve in said southeasterly side line of Newland Road Ext., thence southwesterly on said southeasterly side line of Newland Road Ext. on a curve to the left with a radius of 506.66 feet a distance of 322.34 feet to a point of compound curve on said southeasterly side line of Newland Road Ext., thence southwesterly, southerly, and southeasterly on said southeasterly side line of Newland Road Ext. on a curve to the left with a radius of 12.67 feet a distance of 18.65 feet to the point of intersection of said southeasterly side line of Newland Road Ext. and the northeasterly side line of Summer Street, thence northwesterly on said northeasterly side line of Summer Street a distance of 69.74 feet to the point of intersection of said northeasterly side line of Summer Street and the northwesterly side line of Newland Road Ext., thence easterly and northeasterly on said northwesterly side line of Newland Road Ext. on a curve to the left with a radius of 14.83 feet a distance of 18.63 feet to a point of tangency in said northwesterly side line of Newland Road Ext., thence northwesterly on said northwesterly side line of Newland Road Ext. a distance of 18.62 feet to a point of curve in said northwesterly side line of Newland Road Extension, thence northeasterly on said northwesterly side line of Newland Road Ext. on a curve to the right with a radius of 546.66 feet a distance of 347.78 feet to a point of tangency in said northwesterly side line of Newland Road Ext., thence northeasterly on said northwesterly side line of Newland Road Ext. a distance of 185.72 feet to the point of intersection of said northwesterly side line of Newland Road Ext. and the southwesterly side line of Forest Street, thence southeasterly on said southwesterly side line of Forest Street on a curve to the right with a radius of 526.0 feet a distance of 40.23 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled: "Plan and Profile of Newland Road Ext., Arlington, Mass. showing proposed lines and grades petitioned for by Jennie M. Varney, Scale

Hor. 1" = 40', Ver. 1" = 6', July 1915 C. H. Gannett C. E.,
53 State St., Boston."

Article 26. To see if the Town will accept the laying out of a town way from Medford Street to Franklin Street, substantially in the location of the private way known as Parallel Street, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the southeasterly side line of Medford Street and the northeasterly side line of Parallel Street, thence southwesterly, southerly and southeasterly on said northeasterly side line of Parallel Street on a curve to the left with a radius of 25 feet a distance of 40.82 feet to a point of tangency in said northeasterly side line of Parallel Street, thence southeasterly on said northeasterly side line of Parallel Street a distance of 384.02 feet to a stone bound at the point of intersection of said northeasterly side line of Parallel Street and the northwesterly side line of Franklin Street, thence southwesterly on said northwesterly side line of Franklin Street a distance of 40.1 feet to the point of intersection of said northwesterly side line of Franklin Street and the southwesterly side of Parallel Street, thence northwesterly on said southwesterly side line of Parallel Street a distance of 386.68 feet to a stone bound at a point of curve in said southwesterly side line of Parallel Street, thence northwesterly, westerly, and southwesterly on said southwesterly side line of Parallel Street on a curve to the left with a radius of 25 feet a distance of 37.72 feet to the point of intersection of said southwesterly side line of Parallel Street and the southeasterly side line of Medford Street, thence northeasterly on

said southeasterly side line of Medford Street a distance of 90.17 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled: "Plan and Profile of Parallel St., Arlington, Mass. petitioned for by Z. E. Cliff, Scales Hor. 1" = 40', Vert. 1" = 6', Nov. 7, 1922, J. M. Keane, C. E."

Article 27. To see if the Town will accept the laying out of a town way from Lockeland Avenue to Highland Avenue, substantially in the location of the private way known as Wildwood Avenue, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the southeasterly side line of Highland Avenue and the northeasterly side line of Wildwood Avenue, thence southeasterly on said northeasterly side line of Wildwood Avenue a distance of 229.0 feet to a point of curve in said northeasterly side line of Wildwood Avenue, thence continuing southeasterly on said northeasterly side line of Wildwood Avenue on a curve to the left with a radius of 304.23 feet a distance of 67.02 feet to a point of tangency in said northeasterly side line of Wildwood Avenue, thence continuing southeasterly on said northeasterly side line of Wildwood Avenue a distance of 13.61 feet to a point of curve in said northeasterly side line of Wildwood Avenue, thence continuing southeasterly on said northeasterly side line of Wildwood Avenue on a curve to the left with a radius of 194.14 feet a distance of 93.98 feet to the point of intersection of said northeasterly side line of Wildwood Avenue and the northwesterly side line of Lockeland Avenue, thence southwesterly on said northwesterly side line of Lockeland Avenue a distance of

24.2 feet more or less to an angle point in said northwesterly side line of Wildwood Avenue, thence continuing southwesterly on said northwesterly side line of Lockeland Avenue a distance of 82.3 feet to the point of intersection of said northwesterly side line of Lockeland Avenue and the southwesterly side line of Wildwood Avenue, thence northeasterly, northerly, and northwesterly on said southwesterly side line of Wildwood Avenue on a curve to the left with a radius of 25 feet a distance of 49.75 feet to a stone bound on a point of tangency in said southwesterly side line of Wildwood Avenue, thence northwesterly on said southwesterly side line of Wildwood Avenue a distance of 38.13 feet to a point of curve in said southwesterly side line of Wildwood Avenue, thence continuing northwesterly on said southwesterly side line of Wildwood Avenue on a curve to the right with a radius of 344.23 feet a distance of 75.83 feet to a point of tangency in said southwesterly side line of Wildwood Avenue, thence continuing northwesterly on said southwesterly side line of Wildwood Avenue a distance of 229.0 feet to the point of intersection of said southwesterly side line of Wildwood Avenue and the southeasterly side line of Highland Avenue, thence northeasterly on said southeasterly side line of Highland Avenue a distance of 40 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass., one entitled: "Plan and Profile of Wildwood Ave. Ext., Arlington, Mass., Scale — Hor. 1" = 40', Ver. 1" = 6', March 1923, C. H. Gannett, C. E., 53 State St., Boston", and the other entitled: "Plan of Temple St., Gloucester St. Ext., Plymouth St., Trent St. petitioned for by F. R. & G. W. Vail showing proposed lines and grades made by C. H. Gannett, C. E., Scales 40' & 6' = 1", Sept. 10, 1910."

Article 28. To see if the Town will accept the laying out of a town way from Hutchinson Road to 110 + or — feet south of Bradley Road, substantially in the location of the private way known as Winchester Road, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions

of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the southwesterly side line of Hutchinson Road and the southeasterly side line of Winchester Road, thence northwesterly, westerly, and southwesterly on said southeasterly side line of Winchester Road on a curve to the left with a radius of 25.0 feet, a distance of 48.86 feet to a point of tangency in said southeasterly side line of Winchester Road, thence continuing southwesterly on said southeasterly side line of Winchester Road, a distance of 171.16 feet to a point of curve in said southeasterly side line of Winchester Road, thence continuing southwesterly on said southeasterly side line of Winchester Road on a curve to the left with a radius of 2292.00 feet, a distance of 307.55 feet to a point of tangency in said southeasterly side line of Winchester Road, thence continuing southwesterly on said southeasterly side line of Winchester Road, a distance of 198.14 feet to an angle point at the point of intersection of said southeasterly side line of Winchester Road and the northeasterly side line of Bradley Road, thence continuing southwesterly on said southeasterly side line of Winchester Road, a distance of 92.02 feet to an angle point at the point of intersection of said southeasterly side line of Winchester Road and the southwesterly side line of Bradley Road, thence continuing southwesterly on said southeasterly side line of Winchester Road, a distance of 16.90 feet to a point of curve in said southeasterly side line of Winchester Road, thence continuing southwesterly on said southeasterly side line of Winchester Road on a curve to the right with a radius of 240.0 feet, a distance of 63.96 feet to the point of intersection of said southeasterly side line of Winchester Road and the southwesterly side line of Hartford Road extended, thence northwesterly across said

Winchester Road, a distance of 40.0 feet, more or less, to a point on the northwesterly side line of Winchester Road at the dividing line between lot 16 and lot 6, thence northeasterly on said northwesterly side line of Winchester Road on a curve to the left with a radius of 200.0 feet, a distance of 50.0 feet to a point of tangency in said northwesterly side line of Winchester Road, thence continuing northeasterly on said northwesterly side line of Winchester Road, a distance of 35.95 feet to an angle point at the point of intersection of said northwesterly side line of Winchester Road and the southwesterly side line of Bradley Road, thence continuing northeasterly on said northwesterly side line of Winchester Road, a distance of 94.57 feet to an angle point at the point of intersection of said northwesterly side line of Winchester Road and the northeasterly side line of Bradley Road, thence continuing northeasterly on said northwesterly side line of Winchester Road, a distance of 178.15 feet to a point of curve in said northwesterly side line of Winchester Road, thence continuing northeasterly on said northwesterly side line of Winchester Road on a curve to the right with a radius of 2332.00 feet, a distance of 312.92 feet to a point of tangency in said northwesterly side line of Winchester Road, thence continuing northeasterly on said northwesterly side line of Winchester Road, a distance of 204.75 feet to a point of curve in said northwesterly side line of Winchester Road, thence northeasterly, northerly and northwesterly on said northwesterly side line of Winchester Road, on a curve to the left with a radius of 36.11 feet, a distance of 38.99 feet to the point of intersection of said northwesterly side line of Winchester Road and the southwesterly side line of Hutchinson Road, thence southeasterly on said southwesterly side line of Hutchinson Road on a curve to the right with a radius of 859.55 feet, a distance of 63.97 feet to a point of reverse curve in said southwesterly side line of Hutchinson Road, thence continuing southeasterly on said southwesterly side line of Hutchinson Road on a curve to the left with a radius of 909.55 feet, a distance of 38.60 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass., one entitled: "Plan and

profile of Winchester Road, petitioned for by Wm. S. Fairchild, Arlington, Mass., Scale, Hor. 1" = 40', Ver. 1" = 6', Aug. 1926, C. H. Gannett, C. E., 53 State St., Boston," and the other entitled: "Plan and Profile of Winchester Road, Arlington, Mass., Horizontal, Scale 1 inch = 40 feet, vertical scale 1 inch = 6 feet, W. A. Mason & Son Co., Civil Engineers, Cambridge, Mass., June 9, 1928."

Article 29. To see if the Town will appropriate, in accordance with the provisions of chapter two of the acts of nineteen hundred and thirty-nine, all or any portion of the funds distributed to it from the Highway Fund under the provisions of chapter 500 of the acts of 1938, for any of the purposes authorized by said chapter two; or will take any action relative to said funds and said chapters, or anything therein mentioned.

Article 30. To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments, for the original construction of public ways in the Town, the laying out of which is accepted at this meeting, including land damages and the cost of pavement and sidewalks laid at the time of said construction; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 31. To see if the Town will authorize the acquisition by purchase, eminent domain or otherwise, of any land, easements or rights therein, including an easement or easements in land adjoining the location of any or all public ways, the laying out of which is accepted at this meeting, consisting of a right to have the land of the location protected by having the surface of such adjoining land slope from the boundary of the location; make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 32. To see if the Town will make an appropriation or appropriations for the relocation, alteration and widening, construction of, specific repairs upon and im-

provement of all or any part of the ways within the town as now existing or hereafter relocated, altered or widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; said appropriations to be used with a sum or sums allotted by the Commonwealth or County or both for this purpose; determine in what manner the money shall be raised and expended; or take any action in any way relating to all or any of the foregoing.

Article 33. To see if the Town will make an appropriation or appropriations to pay the claims or charges of Symmes Arlington Hospital including such claims and charges for aid, relief or care furnished prior to January 1, 1939, to persons falling into distress and standing in need of immediate relief; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 34. To see if the Town will grant to the Symmes Arlington Hospital, a corporation duly established by Chapter 146 of the Acts of 1902 (hereinafter called the "Hospital"), a full and free right of way in common with the Town and others at any time entitled over a portion of the Town's land shown as "New Private Way" upon a plan entitled "Plan of Land in Arlington, Mass. showing Location of Old and New Private Ways to Symmes Arlington Hospital. Scale 1" = 40' November 1938 James M. Keane, Town Engineer", filed in the office of the town engineer, and bounded according to said plan southwesterly by the northeasterly side line of Summer Street 70.44 feet; northwesterly by land of owners unknown 162.82 feet, and by other land of the Town on a curved line with a radius of 321 feet, 225 feet more or less; northeasterly by land of the Hospital 45 feet, more or less, and southeasterly by other land of the Town on a curved line with a radius of 281 feet, 239 feet more or less, on a straight line 148.01 feet and by a curved line with a radius of 31.27 feet, 46.14 feet; and will release to the Hospital the Town's right of way over the portion of the land of the Hospital bounded according to

said plan southwesterly by land of the Town 40 feet, more or less, northwesterly by other land of the Hospital 19.31 feet, northerly and northeasterly by other land of the Hospital on the southerly line of the "New Private Way" as shown on said plan, 102.37 feet, and southeasterly and southerly by other land of the Hospital on the southeasterly side line of "Old Private Way" as shown on said plan 88.52 feet; upon receiving from the Hospital as a part of the same transaction a grant of a right of way over the portion of said Hospital's land marked "New Private Way" on said plan, and a release of all the Hospital's rights in the portion of the Town's land marked "Old Private Way" on said plan other than the right to maintain water and sewer mains as at present located, provided always that no such grant or release shall in any way affect the existing rights of the Town or the Hospital, except as herein expressly set forth; or will take any action relative to rights of way or otherwise, to the lands of the Town and the Hospital, or to anything hereinbefore mentioned.

Article 35. To see if the Town will transfer the sum of one-hundred & ninety-six (196.00) dollars from (Mt. Pleasant Cemetery) Sale of Lots and Graves Fund to the (Mt. Pleasant Cemetery) Perpetual Care Fund; will appropriate the sum of one-hundred (100.00) dollars to be expended from said Lots and Graves Fund or otherwise, for the acquisition of an unused lot or rights therein, in said Cemetery, or take any action relating thereto.

(Inserted at the request of the Cemetery Commissioners)

Article 36. To see if the Town will make an appropriation to be expended under the direction of the School Committee for the purpose of providing transportation for certain pupils attending the Russell School and Junior High Industrial Arts School; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 37. To see if the Town will appropriate the sum of four thousand five hundred dollars (\$4,500.) to be expended under the direction of the School Committee, for the purpose of completing inside telephone system in the new high school building and altering system in old high school building so that both may be connected to one desk type switchboard; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 38. To see if the Town will appropriate the sum of five thousand dollars (\$5,000.) to be expended under the direction of the School Committee, for the purpose of meeting extraordinary repairs on the roofs of certain school buildings; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 39. To see if the Town will appropriate the sum of one thousand six hundred fifty dollars (\$1,650.) to be expended under the direction of the School Committee, for the purpose of installing new tubes in one of the boilers at the high school building; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 40. To see if the Town will appoint a committee of five, two members at least to be appointed from the School Committee, to procure plans and specifications for the completion of the high school auditorium, and estimates of the cost of same, said committee to report to the Town not later than the annual meeting of 1940; make an appropriation for the use of such committee; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 41. To see if the Town will appoint a committee to procure plans and specifications for the construction

of a four room addition to the Hardy School building, and estimates of the cost of such addition and of the original equipment and furnishings thereof and of the grading of the grounds of said school; and to procure plans and specifications for the construction of a new twelve room building to replace the Russell School, and estimates of the cost of such building and of the original equipment and furnishings thereof and of the grading of the grounds of such school; said committee to report to the Town not later than the annual meeting of 1940; make an appropriation for the use of such committee; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 42. To see if the Town will make an appropriation of the sum of twelve hundred (1200) dollars or any other sum to be expended under the direction of the School Committee for adding kindergartens to one or all grade schools; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of more than ten (10) registered voters)

Article 43. To see if the Town will make an appropriation for the publication of a historical book called "Arlington Citizenship" for use in the Public Schools for instruction in Town Government and for the use of Town Officials and Town Meeting Members and for sale to the general public, in celebration of the 300th Anniversary of the erection of the first building in what is now Arlington, and appoint a committee to supervise the publication of the same, or take any other action relating thereto.

(Inserted at the request of more than ten (10) registered voters)

Article 44. To see if the Town will amend Division 12 and Division 13, section 13.3 of Article 15 of the Town's By-Law, known as the Building Code as follows:

Division 12, paragraph (m) (page 120 of the Building Code 1937 edition) by adding to that paragraph the following:

No separate flue shall be required in the kitchens of apartment houses where electricity is the sole medium of heat for cooking and the heating of water.

Division 13, section 13.3 in the sub-section of that section having the caption "SECOND CLASS CONSTRUCTION" (page 127 of the Building Code 1937 edition) by the addition of the words: "Two and" at the beginning of paragraph (a) so that paragraph (a) as amended shall read as follows:

(a) (Two and three story apartment houses) An apartment house of not more than three stories in height may be a building of the second class if the following additional conditions are complied with:

Paragraph (1) (page 127 of the Building Code 1937 edition) by striking out the figure 3500 in the first clause thereof and substituting therefor the figure "5000" so that the first clause of said paragraph (1) as amended shall read as follows:

(1) To have not more than 5000 square feet in area between fire walls and exterior walls;

Paragraph (2) (page 127 of the Building Code 1937 edition) by striking out the last sub-paragraph and substituting therefor the following new sub-paragraph: All doors leading from a stair hall shall be self-closing fire doors with metal frames. All doors between a public hall and apartments shall be self-closing fire doors with metal frames or self-closing solid woods not less than 2" thick in every part and having at least 2" plank frames, all to be constructed and installed in a manner satisfactory to the Inspector of Buildings.

Paragraph (1), (on page 128 of the Building Code 1937 edition) by striking out the figure 3500 in the first clause thereof and substituting therefor the figure 5000 so that the first clause shall read as follows:

(1) To have not more than 5000 square feet in area between fire walls and exterior walls.

Paragraph 2 (page 129 of the Building Code 1937 edition) by striking out the last sub-paragraph and substituting therefor the following new sub-paragraph:

All doors leading from a stair hall shall be self-closing fire doors with metal frames. All doors between a public hall and apartment shall be self-closing fire doors with metal frames, or solid wood doors not less than 2" thick in every part and having at least 2" plank frames all constructed and installed in a manner satisfactory to the Inspector of Buildings.

Paragraph C under the caption, "APARTMENT WITH FIRST FLOOR USED FOR MERCANTILE PURPOSES", (page 130 of the Building Code 1937 edition) by adding thereto the following:

Any apartment house constructed with a garage in the basement, the floor of the first story over the garage shall be of first-class construction and the walls of the garage shall be without openings leading to any other part of the building.

Paragraph (10) under the caption "ROOM SIZE OF"—(page 134 of the Building Code 1937 edition) by striking out the whole of said paragraph and substituting in place thereof the following new paragraph (10) to read as follows:

(10) In every tenement house hereafter erected there shall be in each apartment at least one room containing not less than one hundred and twenty (120) square feet of floor area.

Alcove rooms shall be considered a portion of the room from which they open.

Paragraph (13) under the caption "PUBLIC HALLS"—(page 134 of the Building Code 1937 edition)—by

striking out the figure 20 in first sentence and substituting therefor the figure 50 so that the first sentence as amended will read as follows:

(13) In every tenement house hereafter erected every hall extending more than 50 feet from a stair hall shall have at each story at least one window opening directly from the street or upon a yard or court of the dimensions specified in Paragraph 7 of this section.

Paragraph (14) under the caption "WINDOWS FOR PUBLIC HALL, SIZE OF" (page 135 of the Building Code 1937 edition) by striking out the last sentence so that sub-section shall read as follows:

(14) One at least of the windows provided to light each public hall, or part thereof, shall be at least two feet-six inches wide, and five feet high, measured between stop beads, and the top of the window shall be not more than eight inches below the ceiling.

Paragraph (18) under the caption "SPACE UNDER FLOOR"—(page 136 of the Building Code 1937 edition)—by striking out the entire paragraph (18) and substituting therefor the following:

(18) In every tenement hereafter erected, under any part of which there is no cellar, the first or ground floor shall be constructed, where practical, without any hollow spaces under same, and shall be protected from moisture in a manner satisfactory to the Inspector of Buildings.

Paragraph (29) the caption "WOODEN TENEMENT HOUSE"—(page 140 of the Building Code 1937 edition)—by striking out the entire sub-section and substituting therefor the following:

(29) CONVERSION OF WOODEN DWELLING HOUSES INTO TENEMENT HOUSES—In no wooden dwelling house hereafter erected shall any story or part thereof above the second floor be rented, leased,

let or hired out to be occupied for housekeeping, nor shall it be intended, arranged or designed to be occupied for housekeeping; nor shall any provision be made for cooking, nor any cooking be done above the second floor.

Article 45. To see if the town will amend its by-laws by inserting after Article 7 a new article, numbered Article 7-A, substantially as follows; or take any action relative to a by-law or by-laws relating to contracts and purchases by or on behalf of the town; will make an appropriation for the publishing of such by-law; or will take any action relative thereto; and will also amend its by-laws by numbering the present Article 7-A as Article 7-B.

ARTICLE 7-A

CONTRACTS AND PURCHASES

Section 1. All contracts and purchases made by or on behalf of the town by any department, board or committee shall issue written purchase orders therefor as provided in Article 7, Sections 2 and 3.

f Section 2. In all contracts or purchases made by any department, board or committee, where the cost exceeds Two Hundred Dollars, competitive bids shall be obtained as hereinafter provided. This provision shall be strictly construed to apply to all contracts in which the Town is a party, except as follows:

(a) Where, by reason of patent rights or copyrights, fair and reasonable competition cannot be obtained.

(b) Where, by reason of natural or actual monopoly, fair and reasonable competition cannot be obtained.

(c) Where, in case of emergency, prompt action is required for the preservation of life, or the protection of property.

(d) Where by reason of the special or standardized type, design or nature of the article or material to be

purchased or work to be done, fair and reasonable competition cannot be obtained.

Section 3. If a contract or purchase is made on behalf of the Town without competitive bids under the exceptions stated in Section 2, where the contract price exceeds Two Hundred Dollars (\$200.00) such contract or purchase shall have attached to it previous to its audit by the Town Accountant, a certificate by the head of the department, or chairman of the committee or board authorizing the same setting forth the reasons why competitive bids were not obtained.

Section 4. No contract shall be so divided as to bring the amount below Two Hundred Dollars for the purpose of evading the provisions of this Article.

Section 5. Competitive bids on contracts or purchases shall be obtained as follows:

(a) Where the estimated cost is over Two Hundred Dollars (\$200.00) but under One Thousand Dollars (\$1,000.00) either by public advertisement not to exceed one insertion in one or more newspapers published in the town or by circular letters all bearing the same date sent to a sufficient number of vendors to insure fair competition.

(b) Where the estimated cost is One Thousand Dollars (\$1,000.00), or over, by public advertisement not to exceed three consecutive insertions, in one or more newspapers published in the town.

(c) In all cases of competitive bidding by posting on a bulletin board publicly displayed in the Town Hall.

(d) Every notice inviting bids shall provide that such bids shall be publicly opened at a specified hour and day at a place to be named in the notice, and that the Town reserves the right to accept or reject any and all bids.

(e) Where the estimated cost is under One Thousand Dollars (\$1,000.00), no bids shall be opened until the expiration of at least five days from and after the invitation for bids was issued:

(f) Where the estimated cost is One Thousand Dollars (\$1,000.00) but under Ten Thousand Dollars (\$10,000), no bids shall be opened until the expiration of at least 10 days from and after the invitation for bids was issued.

(g) Where the estimated cost is Ten Thousand Dollars (\$10,000.00) or over, no bids shall be opened until the expiration of at least 15 days from and after the invitation for bids was issued.

Section 6. All contracts made on behalf of the Town together with bids obtained, and if non-competitive, the certificates as required under Section 3, shall be in the custody of the Town Accountant and shall be available for public inspection for at least 30 days after such contracts or purchases have been made.

Every notice inviting bids shall contain such specifications as will allow free and open competition.

Article 46. To see if the Town will appropriate the sum of \$15.90 or any other sum to pay expenses of officers and employees of the fire department incurred outside the commonwealth prior to January 1, 1939; or will take any action relative thereto.

Article 47. To see if the Town, under the provisions of section 3 of chapter 43A of the General Laws, will direct the Selectmen to review, and if need be, wholly or partly revise, the boundaries of the voting precincts of the Town in December of this year; make an appropriation for the purpose; or take any action relating thereto.

Article 48. To see if the Town will rescind the authorization of the treasurer to borrow all or any portion of the

sum of five thousand (5000) dollars in excess of forty thousand (40,000) dollars to defray the cost and expense for equipment or otherwise in repairing the damage to the public ways and shade trees within the Town and to the property of the Town, caused by or resulting from the hurricane of September 21, 1938, contained in the vote of the Town passed October 3, 1938 under article 2 of the warrant for the meeting of that date; will amend or modify said vote by substituting "forty thousand (40,000) dollars" for "forty-five thousand (45,000) dollars" or otherwise; or will take any other action relative to said vote, the appropriation thereby made or said authorization.

Article 49. To see if the Town will ratify the agreement by and between the Town of Lexington by its Board of Selectmen and the Town of Arlington by its Board of Public Works, dated December 5, 1938 and filed in the office of the Town Clerk, providing that the Town of Lexington may connect a sewer in Lowell Street, Lexington, to the Arlington sewer in said Lowell Street at or near the Arlington-Lexington line, and through said Lowell Street sewer in Lexington discharge the sewage from an area in Lexington particularly described in said agreement, and providing that the Town of Arlington may connect its sewers within an area particularly described in said agreement with a sewer in Crescent Hill Avenue, Lexington, whenever the Town of Lexington shall build a sewer in said avenue extending to or near the Arlington line, and that the Town of Arlington may connect its sewers within an area particularly described in said agreement with a sewer in Daniels Street, Lexington, whenever the Town of Lexington shall build a sewer in said street extending to or near the Arlington line, it being provided in said agreement that it shall take effect when ratified by the town meetings of Lexington and Arlington, respectively; or will take any action relating to said agreement, the sewers of said towns, or connections of such sewers.

Article 50. To see if the Town will vote to make the following additions to and changes in the Zoning By-Law.

AREA

Section 11 Single Residence Districts.

A. Add to the first line of this paragraph after word districts the following — No lot shall have a frontage of less than sixty feet or an area of less than six thousand square feet and change the word forty in the fifth line to read thirty so that this paragraph will read — “In the single residence districts, no lot shall have a frontage of less than sixty feet or an area of less than six thousand square feet and no building or buildings on any one lot, including garages, stables and other accessory buildings, shall be constructed, altered, enlarged, reconstructed or moved, so as to occupy at the level of the first story exclusive of uncovered steps more than thirty per cent of the area of the lot, provided, however, that this restriction shall not prohibit the erection of a private garage for not more than two cars which is accessory to and used with a building existing when this by-law takes effect and used as a residence for a single family.”

B. Add to the first line of this paragraph after the word building the following words:—measured at the outside face of nearest foundation or pier to lot line— and change the word fifteen in the third line to twenty-five and the words seven and one-half in the fourth line to ten so that this paragraph will then read “No part of any building measured at the outside face of nearest foundation or pier to lot line, except uncovered steps, shall be constructed, altered, enlarged, reconstructed or moved, so as to be less than twenty-five feet from any street lines, or except one and two car garages, less than ten feet from the line of any adjoining lot or less than fifteen feet from any other building on the same lot, except as otherwise provided in this section.”

C. Add to the beginning of this paragraph “A lot duly recorded and existing when this by-law takes effect and having a frontage of less than sixty feet or

an area less than six thousand square feet shall not be included in the provisions of paragraph B but in the event of the erection of a building as described in Paragraphs A and B on such a lot the following set backs shall apply. Not less than fifteen feet from any street lines or less than seven and one half feet from the line of any adjoining lot or less than fifteen feet from any other buildings on the same lot."

Section 12. General Residence Districts.

A. Add to the first line of this paragraph after the word districts the following — No lot shall have a frontage of less than sixty feet or an area of less than six thousand square feet and change the word fifty in the fifth line to read forty so that this paragraph will read — "In the general residence districts, no lot shall have a frontage of less than sixty feet and an area of less than six thousand square feet and no building or buildings on any one lot, including garages, stables and other accessory buildings, shall be constructed, altered, enlarged, reconstructed or moved so as to occupy at the level of the first story exclusive of uncovered steps more than forty percent of the area of the lot, provided, however, that this restriction shall not prohibit the erection of a private garage for not more than two cars which is accessory to and used with a building existing when this by-law takes effect and used as a residence."

B. Add to the first line of this paragraph after the word building the following words: — measured at the outside face of nearest foundation or pier to lot line — and change the word ten in the third line to twenty and the word line in the same line to lines. Also change the word five in the fourth line to ten so that this paragraph will then read "No part of any building measured at the outside face of the nearest foundation or pier to the lot line, except uncovered steps, shall be constructed, altered, enlarged, reconstructed or moved, so as to be less than twenty feet from any street

lines, or except one and two car garages, less than ten feet from the line of any adjoining lot except in the case of a party wall of a double house, or less than ten feet from any other building on the same lot, except as otherwise provided in this section."

C. Add to the beginning of this paragraph, "A lot duly recorded and existing when this by-law takes effect and having a frontage of less than sixty feet or an area less than six thousand square feet shall not be included in the provisions of paragraph B but in the event of the erection of a building as described in Paragraphs A and B on such a lot the following set backs shall apply: not less than ten feet from any street line or less than five feet from any adjoining lot or less than ten feet from any other buildings on the same lot."

(Inserted at the request of the Planning Board)

Article 51. To see if the Town will vote to alter its Zoning By-Law and Map therein referred to so as to change the area bounded and described in the following from a Semi-Residence District to a new district to be known as Residence D District. The Zoning By-Law to be changed by adding this new district as shown in detail in the following: Description of area—

Beginning at a point on the center line of Bacon Street, 50.0 feet northwest of the northwesterly side line of Central Street, thence northeasterly by the industrial district and on a line parallel to and 50 feet northwest of the northwesterly side line of Central Street, to the southwesterly side line of the Boston & Maine Railroad, thence southeasterly on said southwesterly side line of the Boston & Maine Railroad to the point of intersection of said southwesterly side line of the Boston & Maine Railroad and the westerly division line of the business district, thence southwesterly by said westerly division line of the business district and on a line parallel to and 100 feet northeast of the northeasterly side line of Water Street to a point 150 feet north of the northerly side line of Mass. Avenue thence westerly by the

business district and on a line parallel to and 150 feet north of said northerly side line of Mass. Avenue to the center line of Central Street, thence northeasterly on said center line of Central Street and by said business district to the point of intersection of said center line of Central Street and the center line of Bacon Street, thence northwesterly on said center line of Bacon Street to the point of beginning.

PROPOSED BY-LAW CHANGE.

Section # 1 Establishment of Districts.

In the third line of this paragraph change the words "districts of six classes to be known as" to "the following districts" and add to the latter part of this paragraph the words "Residence D districts", so that this portion of the paragraph will then read as follows: "For the purposes of this by-law, the Town of Arlington is hereby divided into the following districts:

- Single residence districts
- General residence districts
- Residence D Districts
- Semi-Residence districts
- Business districts
- Industrial districts
- Unrestricted districts

Section # 3 Incorporate in the Zoning by-law an additional section to be known as Section 3A. Residence D Districts.

In the residence D districts, no new building or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used, for

(a) Any industry, trade, manufacturing or commercial purpose.

(b) Any purpose except one or more of the following:

1. Any purpose or accessory purpose authorized by Paragraph (b) of Section 2;

2. Double house, duplex house or two-family house.
3. Apartment house.
4. Boarding house or lodging house.
5. Such accessory purposes as are customary or usual in connection with any of the foregoing purposes specified in this Paragraph (b) and are incidental thereto, including a private garage.

(c) Provided, however, that if permission of the Selectmen is obtained in the manner provided in Section 16, buildings may be constructed, altered, enlarged or reconstructed, and used for one or more of the following purposes:

(a) Public or semi-public institution of a philanthropic, charitable, or religious character, hospital, sanitarium, or other medical institution; but not a correctional institution or place of detention, unless such exists at the time of the acceptance of this By-Law.

(b) Such accessory purposes as are customary or usual in connection with any of the foregoing purposes and are incidental thereto, but not for any industry, trade, manufacturing or commercial purpose.

HEIGHT—Section 9. Add to this line the words “Residence D Districts” so that it will then read;

Section 9. Single Residence, General Residence, Residence D and Semi-Residence Districts.

Paragraph A. Add the words “Residence D Districts” to the first line of this paragraph so that it will then read;

“In the single residence, general residence, residence D, and semi-residence districts, no building shall be constructed, altered, enlarged, reconstructed or raised up so as to contain more than three stories, or so as to exceed a height of forty-five feet except as otherwise provided in this Section.

AREA—Add a new section to be known as Section #12-

A. This section will then read as follows:

Section #12-A Residence D Districts

A. In the residence D Districts the area restrictions as defined in paragraph #4 of section #3 of Division #13 of the Building Code shall apply.

B. No part of any building measured between the outside face of nearest foundation or pier and the lot line, except uncovered steps shall be constructed, altered, enlarged, reconstructed or moved, so as to be less than fifteen feet from any street line. In the case of exterior courts this distance shall be not less than ten feet. In the case of side yards a minimum of ten feet from the line of any adjoining lot will be required. For rear yards a minimum of thirteen feet and for buildings over thirty feet in height this distance shall be increased one foot for each three feet in height or fraction thereof. An exterior court having windows of rooms opening thereon shall have a width not less than one foot for every three feet or fraction thereof in height but not less than eleven feet in width. An exterior court shall have a depth not to exceed three times the court width. Inner courts will not in general be acceptable. When an inner court is used, the court width or length throughout its entire height shall be not less than the height of such court.

C. In the case that a single or two family house is constructed in this district the minimum area and set back requirements as specified for the General Residence District shall be required.

D. Distances less than those set forth in paragraphs B and C of this section, but not less than those required by the Building By-Laws or other provisions of law, may be used in specific cases where because of difficulties of construction the Selectmen may give permission

for such less distances, such permission being obtained in the manner set forth in Section #16.

(Inserted at the request of the Planning Board)

Article 52. To see if the Town will amend Sections 2 and 3 of its Zoning By-Laws by striking out Paragraph (a) of Section 2 as it now reads and inserting in place thereof the following new paragraph: (a) Any industry, trade, manufacturing or commercial purpose, or any private or public use which would be injurious, obnoxious, or offensive to a neighborhood, by reason of noise, vibration, smoke, cinders, odor, gas, fumes, dust, chemicals, or other objectionable feature or dangerous to a neighborhood through fire, explosion or for any other cause; and by striking out Paragraph (a) of Section 3 as it now reads and inserting in place thereof the following new paragraph: (a) Any industry, trade or commercial purpose, or any private or public use which would be injurious, obnoxious or offensive to a neighborhood, by reason of noise, vibration, smoke, cinders, odor, gas, fumes, dust, chemicals, or other objectionable feature or dangerous to a neighborhood through fire, explosion or for any other cause.

(Inserted at the request of more than ten (10) registered voters)

Article 53. To see if the Town will vote to alter its Zoning By-Law and Map therein referred to so as to change the area bounded and described in the following from a Single Residence District to a new district to be known as Residence C District. The Zoning By-Law to be changed by adding this new district as shown in detail in the following description of area:

Beginning at a point on the westerly side of Mystic Street said point being 39.36 feet northerly from the stone bound at the angle point in the westerly side line of Mystic Street opposite Farrington Street, thence southwesterly by lot 47 and 50 a distance of 194.04 feet to a stone bound at

the division line between lots 50, and 51A; thence northwesterly by lots #51A and 52A, 53, 54, 55 and 56 Richfield Road a distance of 390.06 feet to a stone bound at the division line between lots 56 and 28; thence continuing northwesterly by lots 28, 27, 26, 25, 24, 23 and 22 Richfield Road a distance of 585.17 feet to a stone bound on the southeasterly division line of land now or formerly of John J. McHugh et al; thence continuing northwesterly by said land now or formerly of John J. McHugh et al a distance of 936.20 feet to the division line between said land now or formerly of John J. McHugh et al and lot 52 on Brattle Avenue; thence continuing northwesterly by lots 52, 51, 50, 49 and 48 Brattle Avenue a distance of 133 feet more or less to land now or formerly of John Gomatoes et al; thence northeasterly by said land now or formerly of John Gomatoes et al, a distance of 1262 feet more or less to an angle point; thence southeasterly by said land now or formerly of John Gomatoes et al a distance of 608 feet more or less to an angle point at land now or formerly of Daisy A. Crosby; thence continuing southeasterly by said land now or formerly of Daisy A. Crosby a distance of 425 feet more or less to land now or formerly of John Blevins; thence southwesterly by said land now or formerly of John Blevins a distance of 119.5 feet to an angle point; thence southeasterly by said land now or formerly of John Blevins a distance of 121.56 feet to the westerly side line of Mystic Street; thence southwesterly on said westerly side line of Mystic Street on a curve to the right with a radius of 1538.55 feet a distance of 54.32 feet to a point of tangency in said westerly side line of Mystic Street; thence continuing southwesterly on said westerly side line of Mystic Street a distance of 518.11 feet to a point of curve in said westerly side line of Mystic Street; thence continuing southwesterly on said westerly side line of Mystic Street on a curve to the left with a radius of 484.0 feet a distance of 219.0 feet to a point of tangency in said westerly side line of Mystic Street; thence continuing southwesterly on said westerly side line of Mystic Street a distance of 308.09 feet to the point of beginning containing 1,844,695 sq. ft. more or less.

PROPOSED BY-LAW CHANGES

SECTION #1 ESTABLISHMENT OF DISTRICTS

In the third line of this paragraph change the words "districts of six classes to be known as" to "the following districts" and add to the latter part of this paragraph the words "Residence C districts", so that this portion of the paragraph will then read as follows; "For the purposes of this by-law, the Town of Arlington is hereby divided into the following districts:

- Single residence districts
- General residence districts
- Residence C districts
- Semi-Residence districts
- Business districts
- Industrial districts
- Unrestricted districts

SECTION # 3 Incorporate in the Zoning by-law an additional section to be known as Section 3B, Residence C districts.

In the residence C districts, no new building or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used, for

(a) Any industry, trade, manufacturing or commercial purpose

(b) Any purpose except one or more of the following:

1. Dwellings designed to have not more than eight rentable suites.

2. Such accessory purposes as are customary or usual in connection with any of the foregoing purposes specified in this Paragraph (b) and are incidental thereto, including a private garage and a private stable.

(c) Provided, however, that if permission of the Selectmen is obtained in the manner provided in Section

16, buildings may be constructed, altered, enlarged or reconstructed, and used for one or more of the following purposes;

(a) Public or semi-public institution of a philanthropic, charitable or religious character, hospital, sanitarium, or other medical institution, but not a correctional institution or place of detention.

(b) Such accessory purposes as are customary or usual in connection with any of the foregoing purposes and are incidental, thereto, but not for any industry, trade, manufacturing or commercial purpose.

HEIGHT—Section 9. Add to this line the words "Residence C District" so that it will then read:

Section 9. Single Residence, General Residence, Residence C, and Semi-Residence Districts.

Paragraph A. Add at the end of paragraph A the following:

"In the Residence C Districts no building shall be constructed, altered, enlarged, reconstructed or raised up so as to contain more than two stories, or so as to exceed a height of thirty-five feet except as otherwise provided in this Section."

AREA—Add a new section to be known as Section 12-B. This section will then read.

SECTION #12-B Residence C Districts.

A. In the Residence C Districts, no building or buildings including garages shall be constructed, altered, enlarged, reconstructed or moved unless there be provided for each such building at least three (3) square feet of open unoccupied space for each one (1) square feet of gross floor area of the building. The gross floor area shall be deemed the sum of the areas of horizontal sections through each story of all parts of the building used for residence, exclusive of basement. In computing gross floor area, the area of horizontal sections

shall be that area enclosed by the outside faces of all exterior walls. Interior courts and open passageways may be deducted from this figure.

B. No part of any building measured between the outside face of nearest foundation or pier and the lot line except uncovered steps, shall be constructed, altered, enlarged, reconstructed or moved, so as to be less than twenty-five (25) feet from any street lines, or less than fifteen (15) feet from the line of any adjoining lot or nearer than thirty (30) feet to any other building on the same lot.

C. Distances less than those set forth in paragraph B of this section, but not less than those required by the Building By-Laws or other provisions of law, may be used in specific cases where because of difficulties of construction the Selectmen may give permission for such less distances, such permission being obtained in the manner set forth in Section #16.

Section 17-A. Add between sections 17 and 18 a new section to be known as Section 17-A. Special Restrictions—

A. In the Residence C districts, all buildings must be of second class construction except where the building law requires them to be of first class. All buildings must be so designed that each group of two suites shall be separated by a fire-wall if of second class construction. No building in Residence C districts may have more than three such fire-walls.

B. In the Residence C districts, no basement or other part of a building with a floor level more than four (4) feet below the finished grade immediately adjacent may be used for dwelling purposes.

C. In the Residence C districts no pent house shall be used for dwelling purposes.

D. In the Residence C districts, at least one garage

or private parking space must be provided for each family, but no garage may be attached to or otherwise made a part of any dwelling.

E. In the Residence C districts any road and its sidewalks shall have the approval of the Board of Survey. The above roads and sidewalks as well as all sewer, water, hydrants and drainage mains shall be installed at the expense of the developer according to the Town's specifications.

The above facilities shall be completed before the final approval of any building for occupancy shall be granted.

F. All land included in a Residence C district shall be used in accordance with the restrictions for that district and if after completion of one or more group houses the owner wishes to sub-divide the remainder this part must be re-zoned as provided in Section #22—Amendment and Repeal of the Zoning By-Law of the Town.

(Inserted at the request of more than ten (10) registered voters)

Article 54. To see if the Town will construct a building to be used as a public field house upon land of the Town known as the Arlington Heights Playground adjacent to the Boston & Maine Railroad; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of more than ten (10) registered voters)

Article 55. To see if the Town will appoint a committee to consider the amendment, alteration, repeal or revision of, or addition to Article 15 of the By-laws of the Town of Arlington, particularly with reference to that portion of said By-law relating to Tenement Houses, Apartment Houses, Hotels and Lodging Houses or other portions relating thereto, and to report a draft of any such changes at the next Annual Town Meeting; and that the sum of \$200. be and hereby is appropriated for the use of said committee; said sum to be raised by general tax.

(Inserted at the request of more than ten (10) registered voters)

Article 56. To see if the town will appropriate the sum of four hundred dollars (\$400.00) to be expended under the direction of the Board of Selectmen, for the purpose of providing suitable headquarters for Arlington Post 1775, Veterans of Foreign Wars of the United States, in accordance with Chapter 40, Section 9, under the General Laws of Massachusetts, said sum to be raised by general tax.

(Inserted at the request of more than ten (10) registered voters)

Article 57. To see if the Town will construct a building or buildings to be used for the purposes of the Board of Public Works and any other Town boards, officers, or committees, for use as a Reclamation plant or for the disposal of rubbish and waste materials or for any municipal purpose or purposes, upon land of the Town known as the Town Yard at Hobbs Court or upon any other land; will alter or add to the present building or buildings on said land; make an appropriation or appropriations for such construction, including the cost of original equipment and furnishings, and for such alterations and additions; determine in what manner the money shall be raised and expended; or take any action relating to all or any of the foregoing.

(Inserted at the request of the Committee Investigating
Disposal of Ashes, Rubbish & Offal)

Article 58. To see if the Town will acquire by purchase, eminent domain or otherwise for the disposal of ashes, refuse and rubbish or for any other municipal purpose any land within the Town or any interest in any such land; will make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating to anything hereinbefore mentioned.

(Inserted at the request of the Board of Public Works)

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed

copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this thirteenth day of February, in the year of our Lord one thousand nine hundred and thirty-nine.

ERNEST W. DAVIS,
HAROLD M. ESTABROOK,
*Majority of the Board of Select-
men of the Town of Arlington*

CONSTABLE'S RETURN

Arlington, Mass., March 3, 1939.

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the times and places and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the times, places and objects of the meetings was published in the local papers.

(Signed) JAMES J. GOLDEN, Jr.,

Constable, Town of Arlington, Mass.

Arlington, March 6, 1939.

In pursuance of the foregoing Warrant the legal voters of the Town of Arlington met in their respective voting places in said Town on Monday, the sixth day of March, in the year of our Lord one thousand nine hundred and thirty-nine at seven o'clock in the forenoon.

The following places were designated as the voting places for the various precincts.

Precinct One, in the Crosby School Building, entrance on Winter Street; Precincts Two and Four, in the Hardy School Building, entrance Lake Street; Precincts Three and Five, in the Junior High School Building East, entrance on Tufts Street; Precincts Six and Eight, in the Town Hall; Precincts Seven and Nine, in the Russell School Building; Precinct Seven, entrance on Medford Street; Precinct Nine, entrance on Mystic Street; Precincts Ten and Twelve, in the Cutter School Building, entrance on Robbins Road; Precinct Eleven, in the Highland Hose House, entrance on Massachusetts Avenue; Precinct Thirteen, in the Peirce School Building, entrance on Park Avenue North, Heights; Precinct Fourteen, in the Locke School Building, entrance on Park Avenue, Heights.

The following election officers having been duly appointed by the selectmen, and sworn to the faithful performance of their duties, were assigned for duty at the various precincts as follows:

Extra Election Officers: Mae H. Walsh, 27 Surry Rd., Josephine S. Dyer, 45 Oakland Ave., Ralph J. Hunt, 98 Quincy St., Frank C. Fowler, 10 Howard St.

Precinct 13. Ernest Cavicchi, Warden, 1257 Mass. Ave., Adrian H. Robinson, Clerk, 91 Westminster Ave., Frederick B. Fallon, Inspector, 52 Bow St., Sidney C. Hegh, Inspector, 38 Forrest St., Bernard F. Queeney, Inspector, 10 Sunset Rd., Thomas H. Eadie, Inspector, 19 Sunset Rd., W. Arthur Taylor, Teller, 90 Alpine St., Edward A. Curley, Teller, 1261 Mass. Ave., Alice Roper, Teller, 22 Créscent Hill Ave., Hazel E. Miller, Teller, 65 Madison Ave.

Extra Election Officers: Josephine Dacey, 1263 Mass. Ave., Grace M. Mullins, 17 Oakledge St., Edith E. Savage, 68 Westmoreland Ave., John E. Ronbeck, 1245 Mass. Ave., Marie Sweeney, 16 Pierce St.

Precinct 14. Chester C. Eaton, Warden, 14 West St., Esther M. Gaddis, Clerk, 221 Wachusett Ave., John S. Burns, Inspector, 15 Wollaston Ave., Gladys M. Carroll, Inspector, 11 Lorne Rd., Bowman O. Nowell, Inspector, 5 West St., Katherine J. Marshall, Inspector, 65 Hillside Ave., Mary A. Deasy, Teller, 210 Florence Ave., A. Francis Knight, Teller, 11 Tanager St., Lenora A. Scannell, 33 Woodbury St., Teller, William J. Henderson, Teller, 344 Appleton St.

Extra Election Officers: John P. Scannell, 33 Woodbury St., Grace M. Conway, 54 Hillside Ave., Mary E.

Waters, 112 Hillside Ave., Arthur E. Burns, 184 Appleton St.

The necessary ballots prepared for each precinct and all other paraphernalia for the proper conduct of the election was supplied by the Town Clerk and turned over to the officers of the various precincts.

The polls were declared open in each precinct at seven o'clock in the morning and remained open until eight o'clock in the evening at which time, after due notice, they were declared closed.

The ballots were counted by the election officers and placed in boxes, which were sealed and delivered by direction of the Town Clerk to the Police Station, where they were placed under police guard until after the expiration of the time within which a petition for recount may be filed.

The returns and keys to ballot boxes from each precinct were turned over to the Town Clerk and with the assistance of the Registrars of Voters the returns were canvassed and the result showed that a total of 11,146 ballots were cast.

All ballots, used and unused tally sheets, total tally sheets, copy of precinct records of election, and all other records pertaining to the election were preserved by the Town Clerk during the time required by law.

A true record of the election.

Attest:

EARL A. RYDER,
Town Clerk.

Arlington, March 13, 1939.

I hereby certify that I have this day appointed Edith L. Hearsey, Assistant Town Clerk of Arlington, during my pleasure, and that she has taken the oath required for the faithful performance of her duties.

EARL A. RYDER,
Town Clerk.

ANNUAL MEETING

Arlington, March 15, 1939.

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town by a constable of said Town, notices having been sent by the Town Clerk seven days before the day of meeting to the Town Meeting Members elected and qualified to act in Town Meetings in Arlington, and posted at two places in each precinct, the Town Meeting Members met in the Robbins Memorial Town Hall in said Town on Wednesday, March 15, 1939 at eight o'clock in the evening.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney, and were filed with the Town Clerk at the close of the meeting. Two hundred and ten members attended the meeting.

The meeting was called to order at 8:10 by the Moderator, Albert W. Wunderly.

Town Meeting Members not previously sworn were sworn by the Moderator.

The Town Clerk read the call and the Constable's Return of the Warrant, the reading of the remainder of the Warrant being waived by consent of the meeting.

Mr. Davis requested that Selectman Estabrook, the Secretary of the Board of Selectmen, Mr. Golden, Mr. Smith of the Board of Public Works, and the Town Counsel, Mr. White, be permitted to sit with him.

On motion of Mr. Davis:

Voted: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Wednesday evening, March 22, 1939, at 8 o'clock.

On motion of Mr. Davis:

Voted: That at 8:27 P. M. the Annual Meeting be recessed until the business of the Special Meeting called for 8:30 P. M. is completed and that in no event shall the recess of the Annual Meeting extend beyond the time at which said Special Meeting adjourns.

On motion of Mr. Davis:

Voted: That Article 2 be taken up (Choice of Other Town Officers).

On motion of Mr. Davis:

Voted: That the following be appointed Measurers of Wood and Bark for the term of one year:

Arthur B. Peirce
Charles E. Hale
Patrick F. Brosnahan

There being no further business under Article 2 the Moderator declared Article 2 disposed of.

On motion of Mr. Davis:

Voted: That Article 3 be taken up (Reports of Selectmen, other Town Officers and Committees).

At this point Mr. Davis requested that Mr. Philip Hendrick present resolutions on the death of Mr. George H. Lowe, Jr.

Death has taken from us our best-loved citizen whose high sense of honor and whose unpretentious virtues and kindly, sincere and honest character endeared him to us. His passing brings to each and every citizen of the Town of Arlington a keen sense of personal loss. His vision and knowledge of the affairs of our Town gave great value to his counsel, and his devotion to duty won for him the admiration, respect and affection of his fellow townsmen.

Through his exemplary life, rugged integrity, perfect faith and qualities of New England individual independence and devotion to home he has left an inspiring example and a profound influence upon the thought of the people of our Town.

THEREFORE, BE IT RESOLVED, That the voters of Arlington in Annual Town Meeting assembled, record their deep sorrow at the death of George H. Lowe, Jr., and express their profound gratitude for his devotion to American principles, his sincerity and honesty, his common sense, his high patriotism and heroic courage, his life so rich in service not only to his Town, but to his Country in whose service he shed his blood.

AND BE IT ALSO RESOLVED, That in the death of George H. Lowe, Jr., our Town has lost a noble citizen and Massachusetts an ever-loyal son, who raised the standard of our public service, who was the advocate of every good cause, and who aroused the imagination of youth and satisfied the judgment of maturity.

AND BE IT FURTHER RESOLVED, That this meeting extends its sincere sympathy to the members of Mr. Lowe's family, and especially to his daughter and to his father and mother in their great sorrow and bereavement, and that the Town Clerk be and he is hereby instructed to prepare and forward a copy of these resolutions to them, and a copy be spread upon the records of this meeting.

THOMAS J. BOYNTON, Chairman
MRS. HAROLD B. WOOD
PHILIP A. HENDRICK
ARTHUR P. WYMAN
FREDERICK W. HILL

When Mr. Hendrick had concluded reading the resolutions, Mr. Davis moved that they be accepted and adopted, and that the members stand for a few seconds as a tribute to the memory of Mr. Lowe, which was unanimously carried out.

On motion of Mr. Davis:

Voted: That the reports of the Selectmen and of the various Town Officers and the Committees heretofore appointed, together with the statistics of the Assessors as printed in the Town Report, be received.

On motion of Mr. Higgins:

Voted: That the report of the Finance Committee as presented in printed form be received.

Mr. Richard Donovan presented the following report of the Committee to Study the Plan and bring in definite recommendations for the completion of the High School Building.

Mr. Moderator and Town Meeting Members:

This Committee was appointed by the Moderator after the Adjourned Town Meeting, March 30, 1938.

Four (4) citizens of the Town and one (1) member from the School Committee were asked to serve.

The Committee met and organized May 12, 1938, at which time the intent of the School Committee, at whose request Article 38 was inserted in the Warrant, was discussed.

The second meeting of the Committee was held at the High School Auditorium on May 18, 1938. The Superintendent of Schools and Supervisor of Maintenance of School Buildings were present. The Auditorium and original plans of same were examined and compared. Prior and subsequent to this meeting a careful search was made in the various Town offices for the plans referred to in Article 38. No plans could be found in any Town Department.

The third meeting of the Committee was held on August 8, 1938, at which time it was definitely established that the plans referred to in Article 38 were not owned by the Town of Arlington, but were still in the hands of, and were the property of, the Architect. The Town had not purchased these plans, which had originally been prepared by the Architect during 1935 and referred to in Article 2 of a Special Town Meeting held October 24, 1935.

The scope of Article 38 was carefully considered, and your Committee did not wish to exceed their authority or assume the responsibility either individually or for the Town by calling upon the Architect to furnish the necessary plans, as we did not have the necessary appropriation to defray such an expense.

The fourth meeting was held October 26, 1938 and was a joint meeting with the School Committee at their offices, 23 Maple St. As the School Committee inserted Article 38 in the Warrant, it was thought that they could either help your Committee secure the necessary plans or assume the responsibility for procuring the plans that were referred to in Article 38.

The School Committee had no plans on file or funds to secure same.

Your Committee, herewith, submits a copy of Article 38, of the Town Meeting Warrant of March 3 and 15, 1938, which was their only authority to act. Please note:

“Article 38. To see if the Town will vote to instruct the Moderator to appoint a Committee of five, one member at least to be appointed from the School Committee, for the purpose of studying the plans and bringing in definite recommendations for the completion of the Senior High School building, in accordance with the plans; make an appropriation for the use of such Committee; or take any action relating thereto.”

From the Report of the Finance Committee

“Article 38. Committee on Plans for Completion of Senior High Building.

“The Finance Committee recommends the passage of the following vote:

“Voted: That the Moderator be and hereby is instructed to appoint a Committee of five, one member at least to be appointed from the School Committee, for the purpose of studying the plans and bringing in definite recommendations for the completion of the Senior High School building in accordance with the plans; and that the sum of fifty (50) dollars be and hereby is appropriated for the use of said committee; said sum to be raised by general tax.”

It will be noted that your Committee was appropriated \$50 for its use. This sum could not purchase plans.

The Article states in part “for the purpose of studying the plans”, etc. There were no plans to study.

The fifth meeting of your Committee was held Monday, February 27, 1939.

No expenses were incurred by your Committee, leaving an unexpended balance of \$50.

In view of the foregoing statements, your Committee can make no definite recommendations for the completion of the Senior High School building.

Your Committee respectfully presents their report and requests that they be discharged.

(Signed)

RICHARD DONOVAN, Chairman
M. NORCROSS STRATTON
CHARLES P. HATCH
ALONZO B. REED, Secretary

And it was unanimously

Voted: That the report be received and the Committee discharged.

Mr. Peterson asked that he be allowed to report for the Committee appointed to consider methods of disposal of ashes, rubbish and offal at such time as Article 57 is before the meeting.

Mr. Gaddis reported as follows for the Committee appointed to consider the adoption of a Town By-law or By-laws relating to contracts and purchases.

This Committee has made a very careful study of various By-laws. Held many meetings and conferences with the Town Officials and Boards, and as a result, we recommend the adoption of a Contract and Purchasing By-law as printed in (Article 45) of the Warrant.

MICHAEL E. GADDIS, Chairman
WILLIAM A. BILLINGS
WILLIAM B. CUMMINGS
WARREN G. LINDBERG
CHARLES A. SAWYER

On motion duly made and seconded it was

Voted: That the report be received and the Committee discharged.

Mr. Hayes presented a report of progress for the Committee appointed to investigate and study the whole question of relief in the Town, and on motion duly made and seconded it was

Voted: That the report be received.

On motion of Mr. Higgins:

Voted: That Article 3 be laid on the table.

On motion of Mr. Higgins:

Voted: That the remaining Articles in the Warrant be now taken up separately in the order in which they appear

in said Warrant, except that Article 29 be taken up with Article 4, and that the recommendations of the Finance Committee under said Articles, as presented in their printed report, be considered as now before the meeting to be voted upon without further motion, separately, under the respective Articles as they appear in said report.

The time having arrived for the Special Town Meeting, it was voted to recess, and the meeting adjourned at 8:27 P. M.

EARL A. RYDER,

Town Clerk.

TOWN WARRANT

The Commonwealth of Massachusetts

Middlesex, ss.

To the Constables of the Town of Arlington, in said County :

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the legal voters of the Town of Arlington, to meet in the

TOWN HALL

in said Town on

WEDNESDAY, THE 15th DAY OF MARCH, 1939
at 8:30 o'clock, P. M., at which time and place the following Articles are to be acted upon and determined exclusively by Town Meeting Members, in accordance with, and subject to, the referenda provided for by Chapter 43A of the General Laws.

Article 1. To hear and act upon the reports of the Finance and other Committees heretofore appointed.

Article 2. To see if the Town will make an appropriation or appropriations for the payment to the County of Middlesex of amounts assessed upon or otherwise payable by the Town for: (a) the Town's share of the principal of the bonds issued under the provisions of Chapter 10 of the Acts of 1932 for the Middlesex County Tuberculosis Hospital Funding Loan, Acts of 1932, maturing in the current year; (b) any other indebtedness incurred and outstanding under said Chapter 10; (c) the Town's share of the interest and other charges on said bonds due in the current year; (d) the care, maintenance and repair of said Hospital during the last preceding calendar year, including interest on temporary notes issued therefor in accordance with sections of Chapter 111 of the General Laws applicable thereto; (e) any

and all other expenses in connection with said Hospital or said loan including expenses under Section 25G (6) (a) of Chapter 32 of the General Laws inserted by Chapter 400 of the Acts of 1936; determine in what manner the money shall be raised and expended; or will take any action in any way relating to said Hospital, loan or any other thing herein mentioned.

Article 3. To see if the Town will make an appropriation or appropriations for Works Progress Administration projects and for the employment of the poor; determine in what manner the money shall be raised and expended; or take any action relating thereto.

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this thirteenth day of February, in the year of our Lord one thousand nine hundred and thirty-nine.

ERNEST W. DAVIS
HAROLD M. ESTABROOK
Majority of the Board of Select-
men of the Town of Arlington

CONSTABLE'S RETURN

Arlington, Mass., March 3, 1939.

Middlesex County:

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the

time and place and for the purpose herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting, and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, place and object of the meeting was published in the local papers.

JAMES J. GOLDEN, Jr.,
Constable, Town of Arlington, Mass.

SPECIAL MEETING

Arlington, Mass., March 15, 1939.

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington, by a constable of said Town and sent by mail by the Town Clerk seven days before the day of meeting to the Town Meeting Members, duly elected and qualified to act in Town Meetings in Arlington, the Town Meeting Members met at the Robbins Memorial Town Hall in said Town on Wednesday, March 15, 1939 at 8:27 o'clock in the evening.

Lists of the duly qualified Town Meeting Members were used to check attendance at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney; they were filed with the Town Clerk at the close of the meeting, and two hundred and ten members attended the meeting.

The Town Clerk read the call and the Constable's Return of the Warrant, the reading of the remainder of the Warrant being waived by consent of the meeting.

On motion of Mr. Davis:

Voted: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session when the meeting adjourns, it adjourn to Wednesday evening, March 22, 1939, at 8:30 o'clock.

On motion of Mr. Davis:

Voted: That Article 1 be taken up.

Article 1 taken up (Reports of Committees).

On motion of Mr. Higgins:

Voted: That the report of the Finance Committee as presented in printed form be now received.

On motion of Mr. Higgins:

Voted: That Article 1 be laid on the table.

On motion of Mr. Higgins:

Voted: That the remaining articles in the Warrant be now taken up separately in the order in which they appear in said Warrant and that the recommendations of the Finance Committee under said articles as presented in their printed report be considered as now before the meeting to be voted upon without further motion, separately, under the respective articles as they appear in said report.

Article 2 taken up (Assessment for County Hospital; Principal, Interest, Care, etc.).

On motion duly made and seconded it was unanimously

Voted: That the sum of ten thousand (10,000) dollars be and hereby is appropriated to pay the Town's share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Acts of 1932 bonds maturing in 1939; that the further sum of fourteen hundred eighty-seven and 50/100 (1,487.50) dollars be and hereby is appropriated on account of interest and other charges on account thereof; that the further sum of fifteen thousand five hundred thirty and 51/100 (15,530.51) dollars be and hereby is appropriated for the Town's share of the net cost of care, maintenance, and repairs of the Middlesex County Hospital, including interest on temporary notes issued therefor, in accordance with sections of Chapter 111 of the General Laws applicable thereto, and expenses under Section 25G (6) (a) of Chapter 32 of the General Laws inserted by Chapter 400 of the Acts of 1936; and that said sums totaling twenty-seven thousand eighteen and 01/100 (27,018.01) dollars be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 2 the Moderator declared Article 2 disposed of.

Article 3 taken up (Works Progress Administration Projects and Employment of the Poor on Town Work).

On motion duly made and seconded it was unanimously

Voted: That the sum of one hundred thirty-five thousand five hundred seventy-eight and 25/100 (135,578.25) dollars be and hereby is appropriated to defray the necessary engineering, trucking and other expenses, and to purchase tools, equipment and materials, for Works Progress Administration projects; and for useful projects to provide employment for the poor; said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 3, the Moderator declared Article 3 disposed of.

On motion of Mr. Higgins:

Voted: That Article 1 be taken from the table.

There being no further business under Article 1, the Moderator declared Article 1 disposed of.

On motion duly made and seconded, it was

Voted: To adjourn.

The meeting adjourned at 8:55 P. M.

EARL A. RYDER,

Town Clerk.

ADJOURNED ANNUAL MEETING

Arlington, March 15, 1939.

The business of the Warrant of the Special Town Meeting having been disposed of, the Moderator declared the Adjourned Annual Town Meeting of this same date called to order at 8:55 P. M., and that Article 4 was before the meeting.

Article 4 taken up (Town Outlays and Expenses).

That sums be appropriated to defray Town outlays and expenses for the year 1939, to be raised by general tax except as otherwise specifically voted, and expended under the direction of the respective department heads, as follows:

GENERAL GOVERNMENT

Janitor	1,898.00
Others	700.00
Expenses	4,797.00

Maintenance of Grounds

Personal Services:

Superintendent	100.00
----------------------	--------

Others	1,400.00
Expenses	170.00
	<hr/>
	\$ 11,665.00
	<hr/>

PROTECTION OF PERSONS AND PROPERTY

16. Police Department (Board of Selectmen)

Mr. Davis offered the following substitute motion:

That the recommendation of the Finance Committee be amended by increasing the recommendation for patrolmen by the sum of \$173.75 and decreasing the recommendation for Maintenance:

Material and Expenses by the sum of \$173.75, so that the appropriation be as follows:

Personal Services:	
Chief	\$ 3,400.00
Officers	18,700.00
Patrolmen	93,431.25
Clerks	1,174.00
Others	5,685.25
Maintenance: Material and Expenses	10,782.25
Capital Outlay: Autos	1,000.00
	<hr/>
	\$134,172.75

which was carried.

Mr. Sawyer's motion to further reduce the amount of \$10,782.25 for materials and expenses by \$173.75, was declared lost.

On motion, duly made and seconded, it was

Voted:

Personal Services:	
Chief	\$ 3,400.00
Officers	18,700.00
Patrolmen	93,431.25

Clerks	1,174.00
Others	5,685.25
Maintenance: Material and Expenses	10,782.25
Capital Outlay: Autos	1,000.00

\$134,172.75

At this point it was

Voted: To adjourn.

The meeting adjourned at 10:40 P. M.

EARL A. RYDER,

Town Clerk.

ADJOURNED TOWN MEETING

March 22, 1939.

Pursuant to the vote of adjournment on March 15, 1939, the Town Meeting Members met in the Town Hall on Wednesday, March 22, 1939, at 8:00 P. M., notices having been sent by mail to the Town Meeting Members, and posted in the various precincts.

Lists of the duly qualified Town Meeting Members were used to check attendance at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney; they were filed with the Town Clerk at the close of the meeting, and two hundred and five attended the meeting.

The Moderator called the meeting to order at 8:05 P. M.

Town Meeting Members not previously sworn were sworn by the Moderator.

On motion of Mr. Davis:

Voted (Unanimously): That if all the business of the meeting as set forth in the warrant is not disposed of at this session when the meeting adjourns, it adjourn to Wednesday evening, March 29, 1939, at 8 o'clock.

The Moderator declared #17 of Article 4 before the meeting.

• Mr. Davis offered the following substitute motion.

That the recommendation of the Finance Committee be amended by increasing the recommendation for firemen by the sum of \$244.25 and by decreasing the recommendation for Material and Expenses by the sum of \$244.25, so that the appropriation be as follows:

Mr. Homer offered the following resolution, duly seconded:

Voted: That a Committee of five, at least two of whom shall have been past members of the Finance Committee within the last fifteen years, be appointed by the Moderator to study Article 8 of the Town's By-laws with particular reference to increasing the membership of the Finance Committee, the qualifications of membership and the method of appointing said members. This committee to report a draft of any proposed changes at the next Annual Town Meeting or at a Special Town Meeting called for the purpose. And that twenty-five dollars (25.) be and hereby is appropriated for the use of said committee, said sum to be raised by general tax.

After much discussion it was moved and seconded that it be laid on the table. On a rising vote, 76 voting in the affirmative and 81 in the negative, the Moderator declared the motion lost. Further discussion followed and the Previous Question was moved and seconded, and on being put to a vote the Moderator declared the motion lost.

On motion, duly made and seconded, it was voted to adjourn.

The Meeting adjourned at 10:40 P. M.

EARL A. RYDER,

Town Clerk.

ADJOURNED TOWN MEETING

March 29, 1939.

Pursuant to the vote of Adjournment on March 22, 1939 the Town Meeting Members met in the Town Hall on Wednesday, March 29, 1939 at 8:00 P. M. notices having been sent by mail to the Town Meeting Members, and posted in the various precincts.

Lists of the duly qualified Town Meeting Members were used to check attendance at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney; they were filed with the Town Clerk at the close of the meeting and one hundred and ninety-three attended the meeting.

The Moderator called the meeting to order at 8:05 P. M.

Town Meeting members not previously sworn were sworn by the Moderator.

On motion of Mr. Davis, duly seconded, it was unanimously

Voted: That if all the business of the meeting as set forth in the warrant is not disposed of at this session, when the meeting adjourns it adjourn to Friday evening, March 31, 1939 at 8 o'clock.

The Moderator stated that Mr. Homer's resolution under Article 4 was before the meeting.

Mr. McManus presented an amendment changing the word "five" to "seven," and striking out the word "increasing" and on being put to a vote the Moderator declared it carried; and

On motion, duly made and seconded, it was

Voted: That a Committee of seven, at least two of which shall have been past members of the Finance Com-

mittee within the last fifteen years, be appointed by the Moderator to study Article 8 of the Town's By-Laws with particular reference to the membership of the Finance Committee, the qualifications of membership and the method of appointing said members. This committee to report a draft of any proposed changes at the next annual Town Meeting or at a Special Town Meeting called for the purpose. And that twenty-five dollars (25.) be and hereby is appropriated for the use of said committee, said sum to be raised by general tax.

Mr. Lawrence Corcoran offered the following:

Be it resolved that the Moderator appoint a committee of five to investigate and report whether the position of a Town Manager should be included in the Arlington Town government or make any other recommendations in relation thereto, and that for such purpose \$25.00 to be raised by general tax be and is hereby appropriated.

On being put to a vote the Moderator declared it lost.

There being no further business under Article 4, the Moderator declared it disposed of.

Article 5 taken up. (Treasurer; Power to Borrow)

On motion, duly made and seconded, it was unanimously

Voted: That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money on and after January 1, 1940, in anticipation of the revenue of the financial year beginning January 1, 1940, and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with Section 17 of Chapter 44 of the General Laws and any amendments thereof; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1940.

There being no further business under Article 5 the Moderator declared it disposed of.

Article 6 taken up. (Collector of Taxes; Means of Collecting)

On motion, duly made and seconded, it was unanimously

Voted: That the Collector of Taxes be and hereby is authorized to use all means of collecting taxes for the year 1939, which a Town Treasurer may use when appointed a Collector of Taxes.

There being no further business under Article 6 the Moderator declared it disposed of.

Article 7 taken up. (Extension of Sewerage System)

On motion, duly made and seconded, it was unanimously

Voted: That the sum of ten thousand five hundred (10,500) dollars be and hereby is appropriated for the extension of the Sewerage System; said sum to be raised by general tax and expended under the direction of the Board of Public Works substantially as follows:

Extension of Sewers	\$ 10,000.00
Tools and Equipment	500.00
	<hr/>
	\$ 10,500.00

There being no further business under Article 7 the Moderator declared it disposed of.

Article 8 taken up. (Extension of Water Mains)

On motion, duly made and seconded, it was unanimously

Voted: That the sum of twenty two thousand nine hundred (22,900) dollars be and hereby is appropriated for the extension of water mains; said appropriation to be

raised by general tax and expended under the direction of the Board of Public Works substantially as follows:

Laying and relaying water mains of not less than six inches in diameter	\$ 22,300.00
Tools and Equipment	600.00
	<hr/>
	\$ 22,900.00

There being no further business under Article 8 the Moderator declared it disposed of.

Article 9 taken up. (Extension of Storm Drains)

On motion, duly made and seconded, it was unanimously

Voted: That the sum of six thousand (6,000) dollars be and hereby is appropriated for the extension of storm drains in the year 1939; said appropriation to be raised by general tax and expended under the direction of the Board of Public Works.

There being no further business under Article 9 the Moderator declared it disposed of.

Article 10 taken up. (Widening of Mill Brook)

On motion, duly made and seconded, it was

Voted: That no appropriation be made under Article 10 of the Warrant.

There being no further business under Article 10 the Moderator declared it disposed of.

Article 11 taken up. (Removal of Snow and Ice)

Mr. Higgins offered the following, which was put to a vote and carried.

Moved that the pending motion be amended by substituting the words "Fifty-three thousand seven hundred and 00/100 (\$53,700.00) dollars," for the words "Twenty-seven thousand five hundred seventy-one and 73/100 (\$27,-

571.73) dollars," so that said motion shall read as follows: That the sum of Fifty-three thousand seven hundred and 00/100 (\$53,700.00) dollars be and hereby is appropriated for the removal of snow and ice; said sum to be raised by general tax and expended under the direction of the Board of Public Works.

And on motion, duly made and seconded, it was

Voted: That the sum of fifty-three thousand seven hundred and 00/100 (\$53,700.00) dollars be and hereby is appropriated for the removal of snow and ice; said sum to be raised by general tax and expended under the direction of the Board of Public Works.

There being no further business under Article 11 the Moderator declared it disposed of.

Article 12 taken up. (Extension of Water Main in Dothan Street)

On motion, duly made and seconded, it was unanimously

Voted: That the Town do not make an appropriation for the Extension of Water Main on Dothan Street.

There being no further business under Article 12 the Moderator declared it disposed of.

Article 13 taken up. (Sidewalks and Edgestones)

On motion, duly made and seconded, it was unanimously

Voted: That the sum of fifteen thousand (15,000) dollars be and hereby is appropriated for the construction of permanent sidewalks and for the installing of edgestones in the year 1939; said sum to be raised by general tax and expended under the direction of the Joint Board of Selectmen and Board of Public Works.

There being no further business under Article 13 the Moderator declared it disposed of.

Article 14 taken up. (Laying Out of Buena Vista Road)

On motion, duly made and seconded, it was unanimously

Voted: That the laying out of a town way from Gray Street to Lot #71 substantially in the location of the private way known as Buena Vista Road, as more particularly described in Article 14 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

There being no further business under Article 14 the Moderator declared it disposed of.

Article 15 taken up. (Laying Out of Crosby Street)

On motion, duly made and seconded, it was unanimously

Voted: That the laying out of a town way from Old Mystic Street to Falmouth Road, substantially in the location of the private way known as Crosby Street, as more particularly described in Article 15 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

There being no further business under Article 15 the Moderator declared it disposed of.

Article 16 taken up. (Laying Out of Dorothy Road)

On motion, duly made and seconded, it was unanimously

Voted: That the laying out of a town way from Margaret Street to present end, substantially in the location

of the private way known as Dorothy Road, as more particularly described in Article 16 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

There being no further business under Article 16 the Moderator declared it disposed of.

Article 17 taken up. (Laying Out of Fayette Street)

On motion, duly made and seconded, it was unanimously

Voted: That the laying out of a town way from Eastern Avenue to 125 feet south of Fisher Road, substantially in the location of the private way known as Fayette Street, as more particularly described in Article 17 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

There being no further business under Article 17 the Moderator declared it disposed of.

Article 18 taken up. (Laying Out of Fisher Road)

On motion, duly made and seconded, it was unanimously

Voted: That the laying out of a town way from Bellington Street to Hillcrest Street, substantially in the location of the private way known as Fisher Road, as more particularly described in Article 18 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

On motion, duly made and seconded, it was unanimously

Voted: That the laying out of a town way from Summer Street to Forest Street, substantially in the location of the private way known as Newland Road, as more particularly described in Article 25 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

There being no further business under Article 25 the Moderator declared it disposed of.

Article 26 taken up. (Laying out of Parallel Street)

On motion, duly made and seconded, it was unanimously

Voted: That the laying out of a town way from Medford Street to Franklin Street, substantially in the location of the private way known as Parallel Street, as more particularly described in Article 26 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

There being no further business under Article 26 the Moderator declared it disposed of.

Article 27 taken up. (Laying Out of Wildwood Avenue)

On motion, duly made and seconded, it was unanimously

Voted: That the laying out of a town way from Lockeland Avenue to Highland Avenue, substantially in the location of the private way known as Wildwood Avenue, as more particularly described in Article 27 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

There being no further business under Article 27 the Moderator declared it disposed of.

Article 28 taken up. (Laying Out of Winchester Road)

On motion, duly made and seconded, it was unanimously

Voted: That the laying out of a town way from Hutchinson Road to 110 + or — feet south of Bradley Road, substantially in the location of the private way known as Winchester Road, as more particularly described in Article 28 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

There being no further business under Article 28 the Moderator declared it disposed of.

(Article 29 was passed at the Meeting March 22, 1939)

Article 30 taken up. (For Construction of Ways)

Mr. Davis offered the following substitute motion.

That the sum of \$114,232.45 be and hereby is appropriated for the original construction of public ways, the laying out of which is accepted at this meeting, including land damages and the cost of pavement and sidewalks laid at the time of such construction, all under the provisions of law authorizing the assessment of betterments; that for this purpose the sum of \$49,232.45 be raised by general tax, and for the balance \$65,000.00 the treasurer with the approval of the selectmen, be and hereby is authorized to borrow the said sum of \$65,000.00, and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with section 19 of chapter 44 of the General Laws and all acts in addition thereto or in amendment thereof, so that the whole loan shall be paid in not more than ten years from the date of issue of the first bond or note, or at such earlier date as the treasurer and the selectmen may determine; and further, that the said sum of \$114,232.45 be expended under the direction of the Board of Public Works, substantially as follows, except that such amounts thereof not exceeding a total of one thousand (1000) dollars, as may be awarded as damages by the Joint

Board of Selectmen and Board of Public Works, shall be expended under the direction of the said Joint Board:

Buena Vista Road	(Article 14)	\$ 5,130.10
Crosby Street	(Article 15)	9,544.05
Dorothy Road	(Article 16)	7,698.12
Fayette Street	(Article 17)	6,157.68
Fisher Road	(Article 18)	8,305.34
Frost Street	(Article 19)	10,703.20
Hamlet Street	(Article 20)	3,964.71
Herbert Road	(Article 21)	9,211.73
Hillside Avenue	(Article 22)	7,668.02
Homestead Road	(Article 23)	3,095.99
Newland Road	(Article 24)	7,747.66
Newland Road	(Article 25)	8,669.69
Parallel Street	(Article 26)	4,825.53
Wildwood Avenue	(Article 27)	6,205.36
Winchester Road	(Article 28)	15,305.27

There was lengthy discussion. Mr. Harris moved the Previous Question; it was put to a vote, and the Moderator declared the motion lost. Thereupon, a vote was taken on Mr. Davis's motion, and the Moderator declared it lost.

Mr. Washburn offered the following substitute motion:

That the sum of \$97,097 be and hereby is appropriated for the original construction of ways, the laying out of which is accepted at this meeting, including land damages and the cost of pavement and sidewalks laid at the time of such construction, all under the provisions of law authorizing the assessment of betterments; said sum to be raised by general tax and expended under the direction of the Board of Public Works substantially as follows, except that such amounts thereof not exceeding a total of one thousand (1,000) dollars, as may be awarded as damages by the Joint Board of Selectmen and Board of Public Works shall be expended under the direction of said Joint Board.

Buena Vista Road	(Article 14)	\$ 4,360.
Crosby Street	(Article 15)	8,112.

Parallel Street	(Article 26)	4,102.	
Wildwood Ave.	(Article 27)	5,274.	
Winchester Road	(Article 28)	13,009.	\$97,093.00

There being no further business under Article 30 the Moderator declared it disposed of.

Article 31 taken up. (Easements in Land)

On motion, duly made and seconded, it was unanimously

Voted: That the Joint Board of Selectmen and Board of Public Works be and hereby is authorized and empowered on behalf of the Town, to purchase or take by eminent domain or otherwise acquire, easements in land adjoining the location of ways, the laying out of which is accepted at this meeting, consisting of the right to have the land of said locations protected by having the surface of such adjoining land slope from the boundaries of said locations; that for this purpose the sum of fifteen hundred (1,500) dollars be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of said Joint Board.

There being no further business under Article 31 the Moderator declared it disposed of.

Article 32 taken up. (Relocation, Alteration, Widening, Construction of Town Ways.)

On motion, duly made and seconded, it was unanimously

Voted: That the Town do not now make any appropriation for the relocation, alteration and widening, construc-

tion of, specific repairs upon and improvement of ways within the Town.

There being no further business under Article 32 the Moderator declared it disposed of.

Article 33 taken up. (Claims or Charges of Symmes Arlington Hospital)

On motion, duly made and seconded, it was unanimously

Voted: That the sum of fifty two hundred nine and 93/100 (5,209.93) dollars be and hereby is appropriated to pay claims and charges of Symmes Arlington Hospital, including such claims and charges for aid, relief or care furnished prior to January 1, 1939, to persons falling into distress and standing in need of immediate relief; said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 33 the Moderator declared it disposed of.

Article 34 taken up. (Right of Way—Symmes Arlington Hospital)

On motion, duly made and seconded, it was unanimously

Voted: That the Board of Selectmen be, and hereby is authorized and empowered in the name and on behalf of the Town to grant, in such manner as it shall deem proper, to the Symmes Arlington Hospital, a corporation duly established by chapter 146 of the Acts of 1902 (hereinafter called the "Hospital") a full and free right of way in common with the Town and others at any time entitled over a portion of the Town's land shown as "New Private Way" upon a plan entitled "Plan of Land in Arlington, Mass., showing location of Old and New Private Ways to Symmes Arlington Hospital. Scale 1" = 40' November 1938 James M. Keane, Town Engineer," filed in the office of the town engineer, and bounded according to said

plan southwesterly by the northeasterly side line of Summer Street 70.44 feet; northwesterly by land of owners unknown 162.82 feet, and by other land of the Town on a curved line with a radius of 321 feet, 225 feet more or less; northeasterly by land of the Hospital 45 feet, more or less, and southeasterly by other land of the Town on a curved line with a radius of 281 feet, 239 feet more or less, on a straight line 148.01 feet and by a curved line with a radius of 31.27 feet, 46.14 feet; and to release to the Hospital the Town's right of way over the portion of the land of the Hospital bounded according to said plan southwesterly by land of the Town 40 feet, more or less, northwesterly by other land of the Hospital 19.31 feet, northerly and northeasterly by other land of the Hospital on the southerly line of the "New Private Way" as shown on said plan, 102.37 feet, and southeasterly and southerly by other land of the Hospital on the southeasterly side line of "Old Private Way" as shown on said plan 88.52 feet; upon receiving from the Hospital as a part of the same transaction a grant of a right of way over the portion of said Hospital's land marked "New Private Way" on said plan, and a release of all the Hospital's rights in the portion of the Town's land marked "Old Private Way" on said plan other than the right to maintain water and sewer mains as at present located, provided always that no such grant or release shall in any way affect the existing rights of the Town, except as herein expressly set forth.

There being no further business under Article 34 the Moderator declared it disposed of.

Article 35 taken up. (Transfer of Cemetery Funds)

On motion, duly made and seconded, it was unanimously

Voted: That the sum of one hundred ninety-six (196) dollars be transferred from (Mt. Pleasant Cemetery) Sale of Lots and Graves Fund to the (Mt. Pleasant Cemetery) Perpetual Care Fund; and that the sum of one hundred (100) dollars be and hereby is appropriated for the acqui-

sition of the southerly portion of Lot No. 133 on Centre Avenue or rights therein in said cemetery, said sum to be taken from Sale of Lots and Graves Fund; and that the Board of Cemetery Commissioners be and hereby is authorized to do whatever may be necessary or proper to effectuate such transfer and acquisition.

There being no further business under Article 35 the Moderator declared it disposed of.

Article 36 taken up. (Transportation of Pupils)

On motion, duly made and seconded, it was unanimously

Voted: That no appropriation be made under Article 36 of the Warrant.

There being no further business under Article 36 the Moderator declared it disposed of.

Article 37 taken up. (Telephone System—High School)

On motion, duly made and seconded, it was unanimously

Voted: That the Town do not make an appropriation for the purpose of completing inside telephone system in the new high school building and altering system in old high school building, under Article 37 of the warrant.

There being no further business under Article 37 the Moderator declared it disposed of.

Article 38 taken up. (Repairs on Roofs—School Buildings)

On motion, duly made and seconded, it was

Voted: That the sum of five thousand (5,000) dollars be and hereby is appropriated for the purpose of meeting extraordinary repairs on the roofs of school buildings; said sum to be raised by general tax and expended under the direction of the School Committee.

There being no further business under Article 38 the Moderator declared it disposed of.

Article 39 taken up. (Boiler Repairs—High School)

Mr. Stratton presented an amendment to the recommendation of the Finance Committee changing the words "one of the boilers" to "two boilers" and on being put to a vote the Moderator declared the motion carried; and on motion, duly made and seconded, it was unanimously

Voted: That the sum of sixteen hundred and fifty dollars (\$1,650) be and hereby is appropriated for the purpose of installing new tubes in two boilers at the old high school building; said sum to be raised by general tax and expended under the direction of the School Committee.

There being no further business under Article 39 the Moderator declared it disposed of.

Article 40 taken up. (Committee on Plans for Completion of High School Auditorium)

Mr. Stratton offered the following substitute motion, duly seconded:

That the Moderator appoint a committee of five, two members at least to be appointed from the School Committee, to procure plans and specifications for the completion of the high school auditorium, and estimates of the cost of same, said committee to report to the Town not later than the annual meeting of 1940; that the sum of five hundred (500) dollars be and hereby is appropriated for the use of such committee, said sum to be raised by general tax.

Mr. Bitzer moved an amendment striking out the words "That the sum of five hundred (500) dollars be and hereby is appropriated for the use of such committee, said sum to be raised by general tax." Before being put to a vote Mr. McManus offered an amendment "That the sum of \$50.00 be and hereby is appropriated for the use of said committee, said sum to be raised by general tax." Mr. Bitzer there-

upon withdrew his amendment; a vote being taken on the amendment of Mr. McManus, the Moderator declared it carried.

Thereupon, a vote was taken on the substitute motion of Mr. Stratton as amended, and the Moderator declared the motion lost; and on motion duly made and seconded, it was

Voted: That no action be taken under Article 40 of the Warrant.

There being no further business under Article 40 the Moderator declared it disposed of.

Article 41 taken up. (Committee on Plans for School Construction)

Mr. Stratton offered the following substitute motion, duly seconded:

That the Moderator appoint a committee to procure plans and specifications for the construction of an addition to the Hardy School building, and estimates of the cost of such addition and of the original equipment and furnishings thereof and of the grading of the grounds of said school; and to procure plans and specifications for the construction of new school accommodations to replace the Russell School, and estimates of the cost of such building and of the original equipment and furnishings thereof and of the grading of the grounds of such school building; said committee to report to the Town not later than the annual meeting of 1940; that the sum of one thousand (1,000.) dollars be and hereby is appropriated for the use of such committee, said sum to be raised by general tax.

On being put to a vote, the Moderator declared it lost.

On motion, duly made and seconded, it was unanimously

Voted: That no action be taken under Article 41 of the Warrant.

There being no further business under Article 41 the Moderator declared it disposed of.

Article 42 taken up. (Kindergartens)

Mr. Lawrence Murphy offered the following substitute motion, duly seconded:

That the sum of one thousand four hundred and 00/100 dollars (1,400) be and hereby is appropriated for adding kindergartens to grade schools, said sum to be raised by general tax and expended under the direction of the School Committee substantially as follows:

Instructional Service	\$ 1,200.
Kindergarten Supplies	200.
	<hr/>
	\$ 1,400.

There was lengthy discussion. Mr. Donovan moved the Previous Question and being put to a vote the Moderator declared it carried. A vote was then taken on the substitute motion and the Moderator declared it lost. There being doubt a rising vote was taken and 18 voted in the affirmative and 138 in the negative, and the Moderator declared the motion lost; and

On motion, duly made and seconded, it was

Voted: That the Town do not now appropriate the sum of twelve hundred (1,200) dollars, or any other sum, for the purpose of adding kindergartens to one or all grade schools.

There being no further business under Article 42 the Moderator declared it disposed of.

On motion, duly made and seconded, it was

Voted: to adjourn.

The Meeting adjourned at 10:57 P. M.

EARL A. RYDER,
Town Clerk.

ADJOURNED TOWN MEETING

March 31, 1939.

Pursuant to the vote of Adjournment on March 29, 1939 the Town Meeting Members met in the Town Hall on Friday, March 31, 1939 at 8:00 P. M. notices having been sent by mail to the Town Meeting Members, and posted in the various precincts.

Lists of the duly qualified Town Meeting Members were used to check attendance at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney; they were filed with the Town Clerk at the close of the meeting and one hundred and seventy-one attended the meeting.

The Moderator called the meeting to order at 8:05 P. M.

There were no Town Meeting Members to be sworn by the Moderator.

On motion of Mr. Davis, duly seconded, it was unanimously

Voted: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Monday evening April 10, 1939 at 8 o'clock.

Mr. Bitzer moved that Article 40 be reconsidered, and a vote being taken the Moderator declared the motion lost.

The Moderator declared Article 43 before the meeting.

Article 43 taken up. (Publication of Book—"Arlington Citizenship.")

On motion duly made and seconded it was unanimously

Voted: That no action be taken under Article 43 of the warrant.

There being no further business under Article 43 the Moderator declared it disposed of.

Article 44 taken up. (Amendment of the Building Code)

On motion duly made and seconded, it was

Voted: That Divisions 12 and 13 of Article 15 of the Town's by-laws, known as the Building Code, be and hereby are amended by adding thereto, substituting for portions thereof, and striking out a portion thereof, all as particularly set forth in Article 44 of the warrant, and that the sum of fifty (50) dollars be and hereby is appropriated for the publishing of said amendments, said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 44 the Moderator declared it disposed of.

Article 45 taken up. (Amendment of Town By-Law—Re-Contracts and Purchases)

Mr. Gaddis moved that Section 1 be amended by taking out the word "issue" in the third line and inserting the word "require," and a vote being taken the Moderator declared the motion unanimously carried; and on motion, duly made and seconded it was unanimously

Voted: That the Town's by-laws be and hereby are amended by inserting after Article 7 a new article, numbered Article 7-A, as particularly set forth in Article 45 of the warrant; that its by-laws be also amended by numbering the present Article 7-A as Article 7-B, and that the sum of fifty (50) dollars be and hereby is appropriated for the publishing of said amendments, said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 45 the Moderator declared it disposed of.

Article 46 taken up. (Expenses of Officers and Employees—Fire Department)

On motion duly made and seconded, it was.

Voted: That the sum of \$15.90 be and hereby is appropriated for the purpose of paying expenses of officers and employees of the fire department incurred outside the Commonwealth prior to January 1, 1939; said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 46 the Moderator declared it disposed of.

Article 47 taken up. (Revision of Boundaries of Voting Precincts)

On motion duly made and seconded it was unanimously

Voted: That the Board of Selectmen be and hereby is directed, under the provisions of Section 3 of Chapter 43A of the General Laws, to review and if need be, wholly or partly revise the boundaries of voting precincts 4, 6, 8 and 10 of the Town, bordering on the Concord Turnpike, in December of this year; that the sum of fifty (50) dollars be and hereby is appropriated for the use of said Board for this purpose; and that said sum be raised by general tax.

There being no further business under Article 47 the Moderator declared it disposed of.

Article 48 taken up. (Rescind Authorization of Treasurer to Borrow—Re Hurricane Damage.)

On motion duly made and seconded it was unanimously

Voted: That the authorization of the treasurer to borrow any sum in excess of forty thousand (40,000) dollars, contained in the vote of the Town passed October 3, 1938 under Article 2 of the warrant for the meeting of that date be and hereby is rescinded; and that said vote be and hereby is modified by substituting the words "forty thousand

(40,000) dollars" for the words "forty-five thousand (45,000) dollars" wherever they appear.

There being no further business under Article 48 the Moderator declared it disposed of.

Article 49 taken up. (Sewer Connection—Arlington and Lexington)

On motion duly made and seconded it was unanimously

Voted: That the agreement by and between the Town of Lexington by its Board of Selectmen and the Town of Arlington by its Board of Public Works, dated December 5, 1938, referred to in Article 49 of the warrant, be and hereby is ratified to take effect when ratified by the town meeting of Lexington.

There being no further business under Article 49 the Moderator declared it disposed of.

Article 50 taken up. (Zoning)

Mr. Knight presented the report of the Planning Board, and on motion duly made and seconded, it was voted that it be received.

On motion of Mr. Knight, duly made and seconded it was unanimously

Voted: That the Town make the additions to and changes in the Zoning By-Law as described in Article #50 of the Warrant for the meeting of March 15, 1939.

There being no further business under Article 50 of the Warrant the Moderator declared it disposed of.

Article 51 taken up. (Zoning)

Mr. Knight presented the report of the Planning Board, and on motion duly made and seconded, it was voted that it be received.

On motion of Mr. Knight, duly made and seconded it was unanimously

Voted: That the Town do not alter its Zoning By-Law and Map therein referred to so as to change the area as bounded and described in Article #51 of the Warrant for the meeting of March 15, 1939, from a Semi-Residence District to a new district to be known as Residence D. District, and that the Zoning By-Law be not changed by adding this new district likewise shown in detail in this same Article #51.

There being no further business under Article 51 the Moderator declared it disposed of.

Article 52 taken up. (Zoning)

Mr. Knight presented the report of the Planning Board, and on motion duly made and seconded, it was voted that it be received.

Mr. Knight offered the following motion.

That the Town do not amend Sections 2 and 3 of its Zoning By-Laws by striking out paragraph A in each section and inserting in each place thereof a new paragraph A as described in detail in article #52 of the Warrant for the meeting of March 15, 1939.

Mr. Lansing offered the following substitute motion:

That Sections 2 and 3 of the Zoning By-Laws be and hereby are amended by striking out Paragraph (a) of Section 2 as it now reads and inserting in place thereof the following new paragraph: (a) Any industry, trade, manufacturing or commercial purpose, or any private or public use which would be injurious, obnoxious, or offensive to a neighborhood, by reason of noise, vibration, smoke, cinders, odor, gas, fumes, dust, chemicals, or other objectionable feature or dangerous to a neighborhood through fire, explosion or for any other cause; and by striking out Paragraph (a) of Section 3 as it now reads and inserting in place thereof the following new paragraph: (a) Any industry, trade or commercial purpose, or any private or public use which will be injurious, obnoxious or offensive to a neighborhood, by reason of noise, vibration,

smoke, cinders, odor, gas, fumes, dust, chemicals, or other objectionable feature or dangerous to a neighborhood through fire, explosion or for any other cause.

After much discussion it was moved and seconded that Article 52 be laid on the table, 91 voting in the affirmative and 54 in the negative, until Article 57 was disposed of.

Article 53 taken up. (Zoning)

Mr. Knight presented the report of the Planning Board and on motion duly made and seconded it was voted that it be received.

On motion of Mr. Knight, duly made and seconded, it was unanimously

Voted: That the Town do not alter its Zoning By-Law and Map therein referred to so as to change the area more particularly described in article No. 53 of the Warrant for the meeting of March 15, 1939 from a Single Residence District to a new district to be known as Residence C. District and that the Zoning By-Law be not changed as also described in detail in this same article No. 53.

There being no further business under Article 53 the Moderator declared it disposed of.

Article 54 taken up. (Public Field House at Heights Playground)

Mr. Knight, on behalf of Mr. Patterson, Chairman of the special Park and Playground Committee, asked that no action be taken at this time on this article. There was lengthy discussion. The Previous Question was moved and seconded and unanimously carried; and on motion duly made and seconded, on the recommendation of the Finance Committee, it was

Voted: That the sum of twenty-five hundred (2,500) dollars be and hereby is appropriated for the construction of a building to be used as a public field house upon land of the Town known as the Arlington Heights Playground; said

sum to be raised by general tax and expended under the direction of the Board of Park Commissioners.

There being no further business under Article 54 the Moderator declared it disposed of.

Article 55 taken up. (Committee on Amending of Town's By-Laws: "Building Code")

On motion duly made and seconded it was unanimously

Voted: That the Town do not appoint a committee to consider the amendment, alteration, repeal or revision of, or addition to Article 15 of the Town's By-Laws relating to Tenement Houses, Apartment Houses, Hotels and Lodging Houses or other portions relating thereto, under Article 55 of the warrant.

There being no further business under Article 55 the Moderator declared it disposed of.

Article 56 taken up. (Annual Rental for Arlington Post 1775, V. F. W.)

On motion duly made and seconded it was unanimously

Voted: That the sum of four hundred (400) dollars be and hereby is appropriated for the purpose of providing headquarters for Arlington Post 1775, Veterans of Foreign Wars of the United States; and that said sum be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 56 the Moderator declared it disposed of.

Article 57 taken up. (Reclamation Plant)

On motion duly made and seconded it was voted to lay Article 57 on the table.

On motion duly made and seconded it was voted to take up Article 3.

Article 3 taken up. (Reports of Selectmen—Other Town Officers and Committees)

Mr. Joseph Peterson presented the report of the Committee appointed to consider methods of disposal of ashes, rubbish and offal; and on motion duly made and seconded it was unanimously

Voted: That the report be received.

On motion duly made and seconded it was

Voted: That Article 3 be laid on the table.

Article 57:

The Moderator declared Article 57 before the meeting.

Mr. Dutcher offered the following as a substitute motion for the recommendation of the Finance Committee, which was duly seconded:

That the sum of one hundred and eight thousand four hundred (108,400) dollars be and hereby is appropriated for the construction of a building to be used for the purposes of the Board of Public Works as a plant for the disposal of rubbish and waste materials and otherwise, upon the land of the Town known as the Town Yard at Hobbs Court, including the cost of original equipment and furnishings thereof, substantially in accordance with plans, copies of which are contained in the report of the committee appointed under vote of the Town passed under article 36 of the warrant for the Annual Meeting of 1936, article 3 of the warrant for the Annual Meeting of 1937 and article 39 of the warrant for the Annual Meeting of 1938, presented at this meeting; that for said purpose the sum of eighteen thousand four hundred (18,400) dollars be raised by general tax, and for the balance, ninety thousand (90,000) dollars, the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow said sum of ninety thousand (90,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws and all acts in addition thereto or in amendment thereof, so that the whole loan will be paid in not more than ten (10) years from the date of issue of the first bond or

note or at such earlier date as the Treasurer and Selectmen may determine; and further, that said appropriation be expended under the direction of the said committee with the addition thereto of the present chairman of the Board of Public Works, any vacancy therein to be filled by the Moderator, said committee to have full charge of said construction and full authority so to construct said building within the sum herein appropriated.

After much discussion a vote was taken and the Moderator declared the substitute motion lost.

On motion duly made and seconded on recommendation of the Finance Committee it was

Voted: That the Town do not now construct or alter any building upon the land of the Town known as the Town Yard at Hobbs Court; and that the Town take no action under Article 57 of the warrant.

Thereupon, it was moved and duly seconded that the matter be referred back to the committee for further consideration and that the sum of \$500. be and hereby is appropriated for its expenses; and on being put to a vote the Moderator declared the motion unanimously carried.

There being no further business under Article 57 the Moderator declared it disposed of.

Article 52.

The Moderator declared Article 52 before the meeting, and called for a vote on the substitute motion of Mr. Lansing. A rising vote being taken, 53 voted in the affirmative and 89 in the negative, and the Moderator declared the motion lost.

On motion made by Mr. Knight and seconded, it was

Voted: That the Town do not amend Sections 2 and 3 of its Zoning By-Laws by striking out paragraph A. in each section and inserting in each place thereof a new paragraph A as described in detail in article No. 52 of the warrant for the meeting of March 15, 1939.

There being no further business under Article 52 the Moderator declared it disposed of.

Article 58 taken up. (Acquisition of Land for Disposal of Ashes, Refuse and Rubbish)

On motion duly made and seconded it was unanimously

Voted: That no action be taken under Article 58 of the warrant.

There being no further business under Article 58 the Moderator declared it disposed of.

On motion duly made and seconded it was

Voted: That Article 3 be taken from the table.

There being no further business under Article 3 the Moderator declared it disposed of.

On motion duly made and seconded it was

Voted: to adjourn.

The meeting adjourned at 11:35 P. M.

EARL A. RYDER,

Town Clerk.

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the legal voters of the Town of Arlington, to meet in the Town Hall in said Town on Monday, the 9th day of October, 1939 at 8 o'clock, P. M., at which time and place the following articles are to be acted upon and determined exclusively by Town Meeting Members, in accordance with, and subject to, the referenda provided for by Chapter 43A of the General Laws.

Article 1. To hear and act upon the reports of the Finance and other committees heretofore appointed.

Article 2. To see if the Town will make an additional appropriation or appropriations for public welfare including Aid, Aid to Dependent Children and Old Age Assistance and for Soldiers' Relief and Burials; provide for all or any of these appropriations by borrowing under authority of and in accordance with the provisions of Chapter 49 of the Acts of 1933 as most recently amended by Chapter 288 of the Acts of 1939, or the provisions of Chapter 72 of the Acts of 1939 as amended by Chapter 453 of the Acts of 1939, or by transfer or otherwise; or take any action relative to all or any the foregoing.

Article 3. To see if the Town will make an additional appropriation to be expended by the Board of Public Works for the removal of ashes, offal and rubbish, determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Board of Public Works)

Article 4. To see if the Town will authorize the School Committee to expend portions of the appropriation made for payment of teachers, principals and supervisors under sub-item 2 of item 34 of the vote passed under article 4 of the warrant for the Annual Meeting of this year, for other purposes as follows:

Operation of School Plant	
Personal Services	\$1,400.00
Maintenance of School Plant	
Personal Services	100.00
Auxiliary and Other Activities	
Personal Services	
Others	350.00
	<hr/>
TOTAL	\$1,850.00

or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 5. To see if the Town will accept the establishment of exterior lines of a way from Spring Street to the Concord Turnpike in the location shown upon the plan hereinafter mentioned, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works; make an appropriation therefor including damages; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said lines as so established are more particularly described as follows:

Beginning at the point of intersection of the northeasterly side line of Concord Turnpike and the southeasterly side line of Hillsdale Road, said point being 12.97 feet south-east of a Massachusetts highway bound, thence northwesterly on said northeasterly side line of said Concord Turnpike, a distance of 12.97 feet to a Mass. highway bound at a point of curve in said northeasterly side line of Concord Turnpike, thence continuing northwesterly on said northeasterly side line of Concord Turnpike on a curve to

the left with a radius of 3050.0 feet a distance of 76.71 feet to a point of intersection of said northeasterly side line of Concord Turnpike and the northwesterly side line of Hillsdale Road, thence southeasterly, easterly, and northeasterly on said northwesterly side line of Hillsdale Road on a curve to the left with a radius of 20.03 feet a distance of 30.01 feet to a point of tangency in said northwesterly side line of Hillsdale Road, thence continuing northeasterly on said northwesterly side line of Hillsdale Road, a distance of 47.9 feet to a point of curve in said northwesterly side line of Hillsdale Road, thence northeasterly, northerly, and northwesterly on a curve to the left with a radius of 29.28 feet a distance of 40.02 feet to the point of intersection of said northwesterly side line of Hillsdale Road and the proposed southwesterly side line of Spring Street, thence northeasterly through private lands a distance of 8.48 feet to the existing southwesterly side line of Spring Street, thence southeasterly on said existing southwesterly side line of Spring Street a distance of 88 feet more or less to the point of intersection of said existing southwesterly side line of Spring Street and the southeasterly side line of Hillsdale Road, thence northwesterly, westerly, and southwesterly on a curve to the left with a radius of 16.43 feet a distance of 29.7 feet to a point of reverse curve in said southeasterly side line of Hillsdale Road, thence continuing southwesterly on said southeasterly side line of Hillsdale Road on a curve to the right with a radius of 80 feet a distance of 15.35 feet to a point of tangency in said southeasterly side line of Hillsdale Road, thence continuing southwesterly on said southeasterly side line of Hillsdale Road a distance of 40.31 feet to a point of curve in said southeasterly side line of Hillsdale Road, thence southwesterly, southerly, and southeasterly on said southeasterly side line of Hillsdale Road on a curve to the left with a radius of 20 feet a distance of 32.36 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled: "Board of Survey Plan & Profile of Hillsdale Road, Arlington, Mass. Scales Hor. 1" = 20' Vert. 1" = 3' Jan. 17, 1939, James M. Keane, Town Eng."

Article 6. To see if the Town will accept the establishment of exterior lines of a way from a point about 290 feet northerly of Florence Avenue to Dow Avenue in the location shown upon the plan hereinafter mentioned, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works; make an appropriation therefor including damages; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said lines as so established are more particularly described as follows:

Beginning at the point of intersection of the southeasterly side line of Dow Avenue and the northeasterly side line of Renfrew Street, said point being 14.21 feet southwest of a stone bound at an angle point in Dow Avenue, thence southerly and southeasterly on said northeasterly side line of Renfrew Street on a curve to the left with a radius of 25 feet a distance of 35.33 feet, to a point of tangency in said northeasterly side line of Renfrew Street, thence continuing southeasterly on said northeasterly side line of Renfrew Street a distance of 146.03 feet to an angle point in said northeasterly side line of Renfrew Street, thence southeasterly on said northeasterly side line of Renfrew Street a distance of 72.0 feet to a point on said northeasterly side line of Renfrew Street, thence southwesterly across said Renfrew Street and by lot 36A a distance of 44.64 feet to the southwesterly side line of Renfrew Street, thence northwesterly on said southwesterly side line of Renfrew Street a distance of 88.8 feet to an angle point in said southwesterly side line of Renfrew Street, thence northwesterly on said southwesterly side line of Renfrew Street a distance of 156.5 feet to the point of intersection of said southwesterly side line of Renfrew Street and the southeasterly side line of Dow Avenue, thence northeasterly on said southeasterly side line of Dow Avenue a distance of 61.84 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled: "Board of Survey Plan & Profile of Renfrew Street, Arlington, Mass. Scales

Hor. 1"=40', Vert. 1"=6', Dec. 17, 1938, James M. Keane, Town Eng."

Article 7. To see if the Town will appropriate the sum of eleven thousand dollars (\$11,000.) or sums totaling eleven thousand dollars (\$11,000.) for the purpose of establishing a minimum wage for laborers employed by the Board of Public Works at the rate of five dollars (\$5.00) per eight hour day, said sum or sums to be raised by general tax and expended under the direction of the Board of Public Works.

(Inserted at the request of more than one hundred (100)
registered voters)

Article 8. To see if the Town will amend its Zoning By-Laws by altering the Zoning Map therein referred to so as to include in a Business District the area now included in a single residence district, bounded and described as follows:

Beginning at a point on the South side of Massachusetts Avenue where the land of Houston and the land of Spaulding meet, thence running easterly on the south side of said Massachusetts Avenue about 140.01 feet to a point on said southerly side of Massachusetts Avenue; thence turning by a curve to the right at the junction of Burton Street and said Massachusetts Avenue and running by said curved line about 74.88 feet to a point on the westerly side of said Burton Street; thence continuing on the westerly side of said Burton Street in a southerly direction about 109.81 feet; thence turning and running northwesterly about 105.58 feet and continuing in a westerly direction about 20 feet to land of said Spaulding; thence turning and running in a northerly direction, about 91.71 feet to the point of beginning.

(Inserted at the request of more than one hundred (100)
registered voters)

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed

copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this twenty-fifth day of September, in the year of our Lord one thousand nine hundred and thirty-nine.

ERNEST W. DAVIS
HAROLD M. ESTABROOK
WILLIAM C. ADAMS

Board of Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., Oct. 4, 1939.

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, place and object of the meeting was published in the local papers.

(Signed) JAMES J. GOLDEN, JR.

Constable, Town of Arlington, Mass.

SPECIAL TOWN MEETING

Arlington, Mass., October 9, 1939.

Pursuant to the warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington, by a constable of the said Town and notices sent by mail by the Town Clerk seven days before the day of meeting to the Town Meeting Members duly elected and qualified to act in Town Meetings in Arlington, the Town Meeting Members met at the Robbins Memorial Town Hall in said Town on Monday, October 9, 1939, at 8:00 in the evening.

Lists of the duly qualified Town Meeting Members were used at the entrances to the meeting place and were in charge of Philip T. Robinson and James E. Sweeney.

The check lists filed with the Town Clerk at the close of the meeting showed that one hundred and forty-five attended the meeting.

The Moderator called the meeting to order at 8:20 P. M.

The Moderator asked if there were any Town Meeting Members who had not already been sworn; apparently all had been sworn.

Mr. Davis asked that Selectman Estabrook, Mr. Golden, the Secretary of the Board of Selectmen, and Mr. White, the Town Counsel, be allowed to sit with him, and his request was granted.

The Town Clerk read the call and the Constable's Return of the Warrant; the reading of the remainder of the Warrant was waived by consent of the meeting.

On motion of Mr. Davis, duly seconded, it was unanimously

Voted: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Monday evening, October 16, 1939 at 8 o'clock.

On motion of Mr. Davis, duly seconded, it was unanimously

Voted: That Article 1 be taken up.

Article 1 taken up (Reports of Committees)

On motion of Mr. Cousins, duly seconded, it was unanimously

Voted: That the report of the Finance Committee as presented in printed form be now received.

On motion of Mr. Cousins, duly seconded, it was unanimously

Voted: That Article 1 be laid on the table.

On motion of Mr. Cousins, duly seconded, it was unanimously

Voted: That the remaining articles in the warrant be now taken up separately in the order in which they appear in said warrant and that the recommendations of the Finance Committee under said articles as presented in their printed report be considered as now before the meeting to be voted upon without further motion, separately, under the respective articles as they appear in said report.

Article 2 taken up (Public Welfare, Aid to Dependent Children, Old Age Assistance and Soldiers' Relief)

On motion, duly made and seconded, it was unanimously

Voted: That the amounts hereinafter stated be and hereby are appropriated for the following purposes:

- | | |
|--|------------|
| (a) Public Welfare including aid | \$3,500.00 |
| (b) Aid to Dependent Children | 4,000.00 |
| (c) Old Age Assistance | 15,000.00 |

and that to meet said appropriations the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of twenty two thousand five hundred (22,500) dollars, and to issue a note or notes therefor, all under the provisions of Chapter 49 of the Acts of 1933 as most recently amended by Chapter 288 of the Acts of 1939; and that all said appropriations be expended under the direction of the Board of Selectmen.

There being no further business under Article 2 the Moderator declared it disposed of.

Article 3 taken up. (Additional Appropriation for Removal of Ashes, Offal and Rubbish)

Mr. Loren Marsh offered the following substitute motion which, on being put to a vote, the Moderator declared lost:

That the additional sum of eight thousand, six hundred (8,600.00) dollars be and hereby is appropriated for the removal of ashes, offal and rubbish and that to meet said appropriation the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow said sum of eight thousand, six hundred (8,600.00) dollars, and to issue a note or notes therefor, all under the provisions of Chapter 49 of the Acts of 1933 as most recently amended by Chapter 288 of the Acts of 1939; and that said appropriation be expended under the direction of the Board of Public Works.

On the recommendation of the Finance Committee it was unanimously

Voted: That the additional sum of thirty-six hundred (3,600) dollars be and hereby is appropriated for the removal of ashes, offal and rubbish; and that to meet said appropriation the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the said sum, and to issue a note or notes therefor, under the provisions of Chapter 49 of the Acts of 1933 as most recently amended by Chapter 288 of the Acts of 1939; and that said appropria-

tion be expended under the direction of the Board of Public Works.

There being no further business under Article 3 the Moderator declared it disposed of.

Article 4 taken up. (Transfer of Appropriations—School Department)

On motion, duly made and seconded, it was unanimously

Voted: That the sum of eighteen hundred fifty (1,850) dollars be and hereby is appropriated for the School Department, to be expended by the School Committee in connection with personal services as follows: Operation of School Plant, fourteen hundred (1,400) dollars; Maintenance of School Plant, one hundred (100) dollars; Auxiliary and Other Activities, three hundred fifty (350) dollars; said sum of eighteen hundred fifty (1,850) dollars to be transferred from the unexpended amount of the appropriation made for payment of teachers, principals and supervisors under sub-item 2 of item 34 of the vote passed under Article 4 of the Warrant for the annual meeting of this year.

There being no further business under Article 4 the Moderator declared it disposed of.

On motion, duly made and seconded, it was, by rising vote, 90 voting YES and 38 NO.

Voted: To reconsider Article 4.

After reconsideration of Article 4, previously unanimously passed, as above, the Moderator called for a vote thereon, and declared the motion lost.

There being no further business under Article 4 the Moderator declared it disposed of.

Article 5 taken up. (Exterior Lines: Spring Street to the Concord Turnpike)

The Finance Committee recommended the following:

Voted: That the establishment of exterior lines of a way from Spring Street to the Concord Turnpike, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works and more particularly described in Article 5 of the Warrant, be and hereby is accepted, said lines established and said Joint Board authorized to take land for the purpose; and that the sum of three hundred (300) dollars be and hereby is appropriated for the purpose, including land damages; and that said sum be taken from the unexpended balance of the appropriation made for the construction of ways by vote passed March 30, 1938, under Article twenty-three (23) of the warrant for the annual meeting of that year; and that said sum be expended under the direction of said Joint Board.

On being put to a vote the Moderator declared the motion lost. The vote was doubted and the moderator called for a rising vote which resulted in 56 voting YES and 56 NO, a tie; again a rising vote was requested with the result that 67 voted in the affirmative and 65 in the negative, and the Moderator declared the motion carried.

There being no further business under Article 5 the Moderator declared it disposed of.

Article 6 taken up (Exterior Lines: Renfrew Street)

The Finance Committee recommended the following:

Voted: That the establishment of exterior lines of a way from a point about 290 feet northerly of Florence Avenue to Dow Avenue as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works and more particularly described in Article 6 of the Warrant, be and hereby is accepted, said lines established and said Joint Board authorized to take land for the purpose; that the sum of two hundred (200) dollars be and hereby is appropriated for the purpose, including land damages; and that said sum be taken from the unexpended balance of the appropriation made for the construction of

ways by vote passed March 30, 1938, under Article twenty-three (23) of the Warrant for the annual meeting of that year; and that said sum be expended under the direction of said Joint Board.

A vote being taken the Moderator declared the motion lost; the vote being doubted a rising vote was taken, 72 voting in the affirmative and 58 in the negative, the Moderator declared the motion carried.

There being no further business under Article 6 the Moderator declared it disposed of.

Article 7 taken up. (Minimum Wage for Board of Public Works Laborers)

The Finance Committee recommended that no appropriation be made under this article.

Mr. Lansing offered the following substitute motion which the Moderator ruled out of order:

To see if the Town will appropriate the sum of twenty-five hundred dollars (\$2,500) to be expended by the Board of Public Works, to equalize wages paid to employeès within the department, under the various Civil Service Classifications, determine in what manner the money shall be raised and expended, or take any action relating thereto.

Mr. Lansing then offered the following substitute motion which the Moderator ruled out of order:

That the sum of \$3,168 be and hereby is appropriated for the purpose of establishing a minimum wage for laborers employed by the Board of Public Works at the rate of five dollars (\$5.00) per eight hour day commencing with the week of October 15, 1939, said sum to be raised by borrowing under authority and in compliance with the provisions of Chapter 49 of the Acts of 1933 as most recently amended by Chapter 288 of the Acts of 1939, or the provisions of Chapter 72 of the Acts of 1939 as amended by Chapter 453 of the Acts of 1939, and to be expended under direction of the Board of Public Works.

It was moved and seconded that Article 7 be laid on the table and on being put to a vote the Moderator declared the motion lost; the vote was doubted and a rising vote taken resulted in 48 voting YES and 70 NO, and the Moderator declared the motion lost.

And, on motion duly made and seconded, it was

Voted: That no appropriation be made under Article 7 of the Warrant.

There being no further business under Article 7 the Moderator declared it disposed of.

Article 8 taken up (Zoning)

Mr. Knight read the report of the Planning Board which unanimously recommended no change in this particular section of the Zoning Map. And, on motion duly made and seconded, it was

Voted: to receive the report.

And on motion duly made and seconded, it was

Voted: That the Town's Zoning By-Laws be not amended by altering the Zoning Map therein referred to so as to include in a Business District the area now included in a single residence district bounded and described as follows:

Beginning at a point on the South side of Massachusetts Avenue where the land of Houston and the land of Spaulding meet, thence running easterly on the south side of said Massachusetts Avenue about 140.01 feet to a point on said southerly side of Massachusetts Avenue; thence turning by a curve to the right at the junction of Burton Street and said Massachusetts Avenue and running by said curved line about 74.88 feet to a point on the westerly side of said Burton Street; thence continuing on the westerly side of said Burton Street in a southerly direction about 109.81 feet; thence turning and running northwesterly about 105.58 feet and continuing in a westerly direction about 20 feet to land of said Spaulding; thence turning and

running in a northerly direction, about 91.71 feet to the point of beginning.

There being no further business under Article 8 the Moderator declared it disposed of.

On motion duly made and seconded, it was

Voted: That Article 1 be taken from the table.

Article 1 taken from the table.

There being no further business under Article 1 the Moderator declared it disposed of.

The Moderator declared that all the business in the Warrant calling this meeting having been disposed of and, on motion duly made and seconded it was

Voted: to adjourn

And the Meeting adjourned at 9:35 P. M.

EARL A. RYDER,

Town Clerk.

January 4, 1939.

REPORT OF THE TOWN CLERK'S DEPARTMENT

Arlington, Mass., December 31, 1939

During the year we received, and deposited with the Town Treasurer, the sum of \$7,326.62, as follows:

Licensing 1,453 Dogs	\$3,308.90
927 males	
117 females	
408 females spayed	
1 special	
34 tags	
2 transfers	

(Of this amount the Town's fees are \$294.50)

Sporting Licenses	1,331.00
(Of this amount the Town's fees are \$155.25)	

FEES

Marriage Licenses	\$797.90	
Mortgages	1,328.97	
Certificates	158.35	
Garage Renewals	35.00	
Miscellaneous Licenses	250.50	
Pole Locations	116.00	2,686.72
		<hr/>
		\$7,326.62

an increase of \$187.07 over last year.

In accordance with the law we have approved vouchers for \$72.25 to pay doctors for reporting births, and \$69.50 to pay undertakers for reporting deaths.

For particulars regarding births, marriages, and deaths, we refer you to the following pages.

This office continues to lack the necessary help to do the work it is called upon to do—which includes the revision of the Voting List (containing some 20,600 names)

with its manifold calls; and since the Board of Registrars have by law taken over the making of the True List, with its never ending additions and corrections etc., the demands upon us have been greatly increased. Fortunately we have had assistance from the W. P. A., Unemployment, and the Youth Movement, and thus have been able to keep our heads above water.

EARL A. RYDER

Town Clerk

BOARD OF REGISTRARS

Honorable Board of Selectmen,
Arlington, Mass.

Gentlemen:

We beg to submit our report for 1939:

Following Chapter 440 of the General Laws, passed in June 1938, the Board took over the work of preparing the True List, which heretofore was the duty of the Assessors, and as of January 1st appointed Assistant Registrars to take a census of all persons in the town twenty years of age and over. The List was duly prepared and printed according to law, with clerical assistance from the Town's unemployment roll; and two clerks have been required to carry on the work connected therewith during the year.

In February the Board held six afternoon and evening sessions for registering voters prior to the Town election, at which time 570 persons qualified to appear on the Voting List.

Below we give you a list of the number of voters in each of the fourteen Precincts, showing a total of 20,581 registered voters:

Precinct 1	1,374
Precinct 2	1,688
Precinct 3	1,159
Precinct 4	1,458
Precinct 5	1,325
Precinct 6	1,381
Precinct 7	1,485
Precinct 8	1,515
Precinct 9	1,282
Precinct 10	1,635

Precinct 11	1,385
Precinct 12	1,765
Precinct 13	1,563
Precinct 14	1,565

Respectfully submitted,

TIMOTHY J. BUCKLEY, Chairman

DENNIS I. DONAHUE

ARTHUR W. SAMPSON

EARL A. RYDER, Clerk

Registrars of Voters

COLLECTOR OF TAXES

	<hr/>	<hr/>
	\$2,626,555.57	\$675,931.47

My ten years' association in this office with Edward A. Bailey leads me to believe that some mention should be made in the permanent records of the Town of Arlington in recognition of the more than twenty-five years of honest, efficient and conscientious service rendered by my predecessor. He retired in March, 1939, having served the Town faithfully as Collector of Taxes since August, 1913.

At this time my thanks are extended to all Town Departments for their co-operation with this Department during my first year as Collector.

Respectfully submitted,

J. WILBERT ANDERSON

Collector of Taxes.

TOWN ACCOUNTANT'S REPORT

Arlington, Mass., January 23, 1940.

To the Honorable Board of Selectmen:

Gentlemen:

I hand you herewith a report of the financial transactions of the Town of Arlington for the fiscal year ending December 31, 1939, as set forth in the following schedules:

Balance Sheet.

Unexpended Balances of Appropriation Accounts.

Debt Statement.

Public Trust Funds (Cash and Securities)

Statement of Appropriations.

Receipts and Expenditures.

Respectfully submitted,

CLARENCE NEEDHAM

Town Accountant

REPORT OF FINANCE COMMITTEE

The Finance Committee of 1938-1939 held eleven meetings from January 6 to February 28, 1939 and reported to the Annual and Special Town Meetings March 15, 1939.

On January 6, 1939, Ernest Hesseltine resigned as clerk of the committee, after serving for fifteen years, and T. Gordon Smith, a member of the committee for eight years, was appointed clerk. Mr. Smith resigned as Secretary, and Jas. H. Young was elected Secretary.

Mr. T. Gordon Smith resigned as a member of the Finance Committee February 28, 1939.

The Finance Committee for 1939-1940 organized May 26, 1939.

REPORT OF BOARD OF SELECTMEN

At the Annual Town Election, held March 6, 1939, William C. Adams was elected a member of the Board of Selectmen for a term of three years. At the meeting of March 13, 1939, the Board organized with Mr. Ernest W. Davis as Chairman, and James J. Golden, Jr., as Secretary.

The regular meetings of the Board of Selectmen are held on Monday evening of each week at 7:00 P. M., for the purpose of attending to the routine business of the Board, and giving audience by appointment to individuals, committees and delegations on the varied matters which are brought to the attention of the Board. During the year 1939, fifty-two (52) regular meetings and sixteen (16) special meetings were held by the Board of Selectmen.

On Saturday, February 18, 1939, the Town suffered a great loss in the passing of the Chairman of the Board of Selectmen, Mr. George H. Lowe, Jr., following an illness of about five weeks. Mr. Lowe was buried with full military honors, following Solemn Requiem High Mass, at St. Agnes Church, at 10:30 A. M., on Washington's Birthday, February 22, 1939. As a fitting tribute for the service he had rendered the Town during his six years as a member of the Board of Selectmen, and for his untiring efforts in the interest of the Town, a special committee was appointed to prepare suitable resolutions in connection with his passing for adoption by the Town on the occasion of the Annual Town Meeting, Wednesday, March 15, 1939, a copy of which appears in the Town Clerk's Records of Elections and Town Meetings. In addition, the following resolution was adopted by the remaining members of the Board:

GEORGE H. LOWE, JR.

IN MEMORIAM

On February 18th, 1939, in His Mighty Wisdom it pleased God to take from our midst our colleague, George H. Lowe, Jr., Chairman of the Board of Selectmen, at the close of his second term in that office, having been elected March 6, 1933, and re-elected March 2, 1936.

His departure marks the passing of one who was eminently qualified to serve as an official of the Town he loved to serve so well. His intimate knowledge of the Town, his sound judgment and his spirit of fairness will be greatly missed by his associates.

His generosity was exemplified in the amount of time he eagerly devoted to the pursuit of his duties as Selectman, frequently at times when his strength should not have permitted it.

He held the affection, confidence and esteem of the officials associated with him and the townsmen whom he served so faithfully.

We desire to record here our sorrow at the loss of our valued friend and colleague, and to express to his daughter, parents and family, our sympathy in their bereavement.

The problem which has arisen in recent years as a result of constant and widespread unemployment, continued to be a matter requiring a great deal of thought and has taken much of the Board's time in the consideration of Welfare, Work Projects Administration and Unemployment problems, all of which are reported in detail elsewhere in this edition. The Board in submitting these reports desires to add a word of commendation for Clifford W. Cook, Public Welfare Agent, and Neil S. Peters, W. P. A. Coordinator and Executive Secretary of the Emergency Unemployment Committee, for their close cooperation and the excellent quality of service rendered the Townspeople through their respective departments.

Both the Police and Fire Departments gave evidence of their usual splendid efficiency and the Chiefs of both departments deserve commendation for their cooperation and progressive attitude.

The Board wishes to acknowledge the honor bestowed upon the Town of Arlington by the appointment of Archie F. Bullock as Massachusetts Representative of the International Association of Chiefs of Police, this appointment being under a plan for international coordination of police administrative activity.

Plans which were accepted on October 10, 1938, for the landscaping and improvement of the grounds surrounding the Robbins Memorial Town Hall, the cost of which was provided in the terms of the will of former Judge William J. Wallace of Cazenovia, New York, a friend of the Robbins family, have been carried out, and in the opinion of the Board, the result is quite apparent from two angles; i. e., the *beautification* and *protection* of the grounds. A more complete report will be found in the Report of the Superintendent of the Town House Grounds.

This report would not be complete without expressing the appreciation of the Board to every member of each department as well as to the heads of departments for their fine spirit of cooperation and record of accomplishment throughout the past year.

The Board is particularly fortunate in having as Executive Secretary, James J. Golden, Jr. His contacts with the public as representing the Board have resulted in most cordial relations with our Townspeople. Our thanks are extended to the staff, who so cheerfully worked many extra hours in the performance of duties imposed upon all governments, and to expedite all matters of vital interest to the Townspeople; and in this manner has the work of the Board been materially reduced.

ERNEST W. DAVIS
HAROLD M. ESTABROOK
WILLIAM C. ADAMS

Selectmen of the Town of Arlington

REPORT OF PUBLIC WELFARE

January 1, 1940.

Honorable Board of Selectmen,
Town Hall,
Arlington, Mass.

Gentlemen:—

I herewith submit my report for the Welfare Aid and Soldiers' Relief Departments and Bureau of Old Age Assistance for the year ending December 31, 1939.

It has been the policy of the Board of Public Welfare and Bureau of Old Age Assistance, throughout the year, to maintain adequate budgetary standards in aiding those proven to be in need of relief, and to conduct the administration of relief both economically and humanely and in accordance with policies, regulations and recommendations of the State Department of Public Welfare.

Our case load of all categories of relief (1073 cases) shows an increase of 76 cases over the previous year, with an increase in gross expenditures of \$33,000. It is of sufficient interest to note however, that this increase in case load and expenditures appears only in Old Age Assistance and Aid to Dependent Children, both types of relief in which there is participation by the Federal Social Security Board. Welfare Aid and Soldiers' Relief, both strictly Town responsibilities, remain substantially the same as in 1938, both as to the amount expended and case load.

The usual necessary legal procedure has been taken by our Town Counsel against delinquent municipalities toward the collection of overdue claims for cases aided by this department with legal settlements elsewhere.

Civilian Conservation Corps

63 young men between the ages of 17 and 23 were selected and assigned to this program during the year on quotas allotted to this town in January, April, July and September, preference being given to boys whose families were relief recipients. Many of these boys served in the Corps as far west as Wyoming. Since it is apparent that young men of these ages, unemployed, present probably one of our most serious social problems, this Federal program has been of invaluable assistance in providing occupation and training for these young men, as well as additional income to their families.

Medical and Dental Clinic

Out-patient care and treatment has been available at the Department Clinic, with Dr. Edward W. Feeley in attendance, at specified hours through the week for all persons receiving relief through this department and in need of this medical care. 2484 visits were made to the clinic during the year.

848 visits were made to the Dental Clinic for treatments, extractions, fillings and other necessary dental care.

Welfare Aid

Total Expenditures \$122,504.38*

Less reimbursements:

State	\$25,327.57	
Cities and Towns	9,902.11	
Individuals	148.50	35,378.18

Aid to Dependent Children

Total Expenditures		\$41,284.95
Less reimbursements and grants		
Federal grants	\$ 7,156.65	
State	11,499.79	
Cities and Towns	589.33	19,245.77
	<hr/>	<hr/>
Net expenditures		\$22,039.18

This relief was granted to 55 cases, including 142 children under 16 years of age and 46 over that age.

Soldiers' Relief

Total Expenditures	\$26,190.91
Less reimbursements from State.....	492.00
	<hr/>
Net expenditures	\$25,698.91

This relief was granted to 107 Veterans and their dependents, including 383 persons.

State and Military Aid

Total Expenditures	\$ 2,750.00
Less reimbursements from State	2,088.75
	<hr/>
Net expenditures	\$ 661.25

State and Military Aid was granted to 19 disabled Veterans or their widows and children.

I take this opportunity to express my sincere appreciation to the Honorable Board of Selectmen, Town Departments and Officials, civic organizations, private relief agencies, the churches, individuals and employees of this department, whose assistance and co-operation have been so helpful during a most difficult year.

Respectfully submitted,

CLIFFORD W. COOK

Agent.

REPORT OF THE INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen
Town of Arlington, Mass.

Gentlemen:

I herewith submit my report as Inspector of Animals for the year ending December 31, 1939.

Number of premises visited where cattle were kept	4
Number of cows examined on these premises	6
Number of goats found	2
Number of dogs and cats quarantined for biting and scratching	148
Number of dogs and cats quarantined for Rabies or contact	none
Number of heads sent to the Laboratory by me	none
Number of Rabies cases in Arlington in 1939	none
Number of calls made on dogs and cats after quarantine	196
Total number of calls on dogs and cats	344
Total number of calls on all animals	348

The Town of Arlington has been free from contagious diseases among the animals during the year.

The number of dog-bite cases has been about the same during the past three years, ranging from 148 to 156.

A well-attended series of Rabies Clinics, five in number, was held during April, showing that the Public is still interested in vaccination against Rabies.

I wish to express my appreciation of the hearty support given me during the year by the Board of Health and the Arlington Police Department.

Respectfully submitted,

CHESTER L. BLAKELY, M. D. V.,

Inspector of Animals.

BOARD OF APPEAL

January 1, 1940

To the Honorable Board of Selectmen,
Arlington, Mass.

Gentlemen :

The Board of Appeal respectfully submit the Eleventh Annual Report :

During the year ending December 31, 1939, nine (9) appeals, from the decision of the Inspector of Buildings, have been made to the Board.

The Board affirmed the decision of the Inspector of Buildings not to grant a permit in three (3) cases and annulled his decision in five (5) cases; and ordered a permit to be granted subject to such conditions and provisions as were required by the Board. One (1) appeal, the Board found, was not based on any order, requirement or refusal of a permit by the Inspector of Buildings but was a question of an advisory nature and the Board held that there was no issue before them.

Respectfully submitted,

FREDERIC F. LOW
THOMAS J. DONNELLY,
ALTON F. TUPPER

Board of Appeal

BUILDING DEPARTMENT

January 8, 1940

To the Honorable Board of Selectmen,
Arlington, Mass.

Gentlemen :

I herewith submit my report of the inspection of buildings, plumbing and gas for the year ending December 31, 1939.

Four hundred and fifty-six building permits were issued, compiled as follows:

Dwellings, 1-family	185	\$896,760
Dwellings, 2-family	11	63,700
Dwellings, 4-family	3	2,700
Foundation for 1-family dwelling	2	4,000
Complete 1-family dwelling	2	6,500
Addition to Convent	1	40,000
Foundation for addition to Convent	1	2,500
Restaurant	1	12,000
Garages	32	13,355
Taxi Office	1	300
Storage shed	1	900
Foundation for Stable	1	200
Fieldhouse	1	2,380
Summer House	1	50
Henhouses	2	80
Fire Escape	1	198
Signs	38	3,681
Temporary bleachers	1	
Additions & Alterations	78	48,035
Alter 1-family dwelling into 2-fam.	8	8,130
Alter garage into dwelling	1	600
Fire damage	4	5,850

Alter 3 stores into 1 store	1	5,000
Reroof dwellings	46	7,684
Reroof buildings	5	285
Demolish dwellings	5	2,065
Demolish buildings	21	4,250
Move buildings	2	385
	<hr/>	<hr/>
	456	\$1,155,888

Six hundred and eighty-four plumbing and eight hundred and sixty-nine gas permits have been issued.

FEEES COLLECTED

456 Building permits	\$1,393.00
684 Plumbing permits	1,161.75
869 Gas permits	433.50
	<hr/>
Total	\$2,988.25

The above table shows a substantial increase in the number of permits issued for residential buildings during the year, with two-family dwellings reappearing in the compilation.

There have been several violations of the Code but all were corrected without resorting to Court action.

My sincere thanks are extended to your Honorable Board and all other Town officials with whom we are in contact for the cooperation rendered me throughout the year.

Respectfully submitted,

PAUL H. MOSSMAN

Inspector of Buildings

REPORT OF THE FIRE AND POLICE SIGNAL SYSTEM

January 1, 1940

Honorable Board of Selectmen
Town Hall
Arlington, Massachusetts

Gentlemen:

I have the honor to present my Ninth Report as Superintendent of the Fire and Police Signal System for the year ending December 31, 1939.

The System was transferred to the Chief of the Fire Department on May 1, 1930. It was formerly in charge of Superintendent William E. Mason. On July 1, 1933, it was separated from the Fire Department and placed in charge of Lester W. Cameron. On September 25, 1934, it was made a Division of the Fire Department.

The salaries of the two men assigned to maintain the Fire and Police Signal System are included in the payroll of the Fire Department.

FIRE ALARM

Fire Circuits #1 and #2 were open August 21 caused by Edison lines crossing with Fire Alarm wires.

Three new fire boxes were installed: Box 6222 at Gray Street-Newport Street, Box 6813 at Longfellow Road-Newport Street, and Box 192 at Decatur Street-North Union Street.

Box 68 formerly located opposite #140 Mt. Vernon Street was transferred to Mt. Vernon Street at Spring Avenue.

Three new fire boxes were purchased, installation to be completed in the near future: Box 177 at Rawson Road-

Mystic Valley Parkway, Box 485 at Massachusetts Avenue-Highland Avenue and Box 1332 at Broadway-Foster Street.

A 6-conductor cable replaced 2-conductor cables from banjo at Pleasant Street-Lombard Road to underground pole on Lombard Road on Police Circuit #1 which was grounded April 14.

Overhead lines on Marathon Street were renewed from underground pole to Fire Box 153 at Marathon Street-Waldo Road, Fire Circuit #2, April 24.

Overhead lines on Thorndike Street were re-run from underground pole to Herbert Road, Fire Circuit #1 and Police Circuit #1, June 21.

The W. P. A. Cable Project, which closed temporarily January 25, was reopened August 3 and a 66-conductor cable was installed on Massachusetts Avenue from Mill Street to Brattle Street. A new test pedestal was installed at Massachusetts Avenue-Schouler Court and a test terminal at Highland Station.

The old cable was pulled out of Massachusetts Avenue from Mill Street to Brattle Street, reeled, tested and pulled in on Broadway from Foster Street to the Somerville line. This completed a cable from Fire Headquarters to the Somerville line with five spare pairs of wires on Broadway.

Pedestal, Fire Box 51 and Police Box 125 at Massachusetts Avenue-Pleasant Street; and Pedestal, Fire Box 53 and Police Box 32 at Massachusetts Avenue-Schouler Court, were changed from separate pedestals to combination pedestals.

The banjo pedestals at Massachusetts Avenue-Newman Way and Massachusetts Avenue-Grove Street were discontinued.

The 600-volt D.C. motor on the air compressor of the whistle plant at Fire Headquarters was overhauled January 18.

A two-way radio was installed in the Fire Chief's car, March 27.

A two-way radio was installed in the Watch Room at Fire Headquarters, May 25.

An eight-inch rattler gong was installed in the rear porch of the Highland Station, June 26.

A W. P. A. project of blue printing and recording all inventory of the Fire and Police Signal System is still in progress.

Flood lights were installed to illuminate THE HUNTER on the Town Hall grounds, December 21.

Arranged and installed all Christmas decorations and illumination at Monument Park, Town Hall, Headquarters and Highland Stations, December 13.

SPECIAL CALLS

48 Emergency calls were received by radio from Headquarters while men were engaged in construction and repair work.

27 persons were admitted to their homes.

12 cats were rescued from trees or poles.

31 transfers were made of lines to new poles.

Two horses were rescued with the aid of the winch on the Fire Alarm Truck; one owned by the Kenney Estate, Forest Street, rescued from the railroad trestle at Forest Street bridge, October 10; and the other owned by Pasquale Allona, Thorndike Street, rescued from a ditch on farm land at the end of Thorndike Street, October 25.

RECOMMENDATIONS

I recommend that a start be made this year to place underground all wires of the Fire and Police Signal System, using Buried Cable.

A great part of the System is serviced by aerial lines which are not dependable and require frequent replacement and constant attention.

During the recent hurricane, seventy-two of the one hundred and twenty-five Fire Alarm Boxes and five Police Signal Boxes were rendered useless by fallen trees and poles.

That storm, of course, was of unusual severity, nevertheless, much trouble is experienced during milder disturbances when swaying limbs of trees break the lines or cross them with high-powered electric lines and the work of restoring the service is attended by great danger to our linemen.

Park Avenue, Highland Avenue and Lake Street should be the first to be changed over to underground cable. This could well be a W. P. A. project or work for the Unemployed.

I understand that in the near future there will be a project of relaying the sewer on the westerly side of Park Avenue from Wollaston Avenue to Prospect Avenue under the sidewalk. Arrangements could be made to place cable in the same trench at a great saving in cost, and the same plan should be followed whenever a trench is opened in sections serviced by aerial lines.

I further recommend that in all new developments arrangements be made for our cables where needed.

For the year 1940 I recommend an appropriation of \$2,875.00.

1939 Appropriation	\$ 1,790.00
Expended	1,780.39
	<hr/>
Balance	\$ 9.61

I am especially pleased with the fine work of Lester Cameron who has charge of the construction and maintenance of the Signal System, and greatly appreciate the splendid spirit of helpfulness manifested by him on all occasions.

DANIEL B. TIERNEY

Superintendent, Fire and
Police Signal System

REPORT OF THE FIRE DEPARTMENT

January 1, 1940

Honorable Board of Selectmen
Town Hall
Arlington, Massachusetts

Gentlemen:

I have the honor to present my Seventeenth Annual Report as Chief of the Arlington Fire Department for the year ending December 31, 1939.

MANUAL FORCE

The manual force consists of fifty men: the Chief, two Deputy Chiefs, five Captains, one Inspector-fireman assigned to the Fire and Police Signal System, six Lieutenants, thirty-five Privates, one of whom is assigned to the Fire and Police Signal System; also a Department Surgeon, Dr. Winslow M. Kingman, and a Department Clerk, Anna B. Hurley.

APPARATUS

Two ladder trucks, four pumping units and a Special Service Unit are in active service.

The Department responded to 150 Box Alarms, 419 Still Alarms (telephone calls) 97 Mutual Aid Calls (out of town), a total of 666, 98 more than in 1938 and 91 more than the greatest number ever responded to in one year (1930).

Thirty false alarms were sounded (three of them telephone calls) as compared with 10 in 1938, 3 in 1937, 11 in 1936, 16 in 1935, 14 in 1934 and 21 in 1933.

Alarms each day of the week:

Sunday 101, Monday 79, Tuesday 78, Wednesday 97, Thursday 94, Friday 101, Saturday 116.

Alarms each month of the year:

January 54, February 25, March 43, April 66, May 54, June 23, July 61, August 34, September 70, October 44, November 122, December 70.

Alarms each hour of the day:

A. M.		P. M.	
12	— 1.....14	12	— 1 43
1	— 2.....16	1	— 2.....45
2	— 3..... 7	2	— 3.....54
3	— 4..... 9	3	— 4.....50
4	— 5..... 7	4	— 5.....63
5	— 6..... 4	5	— 6.....53
6	— 7..... 8	6	— 7.....38
7	— 8..... 6	7	— 8.....35

9	— 10.....17	9	— 10.....27
10	— 11.....30	10	— 11.....38
11	— 12.....40	11	— 12.....18

FIRE LOSSES

Forty-eight losses occurred during the year, 9 of which accounted for \$33,629.27 of the entire loss.

The total assessed value of property endangered, the insurance thereon, the loss sustained, and the insurance paid are as follows:

	Assessed Value	Insurance	Damage	Insurance Paid
Buildings	\$322,060.00	320,372.00	29,034.82	28,634.82
Contents	45,700.00	40,700.00	11,884.02	11,384.02
	<u>367,760.00</u>	<u>361,072.00</u>	<u>40,918.84</u>	<u>40,018.84</u>
Automobiles				
(two)	1,710.00	1,670.00	1,608.00	1,608.00
Total	<u>\$369,470.00</u>	<u>\$362,742.00</u>	<u>\$42,526.84</u>	<u>\$41,626.84</u>

FIRES WHICH CAUSED LOSS OF MORE THAN \$1,000

April 2 — Harold Pompey, 6-8 Edith Street	\$ 3,288.59
April 19 — Earl O. Barney, 16 Orvis Road	2,323.92
May 19 — Frank Tobin, 72-74 Gloucester Street	2,645.00
September 9 — John Enos, 36-38 Exeter Street	3,090.00
November 25 — Samuel J. Lowry, 65-67-69-71 Beacon Street	4,950.00
December 19 — Charles Lovrien, 10 Trowbridge Street	11,656.56

REPORT OF DR. KINGMAN

Dr. Winslow M. Kingman responded to 66 alarms and made 63 office and outcalls as follows:

Office visits	35
Station visits to firemen	12
Station visits to others	1
Illuminating gas victim	2
Firemen treated at fires	4
Others treated at fires	8
Automobile accident	1

FIRE PREVENTION

The Department made 17,582 twice-a-month inspections of all business places and public buildings by firemen when off-duty.

This very necessary and valuable work takes the firemen into approximately eight hundred separate places twice each month and the splendid assistance given by practically all owners and occupants has undoubtedly prevented serious fires.

This year the total loss from the three fires in this type of building amounted to only \$960.50.

Record of previous years: 3 in 1938, 5 in 1937, 4 in 1936, 7 in 1935, 4 in 1934, 3 in 1933, 6 in 1932, and 3 in 1931.

INSPECTION OF DWELLINGS

This highly important work was done by firemen on their "off-time" for the sixteenth consecutive year.

Every cellar is closely inspected, potential fire hazards are pointed out to the householder and advice given as to the proper method of eliminating these dangers.

Statistics show that two-thirds of the nation's entire property loss and seven thousand of the ten thousand lives lost annually by fires, occur in dwellings.

We are not so fearful regarding the property loss from dwelling fires, although they do cause two-thirds of the nation's loss, as we are for the lives of the eleven thousand families occupying seven thousand and five hundred homes in Arlington.

The majority of the lives lost are those of the bed-ridden and children under ten years of age, usually by smoke and gas which can be produced by a small amount of burning rubbish.

Only ten fires occurred in the cellars this year.

The record of cellar fires has been favorable over a period of years: 11 in 1938, 12 in 1937, 9 in 1936, 11 in 1935, 9 in 1934, 11 in 1933, 7 in 1932, 11 in 1931 and 9 in 1930.

The following is some data compiled as a result of Dwelling House Inspections:

Total houses	7,558
Single houses	4,520
Two-apartment houses	2,885
Of more than two apartments	153
Houses under construction	40
Vacant apartments	189
Combustible roofs	132
Oil burners	7,828
Total number of families	10,942

NUMBER OF HOUSES EACH YEAR

1939	7,558	1931	6,739
1938	7,355	1930	6,494

1937	7,161	1929	6,247	
1936	7,098	1928	5,924	
1935	6,990	1927	5,561	
1934	6,942	1926	5,170	
1933	6,893	1925	4,640	
1932	6,849	1924	3,918	(first inspection)

INSPECTIONS

Mercantile	17,582
Dwellings	7,558
Power oil burners	441
Range oil burners	338
<hr/>	
Total inspections	25,919

FIRE DRILLS IN SCHOOLS

Fire drills were given in all public, parochial and private schools.

A record was taken of the number of classrooms, pupils, exits used and the time required to vacate each building. A copy of the record was sent to the School Department.

Early in the Fall a thorough inspection of the school buildings was conducted by Inspectors of the New England Insurance Exchange in company with George Grimes, Superintendent of Maintenance for the School Department, to determine the need, if any, for further safeguarding the lives of the pupils and the buildings from fire.

The recommendations agreed upon by this group have been forwarded to the School Department and in the aggregate are minor defects that can be easily corrected as concerns the evacuation of the buildings in an emergency.

We are satisfied that the buildings are well supervised and that the janitor service without exception is excellent. Good housekeeping by the janitors and constant drilling by the principals clearly show that the safety of the pupils is keenly observed throughout our School System.

Four hundred and sixty-nine fire extinguishers were recharged in schools and other public buildings, garages and factories.

I recommend that \$129,470.00 be appropriated for the ensuing year (including four additional men).

Again this year, I ask that provision be made for the appointment of four additional men on May 1, 1940.

Four men were appointed in 1935 to fill vacancies caused by two deaths and two retirements. There has been no addition to the force since 1931 and none has been requested previous to 1938 because of the prevailing economic conditions although the need for more firemen has been increasing each year.

Previous to 1931 eight men were assigned to the Park Circle Station, four on each platoon. That year an additional Company was formed with the purchase of Engine 4. Two men were taken from the Park Circle Station who with the four new firemen formed this additional Company.

When all men are on duty there are twenty-two (on each platoon) to operate four Engine Companies, two Ladder Trucks and one Emergency Truck.

The smallest number of men an Engine Company should have is five, for an Aerial Truck four, City Service Truck (with all portable ladders) five, and three on the Special Service Emergency Unit.

During vacations and sickness it is often necessary to have the off-platoon report for duty. Inspection of all business places and public buildings twice each month are of necessity made by the firemen who are off-duty.

When buildings are completely involved speedy and efficient control is not possible with undermanned Companies.

In conclusion, I wish to express to the Selectmen my sincere thanks and appreciation for their keen interest in

all matters pertaining to the improvement of the Fire Service; to Town Engineer James M. Keane, always ready and willing to assist; to the Police Department, alert and dependable whether on the street or at a fire; and to my own officers and men who are never found wanting in loyalty and devotion to duty.

DANIEL B. TIERNEY

Chief, Fire Department

REPORT OF THE
GYPSY AND BROWN TAIL MOTH DEPARTMENT

Honorable Board of Selectmen
Arlington, Massachusetts

Gentlemen :

I herewith submit my report as Superintendent of the Moth Department for the year ending December 31, 1939.

The regular winter work of creosoting Gypsy Moth egg clusters and cutting off and burning Brown Tail Moth webs was attended to as usual. Private properties were entered and inspected, and in most places it was found that wherever owners have had their estates sprayed the previous season, they were practically devoid of any eggs.

The Elm Leaf Beetle again caused considerable defoliation on private property in the Arlington Heights section where no spraying was done. Street trees throughout the town showed very little damage from this pest, due to the fact that they were sprayed at the proper time.

The Canker Worm was not so prevalent this year as in previous years, but when reported it was readily attended to.

Poplar trees in some sections of the town were infested with the Satin Moth, but due to timely spraying, spreading of this insect was prevented as much as possible.

The Fall Webworm was again detected on some of the trees in East Arlington, also some of the side streets off Medford Street. When noticed the webs were cut off and burned. Many people have mistaken this pest for the Brown Tail Moth and have reported same to this office, but on inspection it proved to be the Fall Webworm.

The Brown Tail Moth is practically extinct in this town, with only a scattered few being found on Broadway,

near the Somerville line, but a close observance must still be kept to prevent any outbreak.

Due to a continuance of the W. P. A. project of cutting Tent Caterpillar egg clusters during the winter months, and burning them, there has been a marked decrease in the number of complaints regarding these pests. There was a crew of forty-five (45) men on this project and I think it is a very worth while undertaking, and should be continued as long as possible.

The Oriental Moth did considerable damage on the Norway Maples in East Arlington, between Lake Street and Varnum Street in 1938, and I deemed it advisable to give them an extra spraying of Arsenate of Lead during the month of August this year. By so doing I believe the infestation has been greatly reduced.

All property owners who wished to have their estates sprayed, were given the services of this department, in turn making a remittance to the town for the amount of work done.

A new Spray Pump was purchased to replace one that had been in the service of the department for a considerable number of years.

A new Chevrolet car was purchased to replace a 1934 Ford car.

A group of N. Y. A. (National Youth Administration) boys were assigned to this department the latter part of the year, and were put to work clearing underbrush, and removing undesirable and decayed limbs and trees from the various vacant lots owned by the town, for the elimination and eradication of all leaf eating insects.

In conclusion I wish to thank the Board of Selectmen, their Secretary, the men of the department, and all town officials for their courtesy and whole hearted co-operation during the entire year.

Respectfully yours,

GEORGE M. DOLAN

Superintendent

HEADQUARTERS OF THE POLICE DEPARTMENT
OFFICE OF THE CHIEF OF POLICE

Arlington, January 1, 1940

The Honorable Board of Selectmen

Gentlemen:

I have the honor to submit my tenth annual report for the year ending December 31, 1939.

The net cost of the Police Department for 1939, including maintenance of Police Headquarters and equipment, was \$131,281.36 itemized as follows:

Salaries	\$122,223.00	
Maintenance of Building and other expenses	11,919.53	
Gross cost		\$134,142.53

Less receipts as follows:

Court fines turned over to Treasurer	\$1,527.17	
Radio contracts	1,200.00	
Revolver licenses	84.00	
Taxi Operators' licenses	31.00	
Miscellaneous	19.00	
Total receipts		2,861.17

Net cost of Department for 1939	\$131,281.36
Per capita cost based on population of 40,000.....	\$3.28

The following is the radio record for the year ending December 31, 1939:

Total number of messages broadcast in 1939	23,095
--	--------

Calls direct to specified cars:

Arlington patrol cars	4,539
Woburn patrol cars	2,774
Winchester patrol cars	2,193
Lexington patrol cars	1,027
Stoneham patrol cars	9
Wakefield patrol cars	1,211

Total number of calls to specified cars	11,783
---	--------

Arrests made by Arlington patrol cars:

Without warrant	351
With warrant	43
By car No. 7	185
By car No. 8	208
By car No. 9	1

Total arrests by Arlington cars	394
---------------------------------------	-----

Lost time for year: Officers suspended, 124 days and officers sick, 325 days.

During the year 1895 complaints were brought to the attention of the courts. 1746 were males; 149 were females; 30 of which were juveniles or persons under 17 years of age. \$4,586.00 was imposed as fines and costs. Total imprisonment imposed was 24 years, 8 months and 223 days. 1088 of which were residents and 807 were non-residents.

In addition to the number of complaints made in court, 2557 persons were booked for violation of the Automobile Laws and Traffic Rules, and the cards filed as a warning in my office.

Complaints were made at Court for the following offenses:

	1938	1939
Abandonment of child	1	0
Adultery	0	1
Assault	0	1
Assault and battery	12	19

Assault with a dangerous weapon	3	1
Being present where gaming	0	1
Breaking and entering at night	20	10

AUTOMOBILE FATALITIES

This year four persons have been killed in Arlington by automobiles.

On January 29, 1939, Thomas Arcuri, 145 Thorndike Street, Arlington, forty-eight years of age, while crossing Broadway between Oxford Street and Winter Street, was hit by an automobile going towards Somerville receiving injuries which resulted in his death on January 30, 1939.

On the morning of February 28, 1939, an automobile went into the Mystic Lake at the foot of Hayes Street, resulting in the death of the operator and his passenger, they being, James P. Moran, 152 Chelsea Street, Everett, age forty, and John H. Fitzpatrick, 68 Charles Street, Arlington, age forty-five.

On the morning of November 28, 1939, Arthur Tiney, 42 Walnut Street, Arlington, age seventy-nine, was hit by a truck on Massachusetts Avenue, between Mt. Vernon Street and Coleman Road, which was going toward Cambridge, receiving injuries which resulted in his death on December 1, 1939.

Trespass	65
Using auto without authority	4
Neglected child	10
Miscellaneous	6
Juveniles in court	20
Comparison with 1937 - 1938	474
1938 - 1939	424

TRAFFIC

During the year there were two persons killed by automobiles, both of them being pedestrians and two others were drowned in Mystic Lake when the automobile in which they were riding skidded on the Mystic Valley Parkway and ran into the lake. There have been no fatalities on Broadway from automobiles since the installation of the new lighting system which I recommended last year.

During the year we had forty-four fewer accidents and fifty-four fewer persons injured. This, in a great measure, has been due to the thirty mile per hour maximum speed law adopted by the Town in March.

Arlington finished in fifth place in the State-Wide Safety Contest for the year. During the year Arlington went 272 days without a motor vehicle fatality.

A considerable number of our accidents occur on Mystic Street. This is part of U. S. Route 3 and carries a great amount of traffic. Our records show that a majority of the accidents occur on this street because of skidding in old street car tracks which have not been removed, although not in use for a number of years. Once again I recommend that this street be resurfaced as soon as possible for the safety of the public.

I wish to thank your Honorable Board for your co-operation and support during the year, and all other departments of the Town Government, as well as those citizens who have, in any way, assisted the Department in their work during the year. With your continued support and cooperation the Department shall continue to function efficiently and endeavor to retain the high standing as a law abiding town and a desirable place in which to live, that Arlington now enjoys.

Respectfully submitted,

A. F. BULLOCK

Chief of Police

SEALER OF WEIGHTS AND MEASURES

Arlington, Mass., December 31, 1939

To the Honorable Board of Selectmen:

Gentlemen:

I herewith respectfully submit my annual report of the services of this department for the year ending December 31, 1939.

Scales	Ad-justed	Sealed	Not Sealed	Con-demned
Platform, over 10,000 lbs.	6	6		
Platform, 5,000 to 10,000 lbs.	1	1		
Platform 100 to 5,000 lbs.	37	47		1
Counter, 100 to 5000 lbs.	1	2		
Counter under 100 lbs.	9	46		2
Spring, 100 to 5,000 lbs.	2	27		5
Spring under 100 lbs.	83	149		3
Computing under 100 lbs.	62	140	2	5
Person Weigher (slot)		31		2
Prescription	19	20		1
Weights				
Avoirdupois		191		
Apothecary	51	247		6
Metric	15	73		
Troy	11	22		
Volumetric Measures

Stops on Pumps		5		

Gasoline Meter Systems	57	148	7
Tank Truck Meter Systems	18	18	1
Grease-Measuring Devices	9	83	
Linear Measures			
Yard Sticks		36	3
Totals	381	1449	2 36

Trial Weighings and Measurements of Commodities Sold
or Put up For Sale

Commodity	Total Number	Number Correct	Incorrect	
	Tested		Under	Over
Beans	13	11	2	
Bread	95	38	35	22
Butter	359	282	70	7
Coal (in paper bags)	3			3
Coal (in transit)	8		4	4
Confectionery	23	23		
Dry Commodities	139	116	17	6
Flour	3	3		
Fruits and Vegetables	26	22	2	2
Ice	5	5		
Liquid Commodities	6	6		
Meat and Provisions	14	11	1	2
Potatoes	83	46	33	4
Totals	777	563	164	50

The above detailed account of re-weighings and package goods inspections proves the value of diligent search along these lines. I have also rechecked several of the sealed devices to insure their accuracy.

Eight prosecutions were necessary during this year, and in several cases restitution was made satisfactorily to all involved. The eight defendants were found guilty and one hundred dollars paid in fines and in two cases placed on file.

Reweighing of Coal in transit has also been very carefully followed up in addition to deliveries made to Arlington School department; all were found to be correct.

One thousand four hundred forty-nine weights and measures were inspected, sealed, three hundred eighty-one adjusted, two not sealed, and thirty-six condemned. Sealing fees amounting to two hundred seventy-one dollars and fifty-two cents (\$271.52) were received and paid over to the Town Treasurer. Through my activities the Town Treasurer also received four hundred and fifty dollars (\$450.00) for Hawker and Peddler licenses.

Respectfully submitted,

ALLAN E. COWIE,

Sealer of Weights and Measures

REPORT OF THE BOARD OF PUBLIC WORKS

The Board of Public Works herewith submits its annual report for the year ending December 31, 1939.

At the Town Meeting held on March 6, 1939, James R. Smith was elected member of the Board for the term of three years. The Board organized on March 20 with the choice of Loren W. Marsh as chairman.

MEETINGS

The meetings are held Monday evenings. During the year the Board held fifty-two regular and three special meetings.

The following are the net expenditures made under the direction of the Board:

Highway, Maintenance and General	\$83,725.38
Highway, Capital Outlay	0
Highway, Reconstruction of Streets	1,973.68
1939 Street Construction	82,483.98
1938 Street Construction	1,964.13
Snow and Ice	53,310.92
Special Appropriation, Equipment for Snow Removal	547.00
Storm Drains	3,242.12
Sanitary	90,652.59
Sewer Extensions	14,094.62
Sewer Maintenance	7,209.84
Water Extensions	23,706.19
Water Maintenance	63,899.35
General Administration	19,610.22
1937 Street Construction	198.95
1936 Street Construction	7.27
1935 Street Construction	0
1933 Street Construction	0
1931 Street Construction	5.89

1930 Street Construction	0
1929 Street Construction	0
Special Appropriation, Arlmont Village Sewer Extension	0
Special Appropriation, Arlmont Village Water Extension	0
Extension of Water Mains, Pleasant View and Brunswick Roads	0
Sale of Town Yard Buildings and Equipment ...	0
	<hr/>
	\$446,632.13

HIGHWAY DIVISION

In the Maintenance Department of the Highway Division, Fourteen thousand, nine hundred twelve and 11/100 (\$14,912.11) Dollars were spent for the Cleaning of Streets; and Nine thousand, eight hundred eighty-one and 05/100 (\$9,881.05) Dollars for the Maintenance and Repair of Public Ways exclusive of Massachusetts Avenue for which an expenditure of One thousand, five hundred nineteen and 72/100 (\$1,519.72) Dollars was made.

For the Care and Repair of the Storm Drain System the sum of Fourteen thousand, one hundred eighty-seven and 00/100 (\$14,187.00) Dollars was expended.

This year there was expended for the Maintenance of Gravel Sidewalks Four thousand, four hundred thirty-two and 03/100 (\$4,432.03) Dollars and for the Maintenance of Permanent or Granolithic Sidewalks, Three thousand, seven hundred thirty-five and 26/100 (\$3,735.26) Dollars.

The sum of Three thousand, five hundred seventy-seven and 68/100 (\$3,577.68) Dollars was expended for Tar and Sand Protective Treatment on the Tar and Gravel and older Macadam streets.

RECONSTRUCTION OF STREETS

With a balance of One thousand, nine hundred eighty-four and 41/100 (\$1,984.41) Dollars carried from previous

years, the Board this year made no request for Street Reconstruction Appropriation. During the year, however, One thousand, nine hundred seventy-three and 68/100 (\$1,973.68) Dollars of this balance were expended for reconstructing with a penetrated macadam type of pavement the eighteen foot gravel shoulder on the westerly side of Park Avenue from Oakland Avenue to Prospect Avenue, eliminating a hazardous condition and also providing eighteen additional feet of permanent pavement width.

In connection with the reconstruction of the gravel shoulder the original pavement was also resurfaced with asphalt and crushed stone.

NEW STREET CONSTRUCTION

This year the following streets were accepted by the Town to be constructed under the direction of the Board of Public Works:

Buena Vista Road, from Gray Street to Lot 71.

Crosby Street, from Old Mystic Street to Falmouth Road.

Dorothy Road, from Margaret Street to present end.

Fayette Street, from Eastern Avenue to 125 feet south of Fisher Road.

Fisher Road, from Bellington Street to Hillcrest Street.

Frost Street, from Crosby Street to Winchester Road.

Hamlet Street, from Franklin Street to Webster Street.

Herbert Road, from Varnum Street to Lafayette Street.

Hillside Avenue, from Prospect Avenue to Wachusett Avenue.

Homestead Road, from Lake Street to Mary Street.

Newland Road, from Blossom Street to Summer Street.

Newland Road, from Summer Street to Forest Street.

Parallel Street, from Medford Street to Franklin Street.

Wildwood Avenue, from Lockeland Avenue to Highland Avenue.

Winchester Road, from Hutchinson Road to 120 feet south of Bradley Road.

This year the same as in the past few years the Board of Selectmen filed with the Works Progress Administration a project covering the construction of the above listed newly accepted streets. The project was approved and to date all labor used in connection with the Roadway Construction has been furnished through the Works Progress Administration, the Town furnishing necessary materials and equipment.

For cost of Town expenditures for materials, equipment, etc., see Detail of 1939 Street Construction under "Table I, Highway."

SUMMARY OF SEWERAGE STATISTICS

General

Population by census of 1935, 38,539.

Total area of Town, 5.5 square miles.

Area served by sewerage system, 3.60 square miles.

Collection System

For sewerage only, 83.969 miles, includes 5.64 miles Metropolitan sewer.

For sewerage and surface water, 0 miles.

For surface water only, 44.632 miles.

Method of disposal, sewerage into Metropolitan sewer, surface water into brooks.

Collection

Mains. (Everything but house and catch basin connection.)

	For sewerage only	For surface only
1. Lineal feet pipe	443,361.03	235,662.02
2. Lineal feet extended during year	6,548.23	13,195.80
3. Number of inverted syphons, 2.		
4. Number of manholes, 2,040, and 83 combination sewer and storm drain manholes.		
5. Method of flushing: Water service at manhole ends of lateral lines.		
6. Method of cleaning: By a special brush drawn from manhole to manhole.		
7. Number of automatic flushing tanks, 0.		
8. Number of direct connections with water mains for flushing, 44.		
9. The system was flushed only partially this year, ap- proximately 55%.		
10. Cost of flushing per mile.	} .	\$22.25
11. Cost of cleaning per mile.		
12. Number of stoppages, 5.		
13. Method of ventilation, manhole covers.		
14. Electric pump chambers, 5.		

House Connections

1. By whom made: All connections made under the direction of the Sewer Division, Board of Public Works.
2. Sizes, 5, 6, 8, 10, 12 and 15 inches.

3. Number made during year, 187.
4. Lineal feet laid during year (drain layers), 10,104.5.
5. Lineal feet discontinued during year, 0.
6. Total miles in use, 64.95.
7. Number of stoppages coming to attention of Department, 112.

Discharge of Sewer

1. Estimated population using sewer system, 36,020.
2. Number of buildings connected, 7,088.
3. Daily discharge for year.*
4. Daily discharge for each user.*
5. Daily quantity of factory waste.*
6. Daily leaking into sewers.*
7. Daily leaking per mile of sewers.*
8. Are quantities given under 3 to 7 estimated or measured?*

*See Metropolitan Sewerage Board Report.

General

Total cost of collecting mains, \$1,184,664.72.

Serial Notes, none.

Average rate of interest on bonds outstanding, none.

Proportion of cost of extensions assessed on abutters this year, 63.5%.

Yearly assessment for maintenance, none.

Method of assessing abutters and rate of assessment, as specified by the Acts of 1931, Chapter 140.

WATER DIVISION

Seven thousand, one hundred and seventy-seven feet of new water mains were laid during the year and connected with the Metropolitan system. Five hundred and forty-five feet of mains were renewed during the year. Details of regular water main construction will be found in Table 6.

SERVICES

Two hundred and eight new services have been added during the year and twelve services were abandoned. There are for all purposes, 3,393 on the low, 4,683 on the high, and 4 on the old reservoir system. On the Metropolitan water supply there are 60 services for municipal purposes, 34 sprinkler services, and 44 for sewer flushing purposes included in the above. On January 1, 1940, 245 services were temporarily out of use.

METERS

Two hundred and eight meters were set during 1939 on services installed in 1937, 1938 and 1939. The total number of meters in use January 1, 1940 is 8,001.

Respectfully submitted,

LOREN W. MARSH,
WILLARD A. WALLACE,
JAMES R. SMITH,
Board of Public Works of Arlington.

REPORT OF THE JOINT BOARD OF SELECTMEN AND BOARD OF PUBLIC WORKS

To the Honorable Board of Selectmen
Arlington, Massachusetts

Gentlemen:

Pursuant to the provisions of Section 3 of Article 3 of the Town's By-laws, the 36th Annual Report of the Joint Board of Selectmen and Board of Public Works for the year ending December 31, 1939, is herewith respectfully submitted.

At the Annual Town Election held March 6, 1939, Mr. William C. Adams was elected a Selectman for a term of three years and Mr. James R. Smith was re-elected a member of the Board of Public Works for a term of three years, and, by virtue of such elections, both became members of this Board. On March 13, 1939, the Board organized with Mr. Ernest W. Davis as Chairman.

It is with sorrow that we report the death of our colleague, Mr. George H. Lowe, Jr., on February 18, 1939. For approximately six years Mr. Lowe was a member of this Board, serving with fidelity and faithfulness. An attempt to express what he meant to the Town of Arlington appears in the Resolutions adopted by the Board of Selectmen on February 27, 1939, and in the Resolutions adopted at the Annual Town Meeting of March 15, 1939, both of which appear elsewhere in the Town Report.

The regular meetings of the Board were held on the second and fourth Tuesdays of each month, excepting the months of July and August. In addition, the Board held nineteen special meetings for the consideration of matters which could not conveniently be handled during the regular meetings.

Activities of the various departments under the jurisdiction of this Board also appear in the Town Report. The information contained therein is further amplified by the following facts:

NEW STREETS

It is increasingly evident that the policy of constructing a reasonable number of new streets each year must be followed in view of the continued development of the Town. At the Annual Town Meeting the sum of ninety-seven thousand, ninety-three (97,093) dollars was made available for the laying out and construction of the following fifteen streets:

Buena Vista Road, from Gray Street to Lot #71.

Crosby Street, from Old Mystic Street to Falmouth Road.

Dorothy Road, from Margaret Street to present end.

Fayette Street, from Eastern Avenue to 125 feet south of Fisher Road.

Fisher Road, from Bellington Street to Hillcrest Street.

Frost Street, from Crosby Street to Winchester Road.

Hamlet Street, from Franklin Street to Webster Street.

Herbert Road, from Varnum Street to Lafayette Street.

Hillside Avenue, from Prospect Avenue to Wachusett Avenue.

Homestead Road, from Lake Street to Mary Street.

Newland Road, from Blossom Street to Summer Street.

Newland Road, from Summer Street to Forest Street.

Parallel Street, from Medford Street to Franklin St.

Wildwood Avenue, from Lockeland Avenue to Highland Avenue.

Winchester Road, from Hutchinson Road to 110 + or — feet south of Bradley Road.

Of the above, all, including Brookdale Road, which was carried over from the previous year, were completed, excepting Buena Vista Road and the two sections of Newland Road. These streets will take but a few weeks to complete when the weather permits. Again, with the co-

operation of the Federal Government, all labor used in this connection was furnished through the Work Projects Administration. The details in relation to the cost of materials and equipment are set forth in the report of the Board of Public Works.

STREET LIGHTING

The street lighting schedule was continued as in other years. Upon the recommendation of the Superintendent of Street Lighting, provision was made for the relighting of Broadway, from Franklin Street to the Arlington-Somerville boundary line, and of Pleasant Street, from Swan Street to Venner Road. These improvements to Broadway and Pleasant Street have given great satisfaction and have definitely removed hazardous conditions from these streets which had been brought about entirely because of inadequate lighting.

Additional lighting was also provided at other points in the Town which hitherto had not been adequately illuminated.

SIDEWALKS AND EDGE STONES

The sum of fifteen thousand (15,000) dollars was appropriated at the Annual Town Meeting for the construction of permanent sidewalks and the installation of granite edgestones. The labor used in this connection was also furnished through the Work Projects Administration and, as was true in previous years, this type of work has continued to grow in favor, principally because of the substantial saving in the cost to the property owners. Portions of the existing gravel sidewalks in Brantwood Road, Jason Street, Kensington Park, Pond Lane, Hillside Avenue and Florence Avenue were reconstructed of bituminous concrete (black top) upon application of the property owners.

NEW BOARD OF SURVEY PLANS

During the year the Board, sitting as the Board of Survey, took favorable action on the application of Henry

G. Wilton for the approval of layout of "Menotomy Ridge," formerly the Crosby Farm, located on the westerly side of Mystic Street, from a point about opposite Glen Avenue to a point about opposite Kimball Road.

Public hearings were also held during the year and approval was given to plans and profiles of the following streets:

Hillsdale Road, from Spring Street to the Concord Turnpike.

Renfrew Street, from Dow Avenue southerly.

Woodbury Street, from Hibbert Street to Dundee Road.

Exterior lines were established on Hillsdale Road, from Spring Street to the Concord Turnpike, and on Renfrew Street, from a point about 290 feet northerly of Florence Avenue to Dow Avenue. The purpose of establishing such exterior lines was to prevent the construction of buildings in the areas which would ultimately become public ways, thus saving the payment of substantial damages by the Town at some later date.

ITEMS OF GENERAL INTEREST

Hearings have been held when required by law upon petitions filed by the New England Tel. & Tel. Company and the Boston Edison Company for permission to locate, relocate and remove poles in and from public ways and for attachment privileges for wires and fixtures.

Permission has been given the Arlington Gas Light Company to install, construct and maintain gas mains in various public ways of the Town where public convenience required.

Upon the petition of inhabitants of the Town, a hearing was given by the County Commissioners with respect to the relocation of Park Avenue, from Prospect Avenue to Cedar Avenue. Said relocation of the westerly side line from #307 to #337 was adjudged necessary and was approved by the County Commissioners.

In conclusion, the members of this Board take pleasure in expressing their sincere appreciation for the assistance and cooperation of other boards, departments and Town

officials in the rather difficult task of administering the many and varied matters that have confronted them. Our staff, too, has been unfailingly loyal and devoted in its service, for which we are profoundly grateful.

Respectfully submitted,

Joint Board of Selectmen
and Board of Public Works

REPORT OF THE TOWN ENGINEER

To the Honorable Joint Board of Selectmen
and Board of Public Works
Town Hall
Arlington, Mass.

Gentlemen:

I herewith submit my annual report as Town Engineer for the year ending December 31, 1939.

This department as usual has furnished all surveys, plans and estimates of cost requested by other Town Departments, Boards and Committees; this year the demands being more numerous than in the past. At various times it has been impossible to produce the data when required.

Following is a list of the more important accomplishments of this division of the service: 23 sewer taking plans, 13 water taking, 9 storm drain taking, and 15 street acceptance plans were draughted, approved and filed at East Cambridge Registry of Deeds, 31 W. P. A. projects were drawn up, filed at the Area office and finally were approved, 17 lines and grades were given on public ways, plans were drawn and considerable data compiled and court attended in 8 cases, 22 claims for personal injuries and property damage were investigated, pictures and measurements being taken, 4 hearings were attended at the State House and County Commissioners, 6 applications were made to the Metropolitan District Commission and 6 to the State Department of Public Works for permits for work on lands under their supervision; 7794 feet of water mains were staked out, final location made and record plans are now being finished; 9283.19 feet of sewer mains were staked out, grades given, final surveys made and betterment assessments were levied, 12,534.84 feet of storm drain were staked, located and record plans are now being draughted; 4 Board of Survey layout plans, 3 exterior lines plans and 1 alteration of the way plan were completed and

filed; 11 applications for change in grade were approved, 4 tracts of undeveloped land were studied for Board of Survey layout, 6 new buildings were surveyed for zoning restrictions, 17 street grades were checked for sewer and water extensions, elevation was established for 237 new buildings, grade of 237 new buildings was checked, 96 sketches were made for proposed particular sewer connections, 550 lien requests were checked for Tax Collector, 177 releases for property changes were drawn up and signed by abutters, layout was completed for future extensions of the Fire and Police Signals Systems, Arlington-Belmont Town line was marked out at Pleasant Street bridge and on Lake Street, construction plans were made for 15 new streets, several studies were made for proposed extensions of sewer, water and storm drain systems, 4 advertising signs were checked for location, surveys and plans were drawn for 3 fatal accidents caused by automobiles, 25 special sewer assessments were calculated and levied; 63 plans were received from Middlesex South District Registry of Deeds, 12 from Land Court and these were filed for future reference; 161 pictures were taken in connection with personal injuries and property damage claims, 304.23 cu. yd. of ledge was measured, 624 water service box location cards and 241 particular sewer location cards were completed, 16,406 feet of granolithic walks, 2070 feet of tar walks, and 20,960 feet of granite curbing were staked out and measured for betterment assessments, and 5052 plans were printed with Pease Ozalid Machine.

I wish to take this opportunity to express my appreciation for the co-operation of the various Board members, Town Officials, and employees of this department.

Annexed to this report is a table of general statistics pertaining to the Town, and a list of public and private streets constructed to January 1, 1940.

Respectfully submitted,

JAMES M. KEANE

Town Engineer
January 29, 1940

GENERAL STATISTICS

Arlington is situated six miles northwest of Boston, in latitude 42 deg., 25 min. north; longitude 71 deg., 09 min. west, at an elevation above mean tide of from 4 to 377 feet.

Massachusetts Avenue at Cambridge line, elevation 10 feet.

Massachusetts Avenue at Pleasant Street, elevation 48 feet.

Massachusetts Avenue at Park Avenue, elevation 155 feet.

Park Circle at Eastern Avenue (base of standpipe), elevation 377 feet.

Crescent Hill Avenue at Park Place, elevation 281 feet.

The Town and a part of what is now Belmont were set off from Cambridge and incorporated as West Cambridge in 1807. The name was changed from West Cambridge to Arlington in 1867.

Area of Town, including that covered by water, 3,517½ acres, 51½ square miles; area covered by water, 268.2 acres.

Parks: Town, 127.03 acres; Metropolitan, 55 acres.

Total cemetery area, 44.2 acres.

Public streets and Town ways: Macadam, 33.34 miles; Simasco, 1.40 miles; Warren Bitulithic, 0.13 miles; Macasphalt, 0.27 miles; Colprovia, 0.29 miles; Kyrock, 0.47 miles; gravel 16.12 miles; concrete, 6.13 miles; reinforced concrete

and bituminous macadam, 2.23 miles; bituminous macadam, 3.12 miles; total 63.50 miles.

Private streets open for travel, 38.69 miles.

Length of proposed private streets, 7.91 miles.

Permanent sidewalks: Tar concrete, 9.10 miles; brick, 3.14 miles; artificial stone, 45.24 miles.

Edgestones, 40.42 miles.

Paved gutters, 15.08 miles.

Storm drain system, 44.72 miles.

Catch basins, 1,740.

REPORT OF TOWN COUNSEL

December 31, 1939

Honorable Joint Board of Selectmen
and Board of Public Works

Gentlemen:

During the year 1939, as in prior years, the time of the town counsel has been largely spent in work for various town boards, officers and employees in matters which involved questions of law. This has required attendance at your regular meetings, regular meetings of the Board of Selectmen and meetings of other boards and committees, many conferences with town officers and others, the furnishing of opinions, the examination of records, the preparation of instruments and the performance of miscellaneous other duties.

In accordance with custom, only the following brief reference is made to court cases. In the Supreme Judicial Court and the Superior Court for the County of Middlesex, the Superior Court for the County of Suffolk, the Third District Court of Eastern Middlesex and the Land Court, a total of twenty proceedings involving interests of the Town were initiated, resulting in a net increase of six at the end of the year. Notwithstanding appeals to the Appellate Tax Board during the year, there was a fifty per cent decrease in the number of pending cases. There was an increase in the number of claims presented during the year, of which some were abandoned and some were settled, with or without court action, all payments being first approved by the Board of Selectmen.

The Town Counsel wishes to renew his expression of appreciation of the helpful cooperation of officers and employees of the Town.

Respectfully submitted,

PAUL M. WHITE

Town Counsel

WIRE DEPARTMENT

To the Honorable Joint Board of Selectmen
and Board of Public Works.

Gentlemen:

I respectfully submit my report as Inspector of Wires
for the year ending December 31, 1939:

STREET LIGHTING

During the year there were thirty-four (34) No. 70 lamps installed as follows: Twenty (20) were installed on Broadway from Franklin Street to the Somerville line; thirteen (13) were installed on Pleasant Street from Swan Street to Venner Road, and one (1) on Park Avenue near Wachusett Avenue. Also sixteen (16) No. 20 lamps were installed as follows: one (1) on Arlmont Street; one (1) on Cedar Avenue; four (4) on Eliot Road; two (2) on Fayette Street; one (1) on Fountain Road; one (1) on Grand View Road; one (1) on Magnolia Street; one (1) on Mayflower Road; one (1) on Michael Street; one (1) on Silk Street; two (2) on Upland Road West. There were ten (10) No. 20 lamps removed on Pleasant Street.

Summary of street lights in service December 31, 1939
—lights burning on the 4000 hour schedule:

No. 20	80	C. P. Series Incandescent Lamps	1399
	60	Watt Multiple Incandescent Lamps	9
No. 70	600	C. P. Series Incandescent Lamps	156
No. 75	1000	C. P. Series Incandescent Lamps	108
No. 80	1500	C. P. Series Incandescent Lamps	30

ORNAMENTAL LIGHTING

60 Watt lamps multiple, burning until 2 A. M.	19
--	----

INSPECTION OF WIRES IN BUILDINGS

One thousand five hundred and eighty-six (1586) permits for electrical construction were issued at fifty (50) cents for each permit.

There were three thousand one hundred and fifty (3150) inspections made, and one thousand four hundred and eighty-nine (1489) installations approved.

Defective bell wire caused a short circuit, but caused no structural damage.

POLES AND WIRES ON STREETS

The Boston Edison Company, the Telephone Company and the Boston Elevated replaced one hundred and fifty-two (152) poles during the year.

Respectfully submitted,

W. E. MASON,

Inspector of Wires

CEMETERY DEPARTMENT

REPORT OF THE MEDICAL INSPECTOR OF THE DEPARTMENT OF PUBLIC WELFARE

February 2, 1940.

Honorable Board of Selectmen,
Town Hall, Arlington, Mass.

Gentlemen:

I present you herewith report of the Medical Inspector of the Department of Public Welfare for the year ending December 31, 1939.

	<i>Office</i>	<i>House</i>	<i>Total</i>
Old Age Assistance	471	450	921
Aid to Dependent Children	170	59	229
Welfare and Soldiers' Relief	1,843	887	2,730
	2,484	1,396	3,880

The total number of calls for the year 1938 was 3,555 calls. Therefore, there has been an increase in the number of calls of about 8% which in itself is not particularly significant. However, it is interesting to note (see below) that the number of calls continues to increase, although the percentage of increase in later years is infinitesimal as compared with that of the early years of the depression.

<i>Year</i>	<i>Calls</i>
1930	316
1931	356
1932	652
1933	1,572
1934	2,049
1935	3,330
1936	3,315
1937	3,510
1938	3,555
1939	3,880

From an inspection of the above figures it is evident that we have apparently arrived at a mean level for the past five years of about 3,500 calls per year. Deviation from these figures has been slight, whereas in the first half of this ten-year period there was an increase of over 600%. In the year 1939 more calls were made per month than were made in the entire year of 1930.

Since December 1, 1939 the hours of the medical clinic have been changed to correspond to the working hours of the Welfare Department. The change is a most desirable one because it provides a permanent First Aid Station for recipients who are injured while at work, welfare prescriptions may be filled at any time during the day, and it effects a saving of at least 50% on prescriptions which were formerly filled at drug stores.

The problem of properly caring for the physical needs of elderly people continues to increase in importance; but the problem of caring for their mental health has been left untouched, just at a time in their lives when they need it most. During the year 1937 the Welfare Department cared for 335 elderly people in need; during the year 1938, 345 persons; and in 1939, 480 elderly persons were assisted. From these figures it is evident that we are dealing with a phase of relief which is increasing very rapidly, and in my opinion we have just skimmed the surface. In this country the relative percentage of persons over sixty-five years of age as compared with the general population, has increased enormously. Therefore, of necessity the number of persons over sixty-five years of age who are in need of assistance is also increasing. To-day persons over sixty-five years of age constitute 6.4% and in 1980 all things being equal, will constitute 14.4%. In other words we now have 8,400,000 over sixty-five years of age and forty years hence we shall have 22,000,000 over sixty-five years of age. This increase in the number of persons over sixty-five years has two etiological factors; first is the tremendous strides made by the medical profession in increasing the life expectancy, and secondly is the ever increasing popularity of the birth control movement.

In regard to the first of these causes, may I state that in 1850 the life expectancy of a new born baby was forty years; that is to say that a baby born in 1850 might be expected to live for forty years. This low expectancy was due to lack of medical knowledge as we know it to-day, and the rugged and dangerous lives lived by the frontiersman of those days. With the disappearance of the frontiers, improvement in maternity procedures, decrease in infant mortality and the increase in the knowledge of general medical and surgical practice, life expectancy has been increased from the forty years in 1850 to the sixty years in 1939.

The second cause of the relative increase in the number of the aged has been through the efforts of a certain group to reduce the number of the youth of the nation. If there is any one group of the population that the nation depends upon for its future well being and security, it is the youth of the nation. We cannot depend upon the middle aged group for the future happiness of our people. This group may be a factor at the present time, but twenty years hence they will have passed to the Old Age group, and certainly at present the Old Age group is no asset for the future, notwithstanding the fact that its mellowness and experience may be of value, to the present generation. Birth controllers are concerned only with the selfish aims and wishes of the individual. But when they attempt to reduce the number of the youth, they are gnawing at the very vitals of the nation. This real and relative increase in old age is one of the many unpredicted and undesired by-products of the birth control movement.

From the point of view of age and dependents, persons may be conveniently grouped as follows:—

- A. Babies and children who are totally dependent.
- B. Youth may be partially dependent on others. Young men in industry going up the ladder of success step by step, not only caring for the present, but also providing for the future.

- C. The so-called middle aged group, most of whom are self sustaining, but only some of whom are providing for the future.
- D. Lastly the Old Age group, some of whom are financially independent, and many of whom are dependent upon public assistance.

If the Federal Government wishes and at times insists upon aiding a certain group of the population, which of the above should be assisted, how much and when? Obviously in the present economic depression, youth needs assistance. The Federal Government has answered their call in a masterly fashion by providing the National Youth Administration, and the Civilian Conservation Corps. The successful young man in industry needs no assistance, nor does most of the middle aged group. Thus we have remaining for consideration the Old Age group and the children.

Persons over sixty-five years of age and in need, are given cash in a sufficient amount for simple sustenance. In other words they are put on the dole for the simple reason that the Government gives them the money and asks nothing in return. They are placed in a sphere of enforced idleness, there to remain and vegetate, becoming at first profound neurotics, and later merely wasting away mentally and physically from atrophy of disuse. The neurosis centers about the individual in general, and the condition of his health in particular; and why shouldn't he be centered in his own neurosis? Civil Service regulations, industry, and the Federal Government itself have already put it in writing that he is no asset to the community. Recipients come to our Clinic quite often, many of them quite regularly, complaining of the various pains and aches common to their age group. Their complaints usually are not serious from the point of view of morbidity and mortality, but they are very real to them. It is futile for me to explain that most of their trouble is due to their age, because they will not believe it. Their condition must have a label and it is immaterial whether that label is a name or a number (as in blood pressure). That gives them something to talk

about and complain about until the next time they return to the Clinic. On the return visit if the blood pressure is up or down ten points (it does not make much difference which) they still have sufficient ammunition for another few weeks. I do not cite these cases for the sake of being disparaging or disrespectful at all, but simply to point out the fact that under the present Old Age Assistance set-up we are producing a large number of neurotics, and are doing it on a mass production basis. What might be the answer? Work. In 1930, 75% of the people between 60 and 75 years of age were working, now it is estimated that only 15% to 20% work. Idleness is no producer of happiness and contentment, but a breeder of discontent and unhappiness. It is estimated that in ten years the Social Security Act will have removed most of the Old Age Assistance cases, but even if that be true, they will still be in a state of enforced idleness. These recipients are already old, and their environment is narrow and limited. Because of the deaths, as the years pass by, of most of their relatives, friends and acquaintances, their point of view is different from that of their children and grandchildren with whom they frequently live. Therefore, they are out of step with the other members of the household. Remedy? Bring them together in an occupational community center where they may meet and work with people of their own age and points of view. Not laborious work of course, but any type of busy work, which comes under the head of Occupational Therapy, such as knitting, rug making, toy making, etc. The sale of high quality, handmade merchandise would probably more than pay the salary of a well trained occupational therapist. We can easily picture a group of people who have something in common, similar points of view, in the same age group, keeping busy and keeping their minds off themselves. They will live much longer and be much happier while they are living.

An employable married man with three or more children, earning \$20 to \$22 a week, has a very difficult time in providing the bare necessities of life. If such a person applies for public relief he is refused, because he is in pri-

vate employment. His children have to get along on a "filling" and unbalanced diet, consisting chiefly of carbohydrates, such as bread, potatoes, macaroni, soup and cereals. At the same time, however, there are individuals on relief work, with comparable families, who average a higher weekly income, considering their relief pay, welfare aid, Federal commodities, hospitalization, medicine and medical care. The children of the man in private employment suffer. Therefore, we are not amazed when someone makes the charge that certain men are better off on relief work than on private employment. There should be some way to assist the children of large families where the wage earner is in the lowest income bracket.

Old Age Assistance is undoubtedly going to continue as a permanent part of our government. Whether the present set-up of the plan is most desirable is a question. It seems to me that able-bodied persons over sixty-five years of age should return something for the assistance they accept. If this were feasible certain money might be liberated, which could be used for the assistance of the children of the lowest income group, even though the wage earner be in private employment.

It is a most honorable and humane idea for the government to assist old people in need, and I believe that this assistance in a modified form should continue, but it must be remembered that the government gets no return at all from its investment in Old Age Assistance. For the individual recipient it means only a few years of simple sustenance, and then the final call. Whereas if the government should make an investment in assisting the children of large families, dividends in the form of healthy, happy children, and later good citizens would be tremendous.

In the distribution of the cash dole, the government has selected one particular group of its citizens to be the favored few. The reason for this is obvious, the old age group is an active nation-wide organization, which collects funds, hires counsel and publicity men, and lobbies the halls of Congress. In addition each member is a voter, and this

makes the situation political. This ever increasing number of old age voters has to be taken into consideration by any man seeking public office. Therefore, we may confidently expect that the dole to the old people will increase before it decreases.

The aforementioned low income group children deserve some consideration when the dole is being handed out. Must we overlook the physical needs of these children just because they have not nation-wide organization, and are not voters?

The present old age plan is not satisfactory because the government gets no dividend of any kind on its investment; the ever increasing demands of the old age group are unfair to the taxpayers; because enforced idleness is no asset to the recipient, and because it is unfair to the children of large families where the cash dole could be used to much better advantage for the production of healthy, well fed children, and future good citizens.

Respectfully submitted,

EDWARD W. FEELEY, M. D.,

Town Physician.

REPORT OF THE BOARD OF HEALTH

In accordance with the Town By-Laws, the Board of Health herewith submits its annual report for the year ending December 31, 1939.

Regular Board meetings are held at the office in the Town Hall the first Monday of each month at 7:30 P. M.

At the annual Town Meeting, held March 6, 1939, Dr. Carl E. Barstow was elected a member of the Board of Health for a term of three years. Dr. Barstow qualified before the Town Clerk and was sworn to office on March 7, 1939. On that date the Board organized by re-electing Alfred W. Lombard as Chairman for the ensuing year. The personnel of the Board of Health is as follows:

ALFRED W. LOMBARD, Chairman
ERNEST R. BROOKS, D. M. D.
CARL E. BARSTOW, M. D.

To Dr. Charles F. Atwood, who served as a member of the Arlington Board of Health from March 10, 1906 to March 3, 1909, and again from March 4, 1918 to March 5, 1939, the Board of Health wishes to publicly extend thanks for his devoted interest in the health of the Town.

His services were always available and were graciously given to the Town at a personal sacrifice. We who have served with Dr. Atwood accepted his decision not to seek re-election to membership on the Board of Health with profound reluctance, for by that decision we realized that this Board was losing a most valuable member.

Resignation

Paul F. Burke, D. M. D.

Dental Operator

Temporary Appointment

Herbert J. Towle, Jr., D. M. D. Dental Operator

Appointments

J. PHILIP BOWER, Agent, Clerk and Milk Inspector.

EZEKIEL PRATT, M. D., Bacteriologist and Physician to the Board.

PAUL F. BURKE, D. M. D., Dental Operator.

HELEN M. HEFFERNAN, R. N., Nurse and Assistant to Dental Operator.

ARTHUR TAYLOR, Inspector of Slaughtering.

J. PHILIP BOWER, Inspector of Slaughtering.

The Arlington Board of Health is able to report that the past year has been an exceptionally healthy one in so far as communicable diseases are concerned.

In general the occurrence of the major diseases was about the same as in the preceding year. There was a marked increase in the number of reported cases of Measles over the preceding year, but this increase was not unexpected inasmuch as the disease shows a tendency to appear in cycles with maximum intensity at intervals of three years. The last year in which this disease reached a maximum intensity in this community was 1936. (Tabulation of reportable diseases appears on following pages.)

DIPHTHERIA CLINIC. The Board conducted but one free, public Diphtheria Clinic during 1939. This Clinic was held in the Fall and was attended by two hundred eighty-eight children. The cost to the Town per child was 14c.

DOG CLINIC FOR INOCULATION AGAINST RABIES. The annual clinic for inoculating dogs against Rabies was conducted in the Spring. At this Clinic 1043

dogs, from a total of 1453 dogs licensed in the Town, were inoculated at a cost to the Town of 50 cents per dog.

The Board wishes to emphasize the importance of licensing the dog on April 1st, having the dog inoculated against Rabies at the Free Clinic sponsored by the Board of Health, and in the case of a dog bite, determining the ownership of the dog involved in the case of biting. By co-operating with this suggestion the cost to the Town in treating cases of dog bites, as required by law, is greatly reduced. In 1939 twelve persons were given the Antirabic treatment as contrasted with eleven in 1938. Average cost per treatment of \$22.28.

DENTAL CLINIC. This service was continued as in former years. (A detailed report of its activities appears on a following page.)

SPY POND AND THE RESERVOIR. At the request of this Board, the State Department of Public Health examined these waters and this examination showed both bodies of water to be safe for bathing purposes. Under the supervision of the Board of Health, these waters were treated once during the year with Copper Sulphate to control the growth of Green Algae.

COMBUSTIBLE MATERIAL DISPOSAL. One of the greatest problems presented within the Town is the disposal of rubbish and combustible material. This Board is firmly convinced that incinerating these wastes is the only solution to this problem because suitable locations for maintaining an open dump within the Town are no longer available.

Licenses and permits, required by statute law and the regulations of this Board, have been issued upon receipt of application.

The Board of Health wishes to thank publicly the Arlington Visiting Nurses Association, the Ring's Sanatorium and the School Committee for the assistance that they

caused to be given to the Board of Health throughout the past year.

The Financial, Mortality and Morbidity reports, together with those of appointees, are appended.

ALFRED W. LOMBARD, Chairman
ERNEST R. BROOKS, D. M. D.
CARL E. BARSTOW, M. D.

Assisted at the Diphtheria Clinics for Toxoid inoculation for immunization against Diphtheria, which were conducted by the Board of Health.

Responded to all calls from the Board of Health office and attending physicians for the diagnosis of communicable diseases.

Respectfully submitted,

EZEKIEL PRATT, M. D.,

Physician, Board of Health.

REPORT OF DENTAL CLINIC

To the Board of Health,
Arlington, Mass.

Gentlemen:

A report is herewith submitted for the work done in the Dental Clinic for the year ending December 31, 1939.

The first-grade pupils of the Parochial and Public schools were examined as usual in September. Five hundred and forty-nine pupils were examined, and notices were sent to the parents of each child who needed dental care, or 62% of all those examined. Due to the efforts made in the Clinic to have children of preschool age cared for the percentage of school children needing treatment is lower, but there is still need for improvement.

The school authorities have co-operated with the Clinic by sending the regular number of children on the days appointed.

A summary of the work follows:

Extractions	{ Deciduous	154
	{ Permanent	5
Fillings	{ Deciduous	1149
	{ Permanent	397

Treatments, Silver Nitrate under Amalgam	856
Treatments, Prophylactic	281
Total number of operations	2842
Total number of sittings	1504
Total number of individual patients	448
Total number of dismissals	338
Total number of operating hours	561
	or mornings 187

Respectfully submitted,

PAUL F. BURKE, D. M. D.

HERBERT J. TOWLE, Jr., D. M. D.

REPORT OF BOARD OF HEALTH NURSE

To the Board of Health
Arlington, Mass.

Gentlemen:

I herewith submit my report as Board of Health Nurse for the year ending December 31, 1939.

During the year I made 1914 visits to the homes of persons suffering from communicable diseases, or visits related thereto.

Five persons were referred to Dr. Pratt for examination.

Seventeen contacts and patients were referred to the Diagnostic Clinic at the Middlesex County Sanatorium for examination and X-ray.

Conveyed 12 patients and 5 contacts to the Middlesex County Sanatorium for examination and X-ray.

Assisted at the Diphtheria Immunizing Clinics, held at the Board of Health office, in the Fall.

Assisted at the Antirabic Clinic, held by the Board of Health, in April.

In accordance with Chapter 119, of the General Laws, I made 18 investigations of the conditions in the homes of persons holding or applying for a license to maintain Boarding Homes for Infants.

Visited Saint Agnes School frequently during school hours.

Assisted at the Tuberculosis Clinic, held in the Senior High School and at Saint Agnes School, by Dr. Martin of the Middlesex County Sanatorium, in March.

Attended an all-day Institute, given by the Department of Public Health at the Cambridge Hospital, on the premature infant, in May.

Attended the joint convention of the nurses' associations, held at the Hotel Statler, in November.

Assisted Drs. Burke and Towle at the daily sessions of the Board of Health Dental Clinic, and with the examinations of 549 first-grade pupils at the beginning of the school year.

Respectfully submitted,

HELEN M. HEFFERNAN, R. N.

REPORT OF MILK INSPECTOR

To the Board of Health
Arlington, Mass.

Gentlemen:

I herewith submit my report as Milk Inspector for the year ending December 31, 1939.

The approximate daily consumption of milk, from data shown on application cards submitted by milk dealers distributing milk throughout the Town, is as follows:

ARTHUR TAYLOR,

Inspector

REPORT OF INSPECTOR OF SLAUGHTERING

To the Board of Health
Arlington, Mass.

Gentlemen :

I herewith submit my report as Inspector of Slaughtering for the year ending December 31, 1939.

Not having been called upon to serve in this capacity I have no report to make.

Respectfully submitted,

J. PHILIP BOWER,

Inspector

ANNUAL REPORT OF THE ARLINGTON
EMERGENCY UNEMPLOYMENT COMMITTEE
AND THE LOCAL FEDERAL WORKS PROGRESS
ADMINISTRATION

The Honorable Board of Selectmen
Arlington, Massachusetts

Gentlemen:

I herewith submit the Annual Report of the Arlington Emergency Unemployment Committee and the Works Progress Administration for the year ending December 31, 1939.

*Arlington Emergency Unemployment Committee
Operations:*

Assignments to Unemployment projects follows generally the method employed in W. P. A. enrollment, and the personnel consists of technical ineligible for W. P. A. and Welfare including certified W. P. A. cases awaiting assignment.

Total number employed in 1939 486

Average number employed weekly in 1939 157

Minimum load in 1939 (111) December

Maximum load in 1939 (225) January

Expenditures for Unemployed Relief \$76,367.23

Expenditures for Mat. and Equipment 8,452.26

The cost of Unemployed Relief shows an increase of 4.87% over the 1938 expenditures.

PROJECT SUMMARY

CHARITIES

Material and Equipment \$615.50

Total Wages 23,235.09

Seamstresses located at the Old Town Hall made 457 quilts for needy families, repaired, contributed clothing for the needy and dressed approximately 92 dolls for distribution to Welfare children at Christmas time, and also repairs were made to all window shades at the Robbins Town Hall.

Solicitors were effectively employed canvassing throughout Arlington for donations of furniture, clothing and household goods to be renovated by the local W. P. A. furniture project and ultimately distributed to deserving families.

Workers were assigned to local stations of the Federal Commodities Project to assist in the prompt distribution of milk and varied surplus commodities.

In compliance with State Regulations, it was necessary to employ the services of matrons at the Old Town Hall on account of the number of women assigned to the W. P. A. and Unemployment Sewing Projects.

During the latter part of December this department cooperated with other agencies to distribute toys to children of needy families.

After the hurricane, considerable wood was accumulated which was hauled to the Town Yard and cut into suitable lengths and delivered to needy families.

WHITE COLLAR WORKERS	Total Wages	\$8,279.50
	Other Expenses \$	106.77

Clerks and typists were assigned at frequent intervals serving various Town Departments on special assignments.

Investigators were appointed to make house visits compelled by Federal Regulations on W. P. A. applicants and workers. These investigators perform a similar duty on applicants and workers on the Unemployment payroll.

RECREATION	Total Wages	\$9,937.05
	Mat. & Equip.	1,511.14

Due to seven-day program it was necessary to supplement the School Department and W. P. A. recreation workers on all playgrounds where activities existed, weather

permitting, and during winter months activities were similarly followed through in the various school gymnasias.

Grading work was performed at the Thorndike Street, Florence Avenue and the Heights Playgrounds as far as it was practicable in this line.

A new raft was constructed at the Arlington Heights Reservoir for bathers.

Matrons were furnished the Park Department in connection with their bath-house at the Reservoir, also Special Police were assigned to patrol the swimming beach.

Workers were assigned to the Park Department throughout the year to assist in the maintenance of land under its jurisdiction.

SCHOOLS & SCHOOL PLAYGROUNDS

Total Wages \$6,080.59

Mat. & Equip. 3,614.04

Four complete tennis courts were constructed at the Crosby School Playground, less wire fence—fence to be erected before March 15, 1940.

The erection of a section of stone wall started in 1938 has now been completed at the rear and side of the Brackett School.

TOWN BUILDINGS, GROUNDS AND EQUIPMENT

Total Wages \$4,309.29

Mat. & Equip. 927.52

Due to the many W. P. A. activities housed at the Robbins House, it was found necessary to supplement the janitor service, also make changes in the top floor.

New Town Hall—Painting corridor walls, stair wells, Selectmen's and Town Clerk's offices. Done with Unemployment Labor.

Old Town Hall—Partitioning balcony, electrical and carpenter work installing more toilets in Ladies Room, repairs to W. P. A. Engr. Office.

Public Works Office—Finishing work started by the W. P. A.

The grounds of the Robbins Library were graded and cleaned up.

POLICE DEPARTMENT Total Wages \$1,154.50

Labor was furnished this department at various times to assist their janitor in the cleaning of the building and washing and cleaning police cars, etc.

Men were furnished to patrol Spy Pond when ice was unsafe for skating.

Clerks were furnished to finish a W. P. A. project covering the installation of a new Police System covering all records pertaining to their work.

FIRE DEPARTMENT Total Wages \$1,864.83

Labor was furnished to help lay cables in the Fire and Police Signal System.

Finishing painting started by W. P. A.

SANITATION Total Wages \$6,997.33

Mill Brook at Mill Lane, Locke, Clark and Forest Sts.—Installing manholes, drains and watergates in connection with work done by the W. P. A., also repairs to grounds damaged by this work.

Cleaning, deepening brook located in the area called Dickson's Swamp. This project was sponsored by the local Board of Health to eliminate the breeding of mosquitoes.

Unemployed labor was used to complete a sewer and water project started by the W. P. A. at Cedar Avenue.

Repairs were made to the sidewalls of the North Union Street Brook due to the heavy rainfall.

HIGHWAYS Total Wages \$3,796.20
Mat. & Equip. 1,347.29

Unemployed labor was used to finish miscellaneous work such as — walks, driveways, steps, grading, etc. in

connection with 1937, 1938, and 1939 streets on account of Federal Regulations which do not permit W. P. A. labor for this type of work.

Streets as follows: Andrews, Brookdale, Crosby, Dorothy, Fayette, Hibbert, Hillsdale, Park Ave. Ext., Paul Revere Rd., Wachusett Avenue, Fisher, Frost, Hamlet, Herbert, Hillside, Parker, Parallel, Newland Rd., Wildwood Ave., and Winchester Rd.

In the construction of some of these streets a great quantity of loam was salvaged—unemployed labor was then used to screen same. This was later used for the permanent grass plots on these streets.

New black-top sidewalk was installed in front of town-owned building located at 1209 Mass. Ave. which houses various W. P. A. activities.

The work started on the driveway leading into the Robbins House last fall was finished this spring.

Painting Signs and Lines for Police Department.

Labor was furnished to assist in cleaning various streets in the town.

SEALER OF WEIGHTS AND MEASURES

Total Wages \$366.00

Labor was furnished the local Sealer to assist him in performing his duties.

MISCELLANEOUS Total Wages \$6,706.85

Inventory of tools on the various projects at periodic intervals.

Lanterns were maintained for the safety of citizens and auto traffic in the Town on all labor outdoor projects under construction such as streets, sewer and water, sidewalks, storm drains, etc.

Supervisors were appointed to see that the work was properly done and that each man or woman gave a fair day's labor for work performed.

Truck driver for Town-owned truck and helpers to perform varied extra duties.

New Federal Regulations compelled the Town to furnish clerks to go to the Medford Area Office for payroll listings.

ABLE-BODIED WELFARE RECIPIENTS

Two hundred and twenty-eight Welfare recipients worked 5091 man-days assigned by this department to the following Park properties: Meadowbrook Park, Spy Pond Field, Warren A. Peirce Playground, Arlington Heights Playground, Menotomy Rocks Park. In addition we assigned 218 men who worked out their 1939 Poll Taxes on similar projects.

Administration Expense	\$3,970.00
Percentage of Unemployment Program	4.68%

WORKS PROGRESS ADMINISTRATION

This program continued through 1939 without material change in basic structure from the set-up embodied in my 1938 report. Project proposals are referred for approval to the Board of Selectmen, as Sponsors, then submitted to James M. Keane, Town Engineer, for constructive analysis involving estimates of material, equipment, specifications and personnel. Following Federal approval at W. P. A. State Headquarters and confirmation of approval by the President in Washington, specified project funds are allocated, the Sponsor's contribution pledge is approved and the project is ready for operation. The personnel is then completed by transfer from active projects or new assignments.

The number employed on local W. P. A. projects is summarized as follows:

PAYROLL:

March 1939—Highest No. of Workers	745
Sept. 1939—Lowest No. of Workers	410
Average No. of Workers	550

On December 31, 1939, the number of unassigned certified applicants for W. P. A. was 173 men and 61 women. Certified applications for N. Y. A. was 22 boys and 24 girls.

An analysis of applications for W. P. A. work based on applicants' occupation in industry, furnish these percentages:

Labor and Inexperienced	33.13%
White Collar Workers	20.95%
Intermediate and Semi-skilled.....	11.31%
Skilled and Professional	34.61%

The ratio of male applicants to female is approximately three to one, and the greater proportion, exclusive of laborers, are from the Building Trades, Automotive Industry, Salespeople and Office Workers.

W. P. A. OPERATIONS:

Federal Wages paid on Local W. P. A. projects in 1939	\$436,116.90
Federal paid materials furnished Town	9,262.36
Contribution of Town of Arlington as Sponsor	164,867.78
<hr/>	
Total	\$610,247.04
Percentage of cost to Town of Arlington	27%

Administration cost of Town of Arlington (consisting of salaries, telephone, typewriter rentals, stationery and supplies, auto expense and engineering) amounted to \$10,-624.02.

Percentage of cost to Town of Arlington	1.74%
---	-------

PROJECT SUMMARY

TOWN BUILDING AND GROUNDS:

Federal Funds	\$5,362.93	Town Funds	\$980.81
		24 Workers	

Public Works Yard improvement project was started in 1938 and completed this year. This project operated to physically complete a planned system of grading to facilitate activities in the yard and included necessary drainage together with a change of water main service connecting lines to the high pressure service.

A project operated to make alterations and repairs to the Board of Public Works Office including painting.

POLICE DEPARTMENT:

Federal Funds	\$6,321.18	Town Funds	\$1,007.12
		38 workers	

Installation of a new police system started in 1938 has now been completed covering all records, files, and indexes and has already proved a valued contribution to the present efficiency of the Police Department and will provide a more facile medium of co-operation and contact with other similar agencies including the Federal Bureau of Investigation and the State Police.

A project to remodel the first floor of the Police Station has been started with covers converting a portion of the present Guard Room into a Record Room and a new corridor thus increasing the space in the rear of the main desks, installation of a new desk, change electrical fixtures and other necessary work in connection with this alteration.

FIRE DEPARTMENT:

Federal Funds	\$13,932.55	Town Funds	\$4,532.63
		36 Workers	

A project started during 1938 and which is still in operation for the replacement of underground cables to improve and accelerate the efficiency of the existing Fire and Police Signal System.

A project to provide important information for Fire and Police Signal System. This covered a survey and comprehensive set of plans of all cable terminals and all instruments electrically operated on the Fire and Police Signal System.

Four projects operated at the Central Fire Station covering repairs to roof, construct concrete floor in the tower over Watch Room, other repairs to building damaged by the hurricane and painting.

SANITATION:

Federal Funds ...\$122,901.57	Town Funds\$25,497.72
	129 Workers

A project operated for relaying new water and sewer mains in the following streets: Gray, Park Ave., Brattle, Grove, Thorndike and Ravine.

Three projects were active to improve, widen, and erect masonry walls at various sections of Mill Brook for flood control purposes. One section from Forest Street to Brattle Street, one section from Forest Street to Mill Lane and one section from Wellington Park to Grove Street.

A project was initiated to relay storm drains in various streets, namely: Hillside Avenue, Claremont Avenue, Wollaston Avenue, Bartlett Avenue, Forest Street, Winter Street, Gray Street, Florence Avenue, Arlmont Street, Highland Avenue, Hillsdale Road, and Hutchinson Road. This project is still active.

A project covering the laying of a 12-inch water main in Cedar Avenue to complete the loop between Park Avenue and the 16-inch main at the standpipe at Park Circle.

GYPSY MOTH DEPARTMENT:

Federal Funds\$8,273.47	Town Funds\$110.00
	55 Workers

Two projects were in seasonal operation for the eradication of Gypsy and Browntail Moth and Tent Caterpillar. This work has aided in the conservation of the trees and shrubbery.

TREE WARDEN DEPARTMENT:

Federal Funds\$8,032.65	Town Funds\$75.05
	45 Workers

Two projects operated for the trimming and pruning of approximately 6100 public shade trees which were damaged in the hurricane of 1938.

HEALTH DEPARTMENT:

Federal Funds	\$2,434.27	Town Funds	\$100.04
		6 Workers	

Project started to operate in November 1938 and finished June 1939, was for the purpose of statistical survey of infant mortality in Arlington from which a spot map was developed and will prove serviceable in the research branches of the Health and School Departments.

LIBRARY:

Federal Funds	\$10,705.36	Town Funds	\$1,606.66
		46 Workers	

A project was operated to file and index books and periodicals, and to renew, mend and cleanse the paper of such books and periodicals as necessary.

Two projects operated at the Main Library for painting and repairing both interior and exterior of the building.

A project to make repairs to the roof damaged by the 1938 hurricane.

HIGHWAYS—Street and Sidewalk Construction

Federal Funds ...	\$123,619.73	Town Funds	\$95,161.61
		263 Workers	

The Street program included the construction of the following highways: Buena Vista Road, Crosby Street, Dorothy Road, Fayette Street, Fisher Road, Frost Street, Hamlet Street, Herbert Road, Hillsdale Road, Homestead Road, Newland Road, Parallel Street, Wildwood Avenue, and Winchester Road.

New sidewalks were constructed throughout the Town upon application by the abutters to the Board of Survey.

CHARITIES:

Federal Funds	\$71,631.77	Town Funds	\$13,814.22
		112 Workers	

Household Aid
 Repair and Renovation of Furniture, etc.
 Sewing for the Needy
 Commissary

A project initiated for the purpose of affording assistance to families on recommendation of the Welfare Department, is known as the Household Aid Project. This group comprises qualified women who have been accepted by the Federal District Supervisor to assist in the housework and care of children in homes where the housewife is permanently or temporarily incapacitated because of ill health. These periodical visitations have been most effective in promoting better living conditions and well being among unfortunate and stricken families.

Furniture and Household Goods Project operated advantageously throughout the year. A varied assortment of furniture, household articles, clothing, toys, are voluntarily contributed by Arlington residents, mainly through the efforts of appointed solicitors. Thoroughly renovated and reconditioned by skilled workers, these articles are then distributed to needy families upon recommendation of the Board of Welfare and other recognized charitable agencies. An idea of the scope of this project can be gained from the following analysis of items handled during 1939:

Chairs	875
Tables	182
Beds	146
Mattresses	204
Curtains	520
Ice Chests	65
Truck-loads of Clothing	77
Pictures	181
Lamps	68
Rugs and Linoleum	148

Cabinets	37
Baby Carriages and Strollers	65
Cutlery and Utensils	673
Buffets	17
Mirrors	45
Blankets, etc.	306
Bureaus	126
Dishes	1806
Miscellaneous Articles	663
Christmas Toys	2742

The Sewing Project operated throughout the year with an average of 56 workers making garments for needy families. These garments are sent to a Federal Surplus Commodities Division Warehouse for distribution to cities and towns.

Local production for 1939:

Girls' Garments	3016
Women's Garments	14657
Boys' Garments	9364
Men's Garments	2086

Total	29123
-------------	-------

Material used in manufacturing garments amounted to 82,717 yards of cloth. All material is purchased by the Federal government and the Town of Arlington is assessed \$10.00 per worker monthly. In addition to this assessment the Town also pays the cost of all findings, supplies and trucking of material to warehouses.

The Commissary of the Federal Surplus Commodities Division was operated as a state-wide project for the distribution of milk and surplus food to needy families. The Town of Arlington pays for the trucking of these commodities as well as standing a proportionate share of the Administrative expense of the Federal office in Boston.

SCHOOLS:

Federal Funds	\$21,352.68	Town Funds	\$2,142.98
		87 Workers	

Projects to paint and repair the Hardy, Parmenter, Russell, Senior High, Cutter, Peirce and Crosby Schools, were operated throughout the year.

A project to construct 280 cubic yards of masonry concrete wall on westerly side and southerly side of tennis courts at Spy Pond Field—220 feet in length—also resetting and painting 2 coats of 10 foot chain link fence on this wall.

The binding and repairing of books was carried on throughout the year, salvaging many old books which would otherwise be given to private concerns to renovate and re-bind.

A project started in 1938 for the compiling of a modern set of plans of various schools was completed in 1939.

RECREATION:

Federal Funds	\$17,551.51	Town Funds	\$2,306.97
		28 Workers	

A project providing instruction in physical training and athletics, arts and crafts, dancing, drama, music pageants, field days, nature studies, etc., was continued throughout the year. The school gymnasias are utilized for these varied activities during the winter season.

A project was operated to improve various playgrounds by grading, etc., during the season for this type of work.

MISCELLANEOUS:

Public Works Records:

Federal Funds	\$507.41	Town Funds	\$11.20
		4 Workers	

A project started in 1938 for the compilation of Statutes and Amendments of the General Court of Massachusetts and Town By-Laws and statutory rules and regulations applicable to the Public Works Department was completed this year.

Water Department:

Federal Funds	\$13,487.63	Town Funds	\$697.32
		17 Workers	

A project was started to relocate and make suitable maps and indexes of all the water shut-offs in the Town. When completed, this will be of immeasurable value to the water department.

Veterans' Graves:

Federal Funds	\$2,161.39	Town Funds	\$227.08
		5 Workers	

A project for locating and marking on maps together with a suitable index of all veterans' graves in Arlington cemeteries was operated during 1939.

Mt. Pleasant Cemetery:

Federal Funds	\$1,039.54	Town Funds	\$79.11
		5 Workers	

An up-to-date map of Mt. Pleasant Cemetery showing all graves, plots and other pertinent information was made during the year.

Roadside Beautification:

Federal Funds	\$5,095.67	15 Workers	
---------------------	------------	------------	--

A state-wide project to continue the beautification work along the Concord Highway was operated during the late Spring employing a few Arlington W. P. A. workers.

National Youth Administration:

Federal Funds	\$10,967.95	32 Workers	
---------------------	-------------	------------	--

The N. Y. A. continued in Arlington throughout 1939 directly under Federal supervision. The type of work consisted mainly of work for the Police Department maintaining traffic signs and lines throughout the Town.

Federal Music Project:

Town Funds\$460.50

This is a state-wide Federal project for which the Town is assessed \$3.00 per month for each Arlington resident employed to defray the non-labor cost of operating this project.

First Aid Supplies:

Town Funds\$407.63

These supplies are purchased by the Town and supplied to certified First Aid workers on the various projects in compliance with Federal regulations.

Tools and Equipment:

Town Funds\$4,696.80

The Town supplied the necessary tools and equipment for the W. P. A. projects to operate efficiently. This figure includes the cost of tools and equipment, the expense of trucking from one project to another, together with the cost of rental of a storehouse to keep surplus tools and equipment.

Miscellaneous:

Transportation costs of the Federal Compensation Agent and the Town Supervisor of White Collar and Engineering projects amounted to \$328.31.

My sincere appreciation is herewith expressed for the co-operation readily given to me by the members of the Honorable Board of Selectmen and all others associated with me in the administration of these departments together with the competent efforts of Mr. James M. Keane, Town Engineer, in his preparation of projects and his helpful counsel.

NEIL S. PETERS,

*Executive Secretary**Local Relief Co-ordinator*

OFFICE OF PARK COMMISSION

The Board of Park Commissioners respectfully submits its forty-fourth annual report for the year ending December 31, 1939.

At the annual town election held Monday, March 5, 1939, Daniel M. Hooley was re-elected a member of the Board of Park Commissioners for a term of three years.

The Board organized Monday evening, March 12, 1939, with John B. Byrne as Chairman, George D. Higgins as Superintendent of Parks and Playgrounds, and Miss Ruth S. Cannell as Clerk.

The regular meetings of the Board are held on Monday evening of each week at seven-thirty o'clock for the purpose of considering routine matters, consulting the officials of the other branches of the Town Government and special committees thereof, Chairmen of the Town Meeting Members, granting audiences to committees, organizations, delegations and citizens of Arlington whose interests are within the jurisdiction of the Board of Park Commissioners.

The following are the net expenditures made under the direction of this Board:

Personal Services:

Superintendent	\$2,007.50
Clerk	156.00
Wages	2,999.90
Police Duty	260.00
Life Guards	1,500.00
	<hr/>
	\$6,923.40

Expenses:

Office Supplies	\$ 10.75
Telephone	44.05
Auto Maintenance	351.08

Trucking	187.50
Maintenance of Equipment	424.71
Repairing Boats	37.33
Crushed Stone, Cinders, Etc.	31.00
Trees & Shrubs	104.59
Loam & Fertilizer	325.88
Other Expenses	181.27
Capital Outlay	208.19

\$1,906.35

Field House, Heights Reservoir \$1,983.00

Warren Peirce Playground Joint Account:

Expenses \$ 585.02

The increasing development of Arlington presents this Board with a serious problem in an effort to provide suitable and adequate playground facilities.

This Board, as in previous years, has given every effort to provide work for the unemployed men of Arlington, with the cooperation of the Arlington Works Progress Administration.

AREAS WITHIN THE JURISDICTION OF THE PARK COMMISSION

Heights Playground (Reservoir Field)

The baseball field was graded and grassed and generally taken care of during the season, which provided many of the young men of Arlington with the opportunity for playing baseball; twenty-five permits were issued by the Board to the numerous baseball teams. The younger children utilized the playgrounds in other forms of recreations.

A 20'x40' Field House was erected near the home plate of the baseball field, similar in construction to the bath house (which was erected last year), with the exception of an eight-foot roof extension making a piazza which provides shelter in case of rain.

Reservoir Beach

The season opened June 17, 1939 and closed September 9, 1939.

During the season the girls' bath house was in charge of two matrons. The boys' bath house was under the jurisdiction of the life guards. Special Police Officer Carl Land was in attendance. A new raft was erected and was greatly in demand. The area was constantly kept clean through the efforts of the employees of the Park Commissioners. Six life guards were appointed by the Park Commissioners: Frank P. Guarente, Paul M. Bartholomew, William T. Burke, James A. Coffey, Arthur G. Guarente, John C. Fredriksen, all of whom rendered valuable service and are deserving of the highest praise for their excellent performance of duty; there was no drowning accident at the beach. The life guards held swimming classes which afforded many children the opportunity to learn the art of swimming.

Arlington Heights Standpipe

General maintenance; grass area surrounding the standpipe was cut and trimmed.

Turkey Hill

General maintenance, brush trimmed.

Forest and Bow Streets

General maintenance, brush cut and trees trimmed.

Appleton Street and Paul Revere Road

General maintenance, grass trimmed, etc.

Lowell Street and Massachusetts Avenue

General maintenance, grass trimmed.

Ethel Wellington Playground

General maintenance.

Lockeland Delta

General maintenance, grass trimmed.

Menotomy Rocks Park

Consists of forty acres of natural park beauty and Hills Pond. Removed damaged trees caused by hurricane and distributed wood to unemployed of Arlington. Repaired and covered road with stone dust at Eastern Avenue entrance. Built catch basin to prevent overflow to adjacent properties from Pond. General maintenance, grass trimmed etc. During the winter months the Pond affords much pleasure to many for general skating and hockey.

Russell Park

General maintenance.

Medford and Warren Streets Delta

General maintenance, grass trimmed.

Meadowbrook Park

This area has been raised approximately three feet by heavy fill removed from streets being built by the Public Works Department. Flooded during the winter months for skating; and fencing a portion for smaller children, to avoid accidents, has been taken advantage of by the children in this section.

Florence Avenue Playground

Rough-graded with the assistance of the Board of Public Works. Erection of a temporary back-stop which affords the boys in that section an opportunity to play baseball. Levelled and graded Florence Avenue side and flooded the area for skating.

Warren A. Peirce Playground

General care and maintenance; loamed, re-seeded,

trimmed, etc. The Board of Park Commissioners have joint jurisdiction with the School Committee over this playground.

Orvis Road

General maintenance, grass trimmed.

Warren and River Streets Delta

General maintenance, grass trimmed.

Crosby School Playground

Fenced enclosure for four tennis courts and erected stone wall. General maintenance.

Monument Park

General maintenance, grass trimmed.

Linwood Beach (Spy Pond)

General maintenance.

Fowles Pond

General maintenance.

Thorndike Street Playground

This section will afford Arlington one of its largest playgrounds. One section has been filled and graded, and a temporary back-stop has been supplied in order to afford an opportunity for the boys in that section to play ball.

Dow Avenue and Appleton Street Delta

General maintenance, grass trimmed.

AREAS OWNED BY TOWN OF ARLINGTON
AND CARED FOR BY PARK COMMISSION

Brattle and Summer Streets Delta

General maintenance, grass trimmed.

Junior High West (Crusher Lot)

General maintenance, brush trimmed, trees trimmed.

Falmouth Road and Crosby Street Delta

General maintenance, grass trimmed.

Thos. J. Robinson Rock (Gray Street and Endicott Road)

General maintenance.

AREAS CONTROLLED BY ARLINGTON GARDEN
CLUB AND CARED FOR BY PARK COMMISSION

Delta, corner of Massachusetts Avenue and Swan Place
Area cared for.

Delta, adjacent to Old Town Hall
Area cared for.

RECOMMENDATIONS

The Board makes the following recommendations:

Thorndike Street Playground

During the past year, through the cooperation of the Board of Public Works, this area has been given considerable fill and a portion has been graded. A large area has yet to be taken care of. The Board recommends the work of filling and grading should be carried on as soon as possible, in order that the playground may be made available for further developments.

Linwood Street Area

The Board recommends that the foundation of the old ice houses, which are projecting from six inches to one foot above ground, be removed and the area graded, which would allow for a baseball diamond.

Cemetery Street Playground

The ground here has been rough graded and levelled for three tennis courts and the Board recommends that these courts be finished as there has been considerable demand for tennis courts.

Meadowbrook Park Playground

The Board recommends that this area receive the continued valued cooperation of the Board of Public Works in supplying fill from new street constructions, as the Board hopes to be able in so doing to have a baseball diamond to take care of that section.

Florence Avenue Playground

This area should receive more fill, be graded and grassed. Drains installed to prevent backflow of water into adjacent properties. One of the last properties attained by the Park Commission, the Board feels the future development of this area will give to the town one of its largest and best playgrounds.

JOHN B. BYRNE, Chairman
NILS G. ANDERSON
DANIEL M. HOOLEY

Board of Park Commissioners

REPORT OF THE PLANNING BOARD

The Planning Board respectfully submits herewith to the Town of Arlington its annual report for the year ending December 31, 1939:

At the regular Town Election Mr. Charles H. Bowker was elected to serve on this Board for a three year term and Mr. Herbert M. Dutcher for one year to complete the unexpired term of Mr. Charles Shedd, resigned. The Board was duly organized for the year with Mr. Harold C. Knight as Chairman and Mr. Hartwell Flemming as Secretary.

Because of the desire displayed by interested parties to promote the construction of the multi-unit type of housing in Arlington, the Board made a study of this form of housing and its application to our Town. Two such proposals were received.

To insure the embodiment in the Warrant that might be presented to the Town Meeting and enacted by that body of such restrictions and requirements as the Board deemed necessary, your Planning Board cooperated with the promoters and owners to the extent of working out a proposal which would afford to the Town proper protection. The type of building involved constituted a type of development entirely different from any previously undertaken in Arlington.

Multi-unit housing covers a wide range—from the so-called "Garden" type with units well separated, its grounds landscaped and provided with other accessories designed to provide desirable living quarters to the more usual variety of multi-family houses.

Of the interested parties, but one filed an article for insertion in the Warrant. Subsequently, the petitioner made application to have this article withdrawn or no action be taken upon it. In view of this and of other considerations resulting from its study of the matter, the Board reported against the adoption of the article.

Consideration of an Apartment House Zone was undertaken at the suggestion of a group of residents and an article prepared after considerable study of the requirements that would be necessary to make such a zone acceptable and of locations where the best interests of the Town would be served.

The experience of other localities in this matter was reviewed and set-backs, heights, court sizes and other pertinent factors made the subject of such restriction as was deemed necessary to protect the rights of others, to make the apartment layout in keeping with the character of the town and to keep down any fire hazard insofar as the prerogatives of the Board permit.

Subsequent information, however, including that brought out at the hearings showed that further study of the problem was essential and an adverse recommendation was made.

The Planning Board recommended to the Town Meeting that a minimum be set on lot sizes, a recommendation which was adopted. This action sets a minimum frontage of sixty feet and a minimum area of six thousand square feet except that lots duly recorded and existing when the by-law became effective were not subject to the revised provision. In general, the adoption of the requirements relative to lot sizes including the revised set-backs prevents in unbuilt areas the creation of lots with extremely small frontages which inevitably produces crowding and tends toward undesirable development. This was also done to prevent the speculative builder from purchasing two lots and dividing them into three, which was becoming a common practice.

The Board examined a Nuisance Restriction amendment to the Zoning By-Law proposed to make the restrictions covering single residence and general residence zone restrictions more stringent. On this proposal, which was primarily to overcome a dump nuisance, the Board recommended, and the Town Meeting agreed that adverse action be taken on the petition, on the grounds that an existing

article in the By-Laws covered the objection of the petitioners and provides all of the necessary control in matters of this nature.

Due to the vote of the Town Meeting in March of 1939, Messrs. Knight and Dutcher continued their services as members of the Incinerator Committee. Chairman Knight also served on the Special Parks and Playground Committee for the second year. Through their connections with these boards, they were able to supply information that the Planning Board had available.

Members of the Board attended hearings of the Board of Appeals on matters pertaining to relief from the provisions of the Zoning By-Laws.

Consideration has been given to the parking problem in Arlington Center. The Board met with the Chamber of Commerce at one of their monthly meetings at which this problem was thoroughly discussed. The Board believes that any area set aside for this purpose should not be more than 1000 feet from the main business center. With this in mind, it is of the opinion that when the Russell School is replaced, this land including the playground area could provide an ideal location for a parking lot. Until such time as this is possible, the Board feels that cooperation between the merchants and the Police Department to restrict parking would be to the benefit of the merchants located in the Center and to the people of the Town in general.

A meeting relative to the Town's transportation service was held with a sub-committee of the Chamber of Commerce at which the present status and means of improving the service was discussed. The latest schedules of the Boston Elevated Railway Company covering its car and bus service in Arlington were turned over to the Committee.

A petition was served on the Board to change the zone designations of a small section bordering on Massachusetts Avenue at Burton St. to be acted upon at the Special Town Meeting on October 9th. Adverse recommendation was necessary because of a faulty instrument.

The previous recommendations relative to the routing

of the Middlesex Turnpike have been reviewed in the light of more recent events. The Board still maintains that its original suggestion for the cut-over through the Great Meadows to the Concord Turnpike is the most logical. To route this connecting highway across Arlington Heights appears illogical in view of the grades involved whereby an expensive overpass over Massachusetts Ave., and the Boston & Maine Railroad tracks would be required. However, it is not considered probable that this cut-over will be constructed in the coming year.

Cooperating with the Metropolitan Division of Planning and the State Planning Board, your Board studied and kept informed on the future major highway plans in Metropolitan Boston, particularly those affecting Arlington. Of special interest, in addition to the Middlesex Turnpike mentioned above, are the proposed future extensions of the Concord Pike both east and west, the proposed Gerry's Landing Bridge across the Charles River at Soldiers' Field, and the proposed Circumferential Highway.

The Planning Board, cooperating with other Boards, considered the matter of street openings onto the Concord Highway and recommended against such action in cases where a traffic hazard would be created.

Respectfully submitted,

HAROLD C. KNIGHT, Chairman
HARTWELL FLEMMING, Sec'y.
SEROVP P. BASMAJIAN
HERBERT M. DUTCHER

MRS. KATHRYN M. ACHUFF

REPORT OF THE TRUSTEES

FOR THE YEAR 1939

The Trustees of the Robbins Library present their report for the year 1939:

The activities during this year are not marked by any special events. A complete record of what has been accomplished appears in the report of our librarian, Mrs. Lucinda F. Spofford, printed herewith.

It may be of interest to note that the circulation continues to make an outstanding record among communities of our size, being 329,355 for the year. Our entire expenses for the year amounted to \$31,808.16, of which \$29,600.00 was appropriated by the town, and the balance was income from trust funds.

Again, the Trustees are obliged to report that the library in its effort to fill all requirements is greatly handicapped by the lack of funds for the purchase of new books. We have but 60,000 volumes, and this number is inadequate to care for our large circulation. It is earnestly hoped that at no distant date this handicap may be removed, either by an increased appropriation from the town, or by gifts from our generous citizens.

The roofs which were damaged by the hurricane (September, 1938) have been repaired during the year, the inside of the building has been painted throughout, and the indexing project nearly completed. This work, which entailed an expense of \$12,312.02, was made possible through the co-operation of the W. P. A. An improvement during the year was the beautifying of our grounds, made possible by a further generous gift to the town by members of the Robbins family.

The Trustees would be grateful if the citizens of the town would avail themselves of the opportunity of enjoying the collection of prints in charge of the able curator, Mrs. Achuff.

The Trustees desire to express their appreciation of the splendid work of Mrs. Spofford and the members of her staff, carried on in a year when there were so many irritations resulting from the repairs to the building.

For the Trustees,
WILLIAM A. MULLER

Chairman

REPORT OF THE LIBRARIAN FOR THE YEAR 1939

To the Trustees of the Robbins Library:

I herewith submit the report for the year ending December 31, 1939, this being the twelfth report of the present librarian.

"The public library is the most democratic institution provided by democracy for its people. Its service is to all people—old and young, rich and poor, wise and foolish."

For eleven hours a day, six days a week, the service of thought and fact as expressed in print along with the help and guidance of a trained personnel, is freely offered to the people of Arlington.

The taxpayers provided \$29,600.00 for the upkeep of this democratic institution.

Income from funds which were given to the library by citizens who visioned what the library would mean to future citizens amounted to \$2,208.16, and brought the total amount available for library use \$31,808.16.

The library returned to the town \$2,314.13 received from fines and other sources.

WHAT THE LIBRARY DID WITH

\$31,808.16

Town appropriated	\$29,600.00
Income from funds	2,208.16

Catalogued 3246 books added by purchase.

Catalogued 217 books added by gift.

Added 796 pamphlets.

Subscribed 245 periodicals and newspapers.

Registered 2008 new borrowers.

Answered thousands of reference questions.

Sent out 7118 pieces of mail.

Sent 3834 books to schools.

Sent 16804 books by messenger to Branches.

Circulated 329,355 books.

Circulated 550 pamphlets.

Circulated 596 pictures.

Vacationers took 1575 books to summer cottage—and who knows where.

Sent 604 books to fire stations.

HOW MUCH STOCK HAS ROBBINS LIBRARY?

Library has 60,605 books

Library has 3,950 pamphlets.

STATEMENT OF PROGRESS

The American Library Association adopted what they have chosen to call the "Library's Bill of Rights" in June 1939, and recommended its adoption by governing boards of individual libraries.

"Mindful of the growing intolerance, suppression of free speech, and censorship, affecting the rights of minorities and individuals, the Council affirms its belief in the following basic policies which should govern the service of free public libraries:"

THE LIBRARY'S BILL OF RIGHTS

- "1. Books and other reading matter selected for purchase from the public funds should be chosen because of value and interest to the

people of the community, and in no case should the selection be influenced by the race or nationality or the political or religious views of the writers.

- “2. As far as available material permits, all sides of questions on which differences of opinion exist should be presented fairly and adequately in the books and other reading matter purchased for public use.
- “3. The library as an institution to educate for democratic living should especially welcome the use of its meeting rooms for socially useful and cultural activities and the discussion of current public questions. Library meeting rooms should be available on equal terms to all groups in the community regardless of their beliefs or affiliations.”

It is in this spirit that the books for the library have been selected and the Trustees have given the use of the library to the many clubs and organizations during the year. The following clubs have used the hall for 246 meetings during the year: Garden Club, Junior Garden Club, Girl Scouts, Junior Woman's Club, Fortnightly Club, School of Economics and Social Science, Camera Club, Daughters of the American Revolution, Americanization Classes, Community Chest, Hospital Aid, Middlesex Health Association, Various committees of the Arlington Woman's Club, Arlington Taxpayers' Association and the Parent Teacher Association have held their meetings in the library hall during the year. Many library affairs have also been held. Story Hours, Book Fair, Everyland Club, and Sunday Readings and Teas.

The sixth season of Sunday Readings had an average attendance of eighty at the four meetings. In February the Rev. Robert M. Rice gave the audience the benefit of his careful study of Utopias. In March, the "Life of Elihu Root" as reviewed by Prof. Edmund Morgan, and

Mrs. George B. C. Rugg read several of her charming essays which have been published in the "Monitor." In April Percy A. Brigham talked informally on "New England through the seasons" and showed beautiful colored slides which were introduced with quotations of many lines of poetry. In December, a Christmas program was given. Mrs. Walter Vaughn read "Sacred Flame" a legend written by Selma Lagerlöf. A woman's quartet, consisting of Mrs. Thomas Woodworth, Mrs. Edward Shinn, Miss Katharine Yerrinton, and Mrs. Robert Hawkins, with Mrs. C. Frederick Evans accompanying, sang choice Christmas carols. The Hall which had been previously decorated by the Garden Clubs for their Christmas party made a beautiful setting for the last meeting of the year.

With the cooperation of the Art Committee of the Woman's Club, the Gallery at all times contained some exhibition of interest.

January—Vitalie Z. Terletzky, an Arlington resident, showed landscape and portraits.

March—Harrington Moore of Medford, Copper Placques.

April—High School Art Exhibit, Drawings, water colors, pastels, commercial drawings.

Aug. and Sept.—Color prints, beautifully framed. Pictures gift of Arlington Woman's Club which were later placed in schools.

Oct. and Nov.—Water colors and tempura, loaned by the Massachusetts Art Project.

Nov.—Arlington Camera Club.

Nov.—Ethel Doane; exhibit and lecture on Early American Jewelry.

Dec.—Madonnas loaned by the Boston Art Museum.

Dec.—Water colors and oils by Jessie Burns Parker, a local artist and Arlington Club Woman.

There are a thousand subjects on which readers have a right to expect information, not the boiled down paragraphs in an encyclopaedia, but carefully written treatises. The librarian likes nothing better than an opportunity to supply such wants. The public interest turns now to politics—to a study of the types of government, to science, to art, and handicrafts, and would think the Public Library a poor device if it could not, in some measure, meet its demand for books.

The average user of the library has no knowledge of the amount of work in detailed form which precedes the appearance of a book on the shelves, of the attentions that must be devoted to it if public property is to be preserved. Ordering, cataloging, preparing for the shelves, registering borrowers, charging out books and getting them back. Many of these processes go on behind the scenes and account for many hours of service on the part of the library staff.

This year the cataloging of 3274 bound periodicals has been completed. At the present time much material of more than ordinary value and timeliness appears in pamphlet form. In 1939, 796 pamphlets have been added and 296 discarded. Total number of pamphlets 3,950.

Much of added work that has been done in the Catalogue Room has had to do with the W. P. A. project that has been going on in connection with the indexing of the local papers. While the work of indexing and typing has been done by the W. P. A. workers who were assigned to the library since the middle of December 1938, hours of the time of the Classifier, Miss Esther Gannett, has gone into the work of revision. This work has been made very difficult due to the many changes in personnel. Previous to this time, one worker had been doing this work for nine months in 1936. The indexing of the *Advocate* from 1871 through 1938, the *Arlington News* from 1932 through 1938, the *Enterprise* 1898 through 1903, gives the library one more tool to use in looking up local history. In fact, it is the only place where many facts concerning the town can

be found. The work of indexing is completed and all that remains to be done is to finish typing the Index. In connection with this work many pamphlets of historical interest and many lists have been typed by the workers.

Through the Reference Department, the life and progress of the thinking and the doing, the work and the play of Arlington is shown. Quick service by telephone is more and more appreciated. Many have found that calling Arlington 0026 makes the Robbins Library a branch office to any business or home.

Herewith follows comments of Mrs. Margaret Erskine, the Reference Librarian.

"More and more the radio is bringing the attention of people to books and libraries. The current popularity of "quiz" or "information" radio broadcasts brought increased use of the Reference books. The program "Americans All—Immigrants All," broadcast during the winter months created a demand for biographical material on our foreign born citizens besides general books on immigration. Opera books were especially popular due partly to the many interesting programs on the air.

Books on Latin America and contemporary politics have been and are in great demand. A list "Books for the Long and Calm View," printed in the American Library Association Booklist was made the basis of a world-affairs table exhibit. This list was mostly made up of books on the European War. With boundaries changing so rapidly, with new leaders thrust on the horizon, great desire had been shown to read the "authentic" books or articles. For these people the world-affairs exhibit was arranged with plenty of background material with which to start, atlases, pamphlets and magazines, changed often so that the entire exhibit may be up to date as possible.

Current events are reflected in the search for geographical information. The Central European crisis has of course created a demand for maps of all countries, especially of Czechoslovakia and the Sudeten region, Poland, Russia

and Finland. *Newsmap*, a new periodical with maps drawn by experts, is very helpful in answering these questions. Clippings of current events from the *Christian Science Monitor*, *New York Times* and the *Boston Transcript* have been kept for the Pamphlet file. Speeches and texts of acts, so difficult to locate elsewhere, have also been filed.

Many unusual requests came to the Reference Desk during 1939 some of which were:

Information about poloroid glass.

Industrial purchasing.

Trend of relief in America.

Ways the Constitution might be changed.

Traffic management.

Biblical dramas.

Marine engineering.

It is for those who request this definite type of information for serious study and research that books of a specialized type are needed.

Each day students come from the High School, all seeking knowledge, some from the spur of ambition, others with the yoke of an assignment, but all needing guidance and assistance. On these we have focused our particular attention and library facilities during the year. Reference books have played a very important role in giving them a wider viewpoint, a clear picture and a better understanding on whatever the current subject of the moment.

The Vocational material of which we have an excellent collection, played an important part in the curriculum of the High School student. Books on vocations, pamphlets which number over one hundred, and magazines were grouped together in the High School Room. Here the student may browse to his content and find just what career he is interested in. *Vocational Trends* and *Occupations* are two splendid magazines devoted to vocational guidance.

After the school days are over, we find many of the

young people still studying, still reaching out for a broader education. Whether it be scientific or artistic, mechanical or domestic, they can find valuable material by competent authorities here at their own library. If we cannot fill their requests, we then turn to the Inter-Library Loan system of borrowing books for our patrons. In 1939, 106 books were borrowed on the following typical subjects:

Lip Reading

Dies and Diemaking

Vocational Guidance

Remedial Reading

Installment Buying

Industrial Fire Hazards

Vulcanology

Religious Education

Thirty-seven books were loaned to nearby libraries.

The work done by the library is not new, but each year some find for the first time the services which the library offers. This year, more books in foreign languages have been borrowed than before. For many who do not read the English language and those learning it, this affords a real opportunity. Two hundred and two books were borrowed in six different languages: German, Armenian, Italian, Norwegian, French and Portuguese.

Table exhibits have played their part in arousing interest in certain books. Special collections of poetry, biography, travel and garden books have been grouped together at various times." If a good motion picture has definite connection with books and reading, attention has been called to it by scenes from the picture with a list of books.

SERVED THE CHILDREN

Library has 15,884 juvenile books. From this collection 109,017 books were circulated for home use. The importance of the right selection of books for children

received attention in talks before Clubs, Parent Teacher Associations, and in suggestion and advice given to parents who inquired.

The second full year, the work at the Vittoria C. Dal-lin Branch has shown that the Branch was needed. The Branch librarian in her report stressed the need of more books, books which will answer the increasing number of reference questions and assignments given to school children. This truly is the work of the library.

The Junior Library has carried on the usual activities, summer club, story hours, book fair, Good Book Week celebration. More intensive work has been done with the schools. English classes came from Junior High Center for instruction in the use of the library, and pupils from Industrial Arts for inspection of the building.

Good Book Week was the occasion of visits from pupils of the six elementary schools. They were given time to see the library building as a whole and to enjoy the exhibit of new books.

The East Branch continues to do what it can, with short hours, lack of the right location and few books. East Arlington does need a Branch that can take care of its own library needs.

What of the Elementary and High School students who need the use of reference material? What of that large number of boys who are no longer in school but would like to study or read in a quiet place?

GIFTS

Various volumes have been presented to the library by local people, publishers and authors:

Miss Lucy M. Brigham

Mr. and Mrs. Colin Clements

William Powers Kneibbs

William H. Lannin

Robert Schalkenback Foundation

Miss Mabel Weedon
Mrs. Clifford Dumble
Miss Julia Maynard
Heights Study Club
J. Howard Atkin
Billy May
Bertrand Washburn
Mrs. Horace Everett
Mr. William A. Forbes
Misses Allen
Mrs. Gertrude Tewkesbury
Mrs. Mildred White
Mrs. Charles E. Lay
Arlington Townsend Club
Florence Ryerson
Miss Florence Harris
Miss Mildred Hayward

Other gifts have been received from the Trefoil League, total payment on lantern; George M. Brooks, marble bust and stand; Junior Woman's Club, \$15.00 for use of the library; Mrs. Francis Thompson, globe:

Book marks from the three banks of the town have proved helpful in keeping the books from having worn down corners.

The beauty of the Library has been increased by the many flowers received from friends. The Garden Club members, as in other years, have been most generous with their gifts of flowers and Christmas decorations.

Our local newspapers have been most helpful in the way of publicity. To these all we express our thanks.

Staff

During the year there were two resignations, Miss Pauline Bennett, to be married, and Miss Alice Cutter, to take a position at Harvard College Library.

Miss Frances Macaulay, a part-time worker for several years, was made a staff member. In October, Miss Louise Campbell joined the staff.

The Librarian appreciates the loyalty and willingness shown by staff members in whatever task set them, as well as in their wish to render the best possible service.

I desire to express to the Trustees grateful acknowledgment for their understanding of the problems of the library, for their helpfulness and co-operative spirit.

Respectfully submitted,

LUCINDA FIELD SPOFFORD

Librarian

December 31, 1939

REPORT OF THE CURATOR OF THE ROBBINS PRINT COLLECTION FOR 1939

The year 1939 may be recorded as uneventful, in that there were few interruptions to the regular routine in the Robbins Print Collection. Cataloguing, research, measuring for mats, mounting, went on as always, and several persons used the collection for research in the field of portraits of obscure subjects, a fertile field in a collection so vast as this one. The renovating and redecorating of the exhibition gallery necessitated the removal of all prints from the walls for the summer; in the fall the former exhibition, with a few changes, was hung.

The following portraits have been acquired during 1939:

American subjects:

Higgins, Eugene	Self-portrait	Etching, 1912
Myers, Jerome	Self-portrait	Etching

Miscellaneous:

Cundall, Charles	Drypoint by Francis Dodd
------------------------	--------------------------

And the following ten drypoints from the Arms Conference Memorial Portfolio by Walter Tittle:

Borden, Rt. Hon. Sir Robert
 Cartier de Marchienne, Baron E. de, 1923
 Cavan, Frederick Rudolph Lambart, 10th earl of
 Geddes, Sir Auckland
 Kato, Taka-akira, baron, 1921
 Lee, Lord, of Fareham, 1921
 Sarraut, Senator Albert
 Schanzer, Carlo
 Sze, Sao-Ke Alfred
 Tokugawa, Iyesato, prince, 1921

The Robbins Collection now has eighteen of the twenty-five drypoints done from life by Walter Tittle of the leading figures in the conference on the Limitation of Armaments held in Washington in 1922. It is expected that the remaining seven will be added to the collection next year.

KATHRYN M. ACHUFF,

Curator.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Arlington:

At no time in history has the value of the American scheme of public education been more justified than today. No real democracy can exist without an educational system which provides an adequate training in citizenship and an equal opportunity for all of its youth. Education is costly, but it is worth the price.

For years Arlington has enjoyed a reputation for its generous support of education and for its excellent school system. Your School Committee has conscientiously maintained past standards and is constantly endeavoring to improve the service which our schools can render to our children. The Committee has been economical in administering the schools and conservative in expending the funds provided by the town for education.

Citizens should read the report of the Superintendent, which the Committee presents as part of its report and in which is detailed the improvements made in the organization of the school system and the reductions brought about by wise planning, careful administration and constructive supervision.

The personnel of the School Committee for 1939 was the same as for 1938.

Your Committee is obliged again to refer to the need for additional school accommodations. It is our duty to call attention to the urgent need for the town to take some action toward providing adequate school buildings in the Hardy and Russell districts. The Hardy School is now filled to capacity; the Russell School, as we pointed out last year, is no longer serviceable for the needs of the district it is trying to serve. An adequate, safe building in a new location is a necessity. The Town should authorize the appointment of a School Accommodations Committee, which

should include members of the School Committee, to make an immediate study of this situation.

Again we point out the fallacy from the standpoint of economy, good business and urgent need, and we might well add civic pride, of continued delay in completing the George H. Lowe, Jr. Memorial Auditorium. We ask the town why something cannot be done about this.

Arlington has school property which has a total valuation of \$2,902,916. We are justly proud of the excellent care which is given to our buildings, but constant repair and replacements are necessary. Experts all agree that at least 1½ per cent of the valuation of buildings and equipment is a reasonable amount for care and upkeep. This would amount to \$43,543.74. We are requesting in our 1940 budget \$29,622.00, which is very much less than we might be expected to ask for. We have received in the past some W. P. A. help, but we are getting very little W. P. A. help now. We cannot depend upon that. We must warn you that more funds will be required for maintenance in the future if we are to properly safeguard the town's investment in school buildings.

The net cost of education to real estate taxpayers is materially reduced by the revenue accruing to the town from the Commonwealth and from other sources. The receipts on account of education during the fiscal year 1939 are as follows:

Vocational Education	\$ 3,606.10
Tuition of State Wards	2,860.42
Other Tuition	406.37
Miscellaneous	654.26
Americanization	471.25
Rentals	211.50
General School Fund	51,392.25
	<hr/>
	\$59,602.15

The total 1939 appropriation amounted to \$659,326.70. Deducting the reimbursements and the unexpended balance

of \$7,219.76 turned back to the town, the actual amount for school purposes from our Real Estate Tax levy is only \$592,504.79.

We regret to record the passing of two teachers who died in service during 1939:

Myrtle M. Davis, who began service in Arlington in 1907. At the time of her death in March, 1939, she was a first grade teacher at the Locke School. She had given efficient and faithful service to Arlington for thirty-two years.

H. Pauline Pattison, who began service in Arlington in 1934 and died July, 1939. She was an efficient teacher of English at the High School.

We pay tribute to two of our teachers who retired in 1939. Both have given long service to the Arlington schools. Both have made a distinct contribution to the system and a lasting impression on many of our citizens who were their pupils. We refer to Miss Helen M. Dow, first grade teacher in the Parmenter School, who began her teaching in Arlington thirty-five years ago in 1904; and to Miss Flora E. Fuller, who, at the time of her retirement in February, on account of illness, was principal of the Locke School. Miss Fuller began her service in the Arlington schools in 1914. The Committee expresses its gratitude to both for their loyalty and for their valuable contributions to the educational system of Arlington.

We express our thanks to the school officials, teachers and employees for their assistance and loyal support. We thank the town officials, members of boards and departments, and the citizens of the town for their cooperation.

Respectfully submitted,

M. NORCROSS STRATTON

Chairman,

Arlington School Committee

January, 1940.

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS FOR THE YEAR 1939

To the School Committee of Arlington:

Ladies and Gentlemen:

I hereby submit my third annual report as Superintendent of Schools in the Town of Arlington. The report deals with some of the details of our school system which ought to be of public interest. There are many phases of school work that should be covered by a report of this kind. To this end I have asked the high and junior high school principals, the elementary school supervisor and the supervisor of maintenance to submit reports to me of their work. I am, therefore, including portions of these reports as a part of my annual report.

INTRODUCTION

The purpose of this report is to furnish you and the citizens of the town useful and interesting information concerning the work of the public schools. When once we stop to consider the question seriously we are forced to the conclusion that the administration of its public school system is the biggest business in any community. In the rush of everyday business and activities we are prone to forget this fact. In our complex national life more and more obligations are being placed on the schools of the nation. Upon them primarily rest the duty and privilege of molding the lives and ideals of the future citizens of this nation. If the nation is to endure, the teaching and instruction of youth must be a matter of universal concern. It is the hope of your superintendent that the information contained in this report may, in some measure, set forth the conditions in our schools so that all who read it may have a better understanding of our efforts in the training of the young people in the public schools.

Total of all grades	6,915	6,917	7,016	6,969	6,960	6,901

ENROLLMENT

From the table of comparative enrollment it will be observed that the total school enrollment of December 1939 is but fourteen pupils less than the total in 1934. There are some significant contrasts between these enrollments, however, to which I wish to call your attention.

It will be noticed that in the elementary schools there are 494 less pupils enrolled in December 1939 than in December 1934. The dropping off in elementary school enrollment is not peculiar to Arlington, but seems to be prevalent throughout the nation during the past five years, due, in part at least, to depression years.

Our junior high schools have 145 more pupils enrolled than in 1934 and our senior high school 334 more pupils than in 1934. Thus we have an increase of 479 pupils in our upper grades where the cost is greatest.

ELEMENTARY SCHOOLS

It has been my aim and purpose during the past two years to revise the courses of study in the elementary schools and to have the work in each of these schools cover the same ground so that a child moving from one section of the town to another would not find himself in the position of one moving to another town. I mentioned in previous reports the introduction of a new reading system and that we were working on a course of study in arithmetic. We have completed the course of study in arithmetic and at the present time are working on a course in social studies. I shall quote from the elementary supervisor's report some of the accomplishments of the past year.

"Conferences with the individual principal, sometimes visiting with her, whenever I have gone to a building have helped me to improve the work. We go over the rating sheets, the individual records and problems the teachers are facing, agreeing on a mutual plan of help which the principal follows up and reports on my next visit. The principal and supervisor need to work in complete understanding

in all matters pertaining to teachers and pupils. In nearly all cases we have reached this point of working together.

"We have had a principals' meeting every month, with three extra or special meetings, at which not only all routine matters of organization have been discussed and agreed upon but curriculum content, teaching methods and professional problems of all kinds have been considered. Into these meetings I have brought reports from state and national meetings, from university conferences, from the newest magazines and professional books as well as contacts with outstanding educators it has been my good fortune to meet during the year. I have tried to extend our horizon by bringing the best of educational thought I could find. I find a great need in this line. These principals' meetings which have grown in frankness, in cooperative spirit and intensive endeavor, are making not only for general improvement but for unity of purpose and achievement throughout the schools, and 'an equal chance for every child.'

"The reading has improved greatly. This year the teachers, being more familiar with the system, have accomplished much more both in quantity and quality. The supplementary reading has also improved and is better graded due to the new supplementary books and the better foundation of the new system. When I came here in March 1938 many first grades were in primers or pre-primers and many second grades in primers or book one. Now, at the close of December of this school year, all first grades are nearly through the primer; some are nearly through book one and have read from three to five other books. All second grades are well along in book two and some have finished it, as well as having read from two to four supplementary readers. The quality of the reading is much better and the power of the children to attack the new reading much greater.

"Every teacher in the first three grades has a bulletin on phonics which indicates when, where, and how she is to teach the various sounds. This was compiled from the

Elson system and makes clear and complete the instruction and use of phonics in reading. It shows each teacher exactly how much sound teaching she does in her grade and where in her reading she does it. It also shows her the phonics taught in the previous grade which she must retain by use. The superintendent, supervisor, or principal coming into a room and consulting this bulletin can see at a glance what the children have learned in phonics and where they are now working. It is a clear guide to very definite, comprehensive phonic work in reading. The phonics now go along with and are a building part of the reading.

"Arithmetic. The teachers, as requested, kept records during the year of how the course of study and new arithmetic textbooks worked and from these records collected from every teacher, the committee revised the course of study.

"Social Studies. The geography and history are more clearly related this year, the majority using the unit basis. Bulletins on the fourth, fifth and sixth grade work have been placed in the hands of the teachers. These are tentative guides until the committee gets out a regular course of study which should be finished this year.

"The History and Geography of Arlington has been carefully compiled during the past year and goes into the fourth grade classrooms in its first form this month. The plan is to use all this material on the Story of Arlington that can be understood and appeals to this age child and during the year have the children write and illustrate it in story form. It has been a big piece of work and the committee deserves great credit for they have gone far and wide for the material and have spent a great deal of time rewriting it.

"Penmanship. A study of the penmanship showed a great variety in the style of writing, no agreement in materials or methods and great differences in standards and accomplishments. This was natural since it is some years since it has received any supervision. The Houston material

which had been used was placed in the hands of all the teachers, board work stressed in the first grade and a general agreement reached as to the spacing of paper and use of ink. As a result, the penmanship has improved. There has been a general improvement in teacher penmanship which I wish to commend. A committee of teachers is working on a course of study in penmanship and hopes to have it ready by April.

"Testing Program. This year we finished up a simple testing program so we have a clear, brief picture of every child. As far as it goes for the first time, it is complete. There is an intelligence quotient for every pupil. This was obtained by giving the Henmon-Nelson tests in all grades above the first. The first grade was tested by Dr. Lincoln who used the Detroit test for beginners. Dr. Lincoln also tested sixty problem children. Dr. Rothney from Harvard tested all the pupils coming to us from private schools, the great majority of whom were seeking admission to our second grade.

"The Metropolitan and Durrell-Sullivan tests were used to get the achievement of every child in reading and arithmetic, so at this time in the elementary schools we have the chronological age, the mental age, the intelligence quotient and the reading and arithmetic rating as well as other significant data from this testing. This has been used to help us in our grouping of children, in our planning of work, in our placing of children and in our meeting individual needs.

"Every recommendation on a child from the Harvard clinic, Dr. Lincoln or Dr. Rothney has been carefully considered by the supervisor with the principal and teacher, and remedial work followed up. When the problem has been too great for us we have sought help from such outside clinics as Boston University, Harvard University, Dr. Thom, and Judge Baker Foundation. There has been constructive follow-up on every case."

JUNIOR HIGH SCHOOLS

From the junior high school principals' reports come

the following high spots. During the past year increased effort has been made to satisfy each pupil's needs, capacities, aptitudes and interests. In order to follow out this program different forms of reliable data were used, such as teachers' marks and judgments, psychological tests, standard subject tests, health records and records of personal conferences.

There has been a great deal of guidance work carried on in the junior high schools during the past year. One of the principal guidance problems of the year, carried out in all three junior high schools, was to prepare pupils for a wise choice of subjects for the following year. First, a series of grade forums was held where subject offerings of the next year were explained and discussed, including, of course, the courses of study in the senior high school. It is hoped that the work in guidance can be carried on more extensively as time goes on. You may recall that in my report of 1937 I stated that I believed guidance the heart and core of any school system.

In September, the junior high schools began operation under revisions suggested by the superintendent or by the mutual planning of the three junior high school principals or as a result of research within the schools themselves.

Two notable forward steps were taken in the past year in the direction of improved curricula and in the addition of a seventh period for individual help.

The change from the multiple-choice curriculum to four curricula designated as Civic, College, Commercial, and Technical, not only furnishes a more stable and purposeful offering in the junior high school, but it brings about a closer articulation with the curricula of the senior high school.

The seventh or special help period is working out very satisfactorily according to the reports from all three junior high school principals, as it permits each teacher to concentrate upon a relatively small group of pupils with consequently profitable results. The percentage of failures has dropped noticeably since the period was introduced.

It is the consensus of opinion of your superintendent and the three junior high school principals that an improvement in the French course of study should be made next year by changing the French offered in the junior high school from a high school preparatory course to a course in cultural French. A strictly college preparatory French course is unnecessary in the junior high schools because three years of French are already provided in the senior high school. A course in cultural French would be conducted according to the direct method which furnishes a greater opportunity for proficiency in oral French than obtains under the present method. It could also be so taught as to acquaint the pupils with a much broader view of French life and civilization.

SENIOR HIGH SCHOOL

From the report of the principal of the High School come the following comments:

"The enrollment of pupils in the Senior High School on October 1, 1938 was 1760. On October 1, 1939 the enrollment was 1877. This shows an increase of 117.

"Last June a graduating class of 464 received diplomas. This year the graduating class at the present time numbers 530. This number will decrease somewhat by the end of the school year, but the graduating class next June will be larger than any of the preceding classes in the history of the school.

"Since my report to you a year ago, a few changes in the curricula have been made. Second year algebra has been placed in grade ten along with plane geometry, the algebra coming three times a week and the geometry two times. Next year, and thereafter, these subjects will be continued in grade eleven with the algebra coming two times a week and the geometry three times. By this arrangement, we hope the pupils will find it easier to master the second year algebra than under the former plan, which placed this subject entirely in grade eleven. I believe it is too early for us to judge surely the value of this new plan.

"In my report last year, I listed a number of needs to help improve the work we are doing in the school. Briefly, these needs are a modern assembly hall, a new administration unit, a room telephone system, a new gymnasium, more teachers. We are grateful to you and the School Committee for hiring some additional teachers during the past two years. This has made it possible for us to carry on the usual classroom work without overburdening the teachers. To continue this condition we shall probably need one or two additional teachers next year on account of our expected increase in enrollment. I believe, however, as I pointed out in my report last year, much could be done to improve the work in our school if we could have a sufficient number of teachers.

"We need to have a faculty manager or co-ordinator of athletics as a regular part of our school organization. I hope the School Committee will be able soon to appoint one of our men teachers to this position and to provide so that in the future the position will be filled regularly."

REDUCTION OF FAILURES

One of the problems concerning Mr. Gammons and the high school faculty has been that of reducing failures. I am happy to report that much progress has been made in this direction. It has been recognized more clearly than ever before that public high school students with varying abilities should not be held to the same standards of performance. Once this is recognized the logical conclusion is the setting up of several standards, insisting only that each student work to his mental capacity. With such an understanding, failures are bound to be reduced. There still remains for many, however, the need for broader educational opportunities. Your superintendent, the secondary school principals and the heads of the various departments have given much thought to this matter during the past year. This year we are using the bi-monthly rank sheets similar to those that have been used in the elementary and junior high schools during the past two years. These sheets show

clearly the percentage of failures in each class and we feel that it is our job to know the reason for these failures. I feel that by this method the percentage of failures will be materially reduced in the next year. Failure is not only bad for the pupil but each failure is an added expense to the school department.

VOCATIONAL SCHOOLS

Our high school at the present time has an enrollment close to 1900 pupils. Many of these boys and girls are there due to the economic conditions that make it impossible for them to find employment. In far too many cases the courses we have to offer do not meet the needs of the pupils. Surrounding cities and many towns and cities in outlying districts have met the needs of these pupils by starting vocational schools. At the present time we have seventy-eight pupils attending vocational schools in Somerville, Medford, Boston, Jamaica Plain and Cambridge, under Chapter 74, Sections 7 and 8 of the General Laws which requires towns and cities to pay tuition of pupils who attend vocational schools in other communities if the resident town does not offer this opportunity.

It has cost the town of Arlington this past year approximately \$9000 to pay the tuition of Arlington boys and girls who are attending vocational schools in surrounding cities. Fifty percent of this will be reimbursed by the State which, of course, would be true if we had a vocational school of our own that would accommodate many more boys and girls than we are reaching at present. I believe, after much study, that there is a place for vocational training in the school system of Arlington. Such a school would relieve the crowded conditions at the high school which is now filled to its capacity, and would more adequately meet the needs of a large number of boys and girls who are now floundering around in courses that are not of interest to them. Vocational training is moving forward all over the United States. The number of students demanding this kind of education is larger and larger each year, and this trend is evident in Arlington.

I recommend that a committee be appointed to study this matter and make a report at some date in the near future.

CHANGES IN THE TEACHING STAFF

Resignations:

Helen T. Rice—High School, Household Arts.
Henry D. Hormel—High School, History and Athletic Assistant.
H. Pauline Pattison—High School, English (deceased).
Dorothy Perkins—Junior High School Center, French and English.
Christine M. Hooper—Junior High School West, Social Studies and French.
Avis L. Lane—Brackett School, Grade II.
Helen E. Porter—Brackett School, Grade VI.
Edith C. Caswell—Brackett School, Grade III.
Winifred Trask—Crosby School, Grade IV.
Marion B. Johnson—Crosby School, Grade II.
Louise M. Barber—Cutter School, Grade VI.
Catherine M. Smith—Cutter School, Grade IV.
Alice M. Wilson—Hardy School, Grade III.
Esther M. Thomas—Hardy School, Grade III.
Myrtle M. Davis—Locke School, Grade I (deceased).

Retirements:

Flora E. Fuller—Locke School, Principal.
Helen M. Dow—Parmenter School, Grade I.

Leaves of Absence:

Frances B. Murray—High School, Commercial Subjects.
Lois B. Wright—High School, English.
Nina E. Flagg—Brackett School, Grade V.

Appointments:

George F. Fusco—High School, History and Athletic Assistant.

Dorothy Rooney (substitute)—High School, Commercial Subjects.

Ella Tewksbury (substitute)—High School, English.

Roger L. Warner—High School, Mathematics and Science.

Marjorie Burr—Junior High School Center, Household Arts.

James R. Powers—Junior High School Center, French and English.

Clarice Gott—Junior High School East, English.

John P. Bradley (substitute)—Junior High School West, Mathematics.

Ruth Scallan—Brackett School, Grade III.

Mary Doyle (substitute)—Crosby School, Grade IV.

Helen O'Brien (substitute)—Hardy School, Grade I.

Virginia Hart—Parmenter School, Grade I.

M. Elizabeth Shannon—Peirce School, Grade II.

Ruth E. Madden—Peirce School, Grade V (returned from year's leave of absence).

Transfers:

Geneva M. Starrett—From Junior High School Center, Household Arts to High School, Household Arts.

Dorothy L. Burbank—From Junior High School East, English to High School, History.

Iris C. Brown—From Junior High School East, English to High School, English.

Marguerite Holland—From Peirce School, Grade V to Brackett School, Grade V.

Grace E. Fettretch—From Russell School, Grade I to Crosby School, Grade II.

Margaret E. Brennan—From Parmenter School, Grade IV to Hardy School, Grade III.

Helen Roberts—From Locke School, Grade VI to Locke School, Acting Principal.

Mary Lawler—From Peirce School, Grade I to Locke School, Grade I.

Of the changes in the personnel of our staff in 1939, nine of our teachers resigned to be married, one took a position elsewhere, three resigned because of home conditions, two retired and two died. Two high school teachers and one elementary school teacher are taking a year's leave of absence.

In the elementary schools, due to reorganization, we found it unnecessary to make new appointments to cover eight vacancies. In the High School two additional teachers were appointed due to increased enrollment.

PROFESSIONAL STUDY

In a progressive school system a teaching force must keep informed of the newer developments in education and newer methods and practices. Professional study is the greatest aid to this end. Ten high school teachers, thirty-one junior high school teachers and forty-six elementary school teachers in our school system have taken summer and extension courses during the past year, and have thereby made themselves more valuable to our school system. It is hoped that more teachers will avail themselves of this opportunity in the near future. Many school systems offer an increase of fifty dollars more than the normal increase once in three years to the teachers who have attended summer school and received sixty hours credit, or the equivalent in extension courses. I hope the time will come when we will give some consideration to our progressive teachers.

PARENT-TEACHER ASSOCIATIONS

The excellent spirit of co-operation between the home and the school has been fostered by the growth and development of seven parent-teacher associations. The membership of these groups has increased each year and the programs have been constructive and educational. Each association meets regularly once each month for educational and social activities. The objectives of these associations are the welfare of the children in the schools and an understanding of the problems of education. Their co-operation

is evident in all the aspects of community life which affect the schools, and appreciation is expressed for what has been accomplished by them in Arlington during the past year.

SCHOOL HALLS

The school department has eleven school halls and four gymnasiums under its direction. The public use of these facilities has greatly increased and has become one of the important problems in the administration of the schools. Many of the halls and all of the gymnasiums are in constant demand for public functions. It has been our practice up to the present time, if money were available, to allow certain organizations, namely: the Boy Scouts, the Girl Scouts, and the Parent-Teacher Associations to a certain extent, the use of these facilities free of charge. Other groups who have used these halls have paid the janitor fees and those groups using the halls for commercial purposes have paid a rental charge as well as janitor fees. The intention of the School Committee in charging for the use of these halls for commercial purposes was in no way intended to be in competition with private halls.

We have been informed by the town accountant that in the future all use of these halls and gymnasiums must be paid for from the school budget; in other words, these organizations cannot pay the school janitors, as has been our previous practice. This means an approximate increase in the school budget of about \$3,000 for janitorial service alone. The total cost for community activities in the use of these facilities is approximately \$12,000. This amount is charged to the cost per pupil in the State reports, yet has nothing to do with the cost of public school education. I believe these are facts about which the public should be informed.

ATHLETIC COUNCIL

The Athletic Council which was organized in your school system over three years ago has continued to function and all athletic funds are handled in a businesslike

manner. Instead of a deficit which existed at the time the Council was organized, at the present time there is a comfortable balance, on which we depend to run our athletics for the balance of the year. Football is the only sport from which we realize any surplus. The other sports do not pay for themselves, nor have they for a period of years. In fact, football in a large measure pays for all of the other sports.

I feel that we should express our appreciation to the Rotary Club for the splendid banquet which was tendered to the football squad, the high school principal, coach and assistant coaches. It was a wholesome thought, and I believe meant much to the boys to feel and realize the interest that the men in the community have in them and their activities.

REPAIRS

Following is a report by the Supervisor of Maintenance of some of the major items of repair accomplished during the past year, including work done by the W. P. A., the Welfare and the Unemployment departments:

Retubing of two boilers at the High School, old building.

Replacement of 125 units of classroom furniture at the Junior High School Center.

Installation of new asphalt flooring in three classrooms, two offices, clinic, and stair landings up to the second floor and down to the basement, also the installation of Linotile stair treads with rubber nosing up to second floor and down to the basement at Junior High School Center.

Painting of three classrooms and first floor corridor, Junior High School Center.

Complete replacement of copper gutters and conductors, also other minor roof repairs at the Junior High School Center.

Continuation and completion of replacement of copper gutters and conductors, also other minor roof repairs at the Crosby School.

Complete replacement of gutters and conductors with copper, also other minor repairs, at the Parmenter School.

Installation of about 380 lineal feet of 8-ft. chain link fence at the Brackett School playground.

Repairing and painting of all exterior flag poles.

Remodeling of toilet and shower rooms in boys' locker building, Spy Pond Field.

Remodeling of old sewing room into a classroom at the High School.

Replacement of about 469 lights of broken glass in windows, etc.

Work Done by W. P. A.:

Making of building plans for various school buildings. Completion of painting project at the Hardy, Locke and Peirce Schools.

Installation of wood carvings at High School entrance in old building and around stage of auditorium in old building.

Completion of unfinished area in basement of old building so it may be used for paint shop and finishing room.

Painting of grandstands and fence around Warren Peirce Playground.

Work Done by Welfare Department:

Construction of indoor cinder running track in unfinished basement area in High School, new building. Assisting caretaker at Spy Pond Field in upkeep of grounds, etc.

Work Done by Unemployment Department:

Erection of section of stone wall around Brackett School playground.

WORK RECOMMENDED TO BE DONE IN 1940

Changes made in sprinkler piping of fresh air stack rooms so that sprinklers may be in operation in these rooms during the cold weather period. This work is needed at the Crosby, Locke, Cutter and High Schools.

A certain sum of money should be provided each year to complete the sprinkler systems and make other changes and additions to the school buildings as recommended by the Fire Insurance Rating Association. Completion of inside telephone system in new High School building and changing of telephone system in old building so that principal may communicate with all classrooms. At present there is no communication.

Through W. P. A.:

Completion of projects already submitted and approved by W. P. A. authorities for the Crosby, Brackett, High, Junior High West, Parmenter and Peirce Schools, and Spy Pond Field.

A new roadway with curbing should be installed at the Junior High School West.

All playgrounds should be given a coat of stone dust and rolled with a gas roller.

SCHOOL ACCOMMODATIONS

In regard to school accommodations I can only repeat what I stated in my report for 1938, in which I called attention to the need for completion of the high school auditorium. I wrote at length on this matter in my report of 1937, so merely mention it at this time.

A year ago, I also called attention to the great need of additional accommodations at the Hardy School and rec-

ommended that a committee be appointed to bring in plans and specifications for an addition to that building.

I also recommended that consideration be given to replacing the present Russell School building and brought to your attention that Junior High School Center is filled to capacity.

Besides the building needs I again wish to call to your attention the need of playground equipment.

I hope that careful thought and study will be given to these matters not only by our School Committee but also by our citizens.

SCHOOL COSTS

Our average cost per pupil for the school year ending June 30, 1939, as compared with the cost for the eight preceding years, is shown in the following table, as compiled from the annual reports of the Massachusetts Department of Education.

	1930-31	1931-32	1932-33	1933-34	1934-35	1935-36	1936-37	1937-38	1938-39
Elementary Schools	\$86.50	\$88.10	\$82.00	\$80.05	\$76.31	\$78.86	\$75.46	\$75.70	\$79.44
Junior High Schools	125.83	132.42	117.47	109.55	105.10	100.18	100.86	99.67	103.09
High School	154.93	151.25	138.45	124.07	124.36	114.85	114.91	111.22	106.94
Arlington's average	108.58	111.08	102.29	97.10	93.50	92.43	91.26	90.70	92.88

You will note by the above table that there has been a decrease of \$7.06 in the cost per pupil in the elementary schools since 1930. In the junior high schools there has been a decrease of \$22.74 in the cost per pupil; and in the senior high school a decrease of \$47.99. The average cost per pupil for the school year 1930-31 was \$108.58, and for the school year 1938-39, \$92.88, showing a total decrease in cost per pupil of \$15.70. Our average cost per pupil is at present considerably lower than the State average.

CONCLUSION

Public education is for all of us a public trust. It is the business of every one to develop this project of common interest to its fullest extent. To this end intelligent and constructive criticism is most welcome.

There will never be a time when we may justly say, "There is no expectation of further improvement." We must never rest content with present attainments. "The better of tomorrow must ever replace the good of today." "We must see to it that our reach exceeds our grasp," for in no other way can we have a progressive educational atmosphere.

It is my settled purpose and earnest desire through the cooperation of the School Committee, our admirable teaching force, and our generous citizens to make the system of Arlington public schools second to none, so worthwhile in all its branches that we may feel an increased pride in it, so well spoken of elsewhere that prospective citizens may find it an added incentive to locate here, and so sensible and thorough in its training that there can be no well founded doubt as to its worth. I hope to stimulate in our teachers more confidence in themselves, an abundant faith in childhood, a keen professional spirit and a consuming ambition to do better teaching each year.

In closing, I wish to express my appreciation for the great measure of freedom you have given me in the discharge of my duties and the cordiality of our relations. I wish also to express my consciousness of the loyal cooperation of the principals, supervisors, teachers, the supervisor of maintenance and all others connected with the Arlington School Department.

Respectfully submitted,

JOSEPH S. KEATING,

Superintendent of Schools

January, 1940.

PART II

STATISTICS

The following tables and information are given as matters of interest and value for permanent record.

I

GENERAL STATISTICS, SCHOOL YEAR 1938-1939

Population	Approx. 39,000
Valuation of property, January 1, 1939	\$58,699,800
Valuation of school property, January 1, 1939	\$2,587,900
Number of principals, January 1, 1939	12
Number of supervisors, January 1, 1939	5
Number of teachers, January 1, 1939	243
Number of part time teachers, Jan. 1, 1939	3
School census, children 5 to 16 years	
October, 1938	7,112
Pupils enrolled during the year	6,971
Average daily attendance	6,395
Average number of days school kept	177
Average membership	6,841
Percentage of attendance	93.5
Total cost for support, school year 1938-1939	\$652,808.38
Average cost per pupil in average membership	\$95.42
Part of this raised from local taxation	\$590,739.17*
Number of senior high school graduates, 1939	464
Number of junior high school pupils who received certificates, 1939	546

*This amount is for fiscal year 1938.

REPORT OF TREE WARDEN

To the Citizens of Arlington:

I herewith submit my report as Tree Warden for the year ending December 31, 1939. The past year was a trying one on our shade trees, on account of the extreme drought, but taking all things into consideration our trees will compare favorably with other towns and cities.

During the past year dead and dangerous limbs have been removed and foliage that would obstruct the vision of auto drivers for stop signals at intersections have also been removed, so that proper lighting effect could be obtained from our street lights. Many of our maples and especially our lindens will have to be cabled and low limbs removed this year. There were four public hearings held on trees that were deemed to incommode, or otherwise obstruct travel and the same were removed as there were no objections. There were 5 Maples, 1 Box Elder, 1 Oak, 2 Lindens, and 3 Elms that were dead removed.

Planted on new streets 200 N. Maples, 27 Rock Maples, 1 W. Cedar, 6 European Lindens also 166 trees which were charged to Hurricane damage.

The following is a Financial Statement:

Personal Service	Appropriation	Expended
Tree Warden Salary	\$750.00	\$750.00
Wages	3,525.00	3,509.01
Balance		15.99
Total	\$4,275.00	\$4,275.00
Expenses and Maintenance	\$1,365.00	\$1,364.80
Balance20
		\$1,365.00

Respectfully submitted,
DANIEL M. DALEY

TOWN HALL GROUNDS

Honorable Board of Selectmen
Arlington, Massachusetts

Gentlemen :

I herewith submit my report as Superintendent of the Town Hall grounds for the year ending December 31, 1939.

The regular routine work of clearing the front platform of the hall of snow and ice, as well as the walks and parking area in the rear of the building, during the winter months was attended to as usual.

The Patriots' Day celebration attracted thousands of people around the grounds, which necessitated roping off the lawn in front of the hall. I also had to have men patrolling the grounds to handle the crowds and keep order.

The base of the fountains on the platform of the Town Hall were again planted, and many favorable comments received about them.

The general upkeep and care of the grounds surrounding the Robbins House, including lawn, walks, shrubbery, roadways etc. was taken care of. The road leading in from Massachusetts Avenue was completely resurfaced with macadam, and a radius curbing put in around the grass plot in the center of the parking area. The gravel walks surrounding the house were all resurfaced with stone dust.

An extensive project of re-landscaping the grounds was undertaken this year, which was made possible by a gift of the late Judge William J. Wallace, of Cazenovia, New York.

Judge Wallace, a friend of Winfield Robbins, out of regard for the memory of Mr. Robbins, in his last will bequeathed to Cairn, Ida F. and Eliza Robbins, trustees under his will, a sum of money in trust to be used for the

improvement and embellishment of the Robbins Memorial Town Hall and the grounds connected therewith.

Subsequent to Judge Wallace's death, this bequest was paid over to Miss Ida F. Robbins and her sisters as trustees. The Misses Ida and Caira devoted much thought and attention to the adoption of a suitable plan for the performance of their duties in the expenditure of this fund.

Definite plans took form and they employed the services of Olmsted Bros., well-known landscape architects, to develop plans for the improvement of the grounds surrounding the Town Hall, which consisted of altering the area about the Dallin Indian to produce an informal and woodsy and rocky environment and a naturalistic planting as a background to the Indian. The construction of a boundary wall along the street property lines, of limestone similar in color and character of the stone used in the Town Hall with a view of "uniting together" the Town Hall and Library into one visual composition. Construction of a chain link fence along the Junior High School property line to discourage pedestrian traffic across the Town Hall grounds to and from the school and continue it to the proper paths. Removal of the hedges along the ripple and pool, and realignments of the walks with a view of producing a comparatively larger lawn area, generally oval in shape. Planting of evergreen trees along the Junior High School property line to help screen out the school, the architecture of which was inharmonious with that of the Town Hall and Library. Other plantations directly around the Town Hall proper to soften the severity of its mass, and planting of flowering shrubs and trees along portions of the street lines, which will tend to enhance the privacy of the area. The illumination of the Dallin Indian which was made possible by the installation of two floodlights in the area surrounding it.

In response to these proposals of Miss Ida Robbins as surviving trustee, the Board of Selectmen authorized her agents to enter upon the land adjacent to Robbins Memorial Town Hall to carry through the purposes enumerated above.

The major part of the work was completed by the middle of July, but due to the lateness of the season and the exceptional dry spell, some of the planting had to be put off until the fall, at which time work was resumed.

During this extensive re-landscaping period the regular upkeep of the property was attended to, but due to these changes and extra work involved it will require extra help in the future to properly maintain the property.

In conclusion I wish to take this opportunity to thank the Board of Selectmen, their Secretary, the men of the department and all town officials for their whole hearted co-operation during the entire year.

Respectfully yours

GEORGE M. DOLAN

Superintendent

REPORT OF THE BOARD OF ASSESSORS

The Board of Assessors herewith submits its annual report for the year ending December 31, 1939.

By the much regretted death of John D. O'Leary which occurred on February 20, 1939 the Town has experienced the loss of one of its most efficient and loyal citizens. Having served on the Board eight years, being first elected in 1931, he was in his ninth consecutive year of service when he passed away.

On March 20, 1939 Guy W. Edwards was appointed Assessor to fill the vacancy caused by the death of John D. O'Leary.

On the following page is the report of the Statistics of the Town of Arlington as per Assessors records:

CLARENCE A. MOORE
DAVID A. WILCOX
GUY W. EDWARDS
